"Summer Half Holidays This Year Fall On Thursdays"

This Store Will Close Tomorrow at 12 O'clock Noon

Do Your Shopping in the Morning!

Thursday has been approved by the retail merchants bureau of the Chamber Commerce as the best day in the week for the July and August half holidays.

With the passing of time, events, memorable and tragic rise up and steep the world in horror and sorrow. But out of it all comes a firmer understanding one with another, a little more consideration for each other, a closer fellowship and-the brotherhood of man more strongly exemplified. Truly the divine laws of evolution are making for a better world and bringing before us the practical working out of

Attending these momentous events in history comes the desire upon everybody to "live and let live"—time to enjoy what's given us in life—and—shorter working hours is the order of things

And so—while we work let us all work with a will, conscientiously, loyally, and that in hours of recreation may we improve in minds and bodies so that our daily duties will more and more be a pleasure instead of a task.

The great public is with every movement of this nature and in the public's support is everything successful.

May we at this time solicit the support of YOU-that in planning your purchases you visit the merchants of our city, Thursday morning, as early as you conveniently can, for it is with this practical support we can go further to curtail the working hours of our people. The Bowman & Company management is always willingly to co-operate in any movement whereby the working hours
