The BRUNSWICK

All Phonographs in One

THE Brunswick is a final type phonograph — a composite model. In it are found all the desirable present-day features—plus. Up to now it has been the custom for each phonograph to have its own individual refrencht. some have two or three, maybe four, valued features, but none had them all. None could play all records as well as The Brunswick.

The Erunswick is frankly & combination of all wanted perfections. Thus new els in phonographic art are obtained.

The fight revolved about Corn Coffey, a stenographer 23 years old, employed by the U. S. government at the Fond du Lac reservation, who is the solitary woman delegate. Older Indians objected to her being seated on the ground that the innovation was dangerous. One of the interesting characters at the convention is Captain John Smith, who is said to be 129 years old.

The constitution gives authority to sell bonds for defense.

The Governor signed the Senate bill which makes drastic restrictions for the sale of drugs and places those addicted under the supervision of the State Department of Health, whose commissioner is to make rules and regulations.

New Insurance Law

The Hindman "blue sky" bill was approved by Governor Brumbaugh to-day. It was drawn up by Insurance Commissioner O'Neil, and is designed to prevent issuance of stock to persons selling shares in insurance companies. Under the provisions of the act statements must be filed with the insurance commissioner giving full information about companies before any effort is made to sell shares in the state and the authority of the commissioner is greatly enlarged.

The Lohr House bill, providing regulations for the licensing of all dogs in the country districts was approved to-day by the Governor. The measure establishes licenses of \$2 and \$4 for rural communities and provides that all dogs that are liable to attack sheep must be locked up at night. Municipalities have authority to license dogs under existing laws. The bill was urged by legislators from farming counties as necessary for protection of the sheep-raising industry.

On the Verdun front the German Crown Prince made a number of attacks on both banks of the Meuse. All these assaults, delivered in the vicinity of hill 304 on the one side of the stream and north of the Hardaumont work on the other, were repulsed by the French, as were attacks on the Alsne front south of Juvincourt and in the region of the Trianguliate plateau.

British Lose Only 1,800 Men in German Success

By Associated Press

London. July 12.—The total British casualties resulting from the German success near Nieuport, Belgium, on Tuesday, were about 1,800, including prisoners. These figures were given by Major General F. B. Maurice, chief director of military operations, at the war office to-day. The section captured by the Germans, said General Maurice, who made his statement in his weekly talk to the Associated Press, was defended by only two battalions of British. The German claim of 1,250 prisoners he considered probably accurate.
