

SPORTING NEWS

NEWPORT MAY CINCH PENNANT

Victory Tomorrow Means Much For D-P League Leaders; Other Scores

A victory for Newport over the Dauphin team in the Dauphin-Perry League game at the latter place tomorrow afternoon, will make the pennant almost certain for the Perry countants. Two other good games are on to-morrow's card. Maryland will play at Halifax and Duncannon meets Millersburg at home. If Newport wins it will mean a three-and-one-half game lead over Dauphin with but six more games to play. Dauphin has seven more games. Manager Lyter's contingent will make a desperate fight. A victory will cut Newport's lead to one and one-half games. This will give Dauphin a fighting chance for the flag. Newport has some new men. Smith and Hooper have been signed. Smith is an outfielder, but is being used at the keystone sack in place of Keener. Hooper is being used in center garden. Burt Welcomes, a former Carson Long Insurer, has been signed by Manager Prevost to cover second. When he is eligible for duty, Smith will again likely be shifted to the outfield. Kid Stricker, the spitball artist, will pitch for Newport. Reeder will catch.

ning defeat. He will pitch and Minnich will catch. Platt and Rowe will be the Marysville battery. Manager Stewart Duncan's Duncannon squad will have Coach Hanks Millersburg squad as an attraction tomorrow. The regular line-up will be used with Brenner and Waltz as the battery. Millersburg will likely use G. Miller, a Burlington, Yarkon and Franke are the reserve hurlers.

Verbeke Team Winner in Indoor Baseball Game

One of the most interesting and exciting indoor baseball games of the season, among public school teams was played last evening on Verbeke school team defeated Boas, score 23 to 22.

Almost as large an audience as have witnessed some professional games was in attendance and demonstrated its enthusiasm liberally. Assistant Park Superintendent Y. Grant Forrer was among the spectators.

Boxing Is Helped by War Official Sanction

A big boost for the boxing game is the fact that military officials have placed their stamp of approval on the pastime. The reason for this is that boxing is an excellent means for putting the soldier or sailor in first-class physical condition. Many of the feints and moves brought into play in boxing are used in bayonet drilling. Then, again, there is a certain amount of gameness in boxing which asserts itself when a young man faces a sturdy foe. The lad who can do this is sure to give a good account of himself on the battlefield or on a man of war.

FOOTBALL AT HARVARD

Cambridge, Mass., July 13.—Fred W. Moore, graduate treasurer of the Harvard Athletic Association, announces that the varsity football schedule for next season has been canceled because of the war. It had been known for some time that the Crimson colors would not be seen on the field this year, as Harvard men have responded to the Government's call in such large numbers that none of the old players remain in student life. A statement published recently showed that every man on the eleven last fall was in some branch of war service.

RAILROADERS TO HOLD BIG SHOOT

Eastern Division of Pennys to Send Crack Marksmen Here Saturday, July 21

An individual trapshooting championship match will be staged next Saturday afternoon on the Division Street grounds by the Eastern division of the Pennsylvania Railroad. The shoot will start at 2 o'clock and will be divided into four classes. Fifty targets will be shot at unless the contestants prefer shooting at 100. An entry fee of fifty cents will be made and this will cover the cost of the targets. The shooters will be divided into four classes, those breaking from 23 to 25 will be designated as Class A; between 20 and 22, Class B; between 17 and 19, Class C; below 17, Class D. All entries must be sent to C. W. Hall, general chairman of the athletics of the Eastern division, 170 North Second Street, Harrisburg. Representatives from the Philadelphia, Middle, Schuylkill, Bedford, Tyrone, Bellows, Crescon divisions, Altoona, Granite shops, Altoona shops, Juniata shops, general offices and Altoona foundries will participate in the match.

Joy in Phillies' Camp Over Evers' Contract

Philadelphia, July 13.—Jups Pluvius went away sometime about noon yesterday, but his memory still persisted at Philadelphia Ball Park in the form of a thick coating of mud, which made the field a joke as far as baseball playing was concerned. So Jups, although weakening badly, made it four straight from the Phillies, and necessitated the scheduling of doubleheaders both to-day and to-morrow.

But in the clubhouse occurred a conference between Manager Pat Moran and Johnny Evers, the famous leading light of the world's champion Cubs of 1907 and 1908, captain of the world's champion Braves of 1914, and up until yesterday, captain of this year's Braves. Beginning Monday Evers will be a member of the Phillies, and will probably be called for \$10,000 a year against the Cincinnati Reds on that date.

200 British Subjects Leave Pacific For Front

San Francisco, Cal.—With a record of 200 British subjects enlisted at Los Angeles in a period of forty-eight hours, and a total of 308 recruited, the manufacturers of a tour to the San Joaquin valley to San Diego and back by the coast line, Major C. S. Manchester, chief recruiting officer, will be shut out. He returned here last night to renew his efforts in this city.

KNOCKED MY AILMENTS INTO A COCKED HAT

Dizzy Spells Gone Too, Sanpan WINS Again.

Mr. Edward Gaines, 130 Liberty street, Harrisburg, says: "I was all bused up in the stomach, I would bleed badly and the pressure would cause pains around my heart, many times would have severe pains in my stomach after eating."

"Had sharp knife like pains under my ribs on the right side, and they would reach around under my shoulder blade. I think it must have been my liver. My head and throat were always stopped up with catarrh. I was hawking all the time and it was a nuisance. "I would get a sort of swimming feeling in my head and dizzy spells, was nervous, and a hot feverish feeling would creep over me. "Truly, I felt all to the bad, and was disgusted with everything. "I heard of Sanpan as the great stomach remedy, and started to take it, and it just knocked my ailments into a cocked hat in short order. "That bloated condition has gone, those stomach and liver pains, too, the catarrh is getting better every day, am not feverish any more, my nerves are alright, the dizzy spells are no more, and I am chock full of ambition, sanpan wins again. "Sanpan is now being introduced at Keller's Drug Store, 405 Market street, Harrisburg, where the Sanpan man is explaining it to the people. See the Sanpan man when you can.—Adv.

Barber Is First to Score 100 Bingles

Baltimore, Md., July 13.—Lar-ruping Larry Lajoie, one of the greatest ball players of all time, is leading the International League in hitting. The plot of the Toronto Leafs, up to Wednesday, had slugged the pill at the rate of .363, and has but a four-point lead over Barber, of Baltimore. During the week which ended Wednesday Lajoie was stopped by Causey after hitting six in his last 19 games, getting 33 hits in 82 tries for .402. His nearest rival, Barber, is the first player to get 100 hits.

Scout Headquarters Moved to Square

The headquarters of the Harrisburg Council of Boy Scouts was moved yesterday from its temporary location in the Board of Trade Building to room 200, in the Calder Building.

1,000 Men Wanted to Be Imprisoned Ten Months to Work on War Secret

Pittsburgh, July 13.—The West-inghouse interests here are seeking 1,000 men who are willing to sign an agreement to enter a new plant to be built for the manufacture of war munitions by a secret process and remain imprisoned for ten months, all communication with the outside world to be cut off. Men who have been approached were told that the plant will manufacture a powerful implement of war and the secret must be guarded until the government sees fit to make the details public. Only those workmen and officials who will be engaged in the production of the implement know its character and the details of manufacture. Recreation and entertainment of every possible sort will be furnished while the men are in the plant, but they now get is guaranteed, and bonuses will be paid for high production. Only picked men whose patriotism is unquestioned and whose skill in their respective vocations is of the highest will be employed.

Officials of the Westinghouse interests to-day refused to talk. An artisan of high standing, who was approached by the Westinghouse people, said he received an intimation that the new plant would turn out, in large quantities, one of the late inventions of Thomas A. Edison.

Y. M. C. A. Supplies Lost in Kansan Sinking

Part of the cargo of the American ship Kansan, reported yesterday as having been torpedoed on July 9, consisted of one of the earliest consignments of supplies for the new Y. M. C. A. buildings and tents that have been erected in France for the use of American troops. Sufficient hold space to provide for these supplies had been given to the Association by the French and Canadian Steamship Company, which chartered the vessel. In order to catch the sailing, five tons of milk chocolate had been transported by special truck from the factory at Dorchester, Mass., and 200,000 letterheads with 100,000 envelopes by truck from Springfield, Mass. Other Y. M. C. A. supplies which went down with the Kansan were: 10,000 pounds of sugar, 600 dozen packages of biscuits, 20 barrels of flour, the cost of which was \$1,000, 20,000 packages of chewing gum, a motor truck, a number of large tents, 500 folding chairs, 10 folding organs and 35 cases of athletic equipment valued at \$4,500. The total consignment involved a loss to the National War Work Council of the Y. M. C. A. of supplies worth \$18,000 which will have to be duplicated at the earliest possible hour.

'Overall Girl' Is Hurt Working in R. R. Shop

Baltimore, Md.—Miss Annie Fisher, 19 years old, one of the "girls in overalls" at the Baltimore and Ohio Railroad repair shops, at Locust Point, was severely injured this morning when the jumper she wore became caught in a machine. The young woman was whirled around in the air with such force as to fracture her left arm in two places when it struck against the machine. When a fellow-workman turned off the power Miss Fisher's head was on the floor and her feet high in the air, held fast. She was working at a bolt-threading machine.

AMUSEMENTS

PAXTANG PARK—Vaudeville. COLONIAL—"The Square Deal Man." REGENT—"The Saint's Adventure."

The Colonial's program for to-day and to-morrow includes the popular Western actor, "Willie" W. S. Hart in "The Square Deal Man" and "The Saint's Adventure" and a Triangle Ince-Kay Bee feature in five parts, entitled "The Square Deal Man," portraying Mr. Hart as the Jack O'Diamonds, his square-jawed gambler in the county of Oxley. "Her Nature Dance," and a Triangle comedy, Monday and Tuesday Herbert Brenon will present the celebrated actress, Florence Reed, in a magnificent production of "The Eternal Sin" founded on Victor Hugo's book, "Lucretia Borgia." Mr. Brenon has given the picture a very gorgeous setting and a wonderful cast. Miss Reed will be seen as Lucretia Borgia, a woman whom history has declared to be one of the worst of her sex, but who, in this new version of her character, has many lovable qualities. An added feature is "Oriental Love," a Keystone comedy.

Henry B. Walthall, America's greatest emotional actor, appears at the Regent to-day in "The Saint's Adventure." Charles, one of the most popular actresses on the screen, appears in the leading feminine role—that of a woman of the tenements. Mr. Walthall is seen as the young rector of an ultra-fashionable church, who resigns when his congregation refuses to remodel its squalid tenement building in the slums. Disguised as a workman, he takes up his life in the slums, to realize his long-cherished dream of bettering living conditions among the poor.

To-morrow "The Heart of Texas Ryan," a drama dealing with the Texas borderland, will be the attraction. George Fawcett heads an all-star cast. The Garfield Musical Comedy Company had trouble in scoring a hit with the park audience in the comedy "Kissing a Maid," which they played the first half of the week, but when you see them in the musical farce, "Kissing a Maid," you will realize what a very capable organization Mr. Garfield Musical Comedy Company is. "Kissing a Maid" has an ingenious comedy plot, centered around a newly-married couple, the inevitable mother-in-law, a henpecked husband and an Irish cook. Nat Harris, the leading comedian with the show, plays the cook, and it is some laughable impersonation. "Kissing a Maid" furnishes numerous opportunities for the introduction of musical numbers and the company's chorus of sixteen young women have plenty of chances to display their ability.

COLORED TEAM TO PLAY

The 16th Ward Casino baseball team will play the Middletown White Sox Saturday afternoon at 2:30 o'clock at Island Park.

Oregon's "Indian George" Is Killed by a Train

Hood River, Ore.—Hood River grieves the loss of "Indian George," aboriginal patriarch and last survivor of the Indian men born in the mid-Columbia before the coming of the white men, who met death alone when struck by an O. W. R. & N. train. His body, severed in twain, was found in the freight yards at a crossing within a few feet of the little Indian village on a promontory jutting out into the Columbia, where for the last dozen years George and several other Indian families have lived. George Shindik Chinadere was the full name of the departed relic of the earlier days, but he was commonly known as "Indian George." Because of his accurate predictions of the heavy snow storm of the winter of 191-17, the old man had won repute throughout the Northwest as a weather prophet.
