SEEK ORIGIN For two weeks, by the confession of its members, the publicity bureau of the Pennsylvania Railroad has been directing an investigation to learn the origin of a mysterious poster which has appeared on prop-erties owned by the corporation. The sheet shows a handsome loco-motive and an even handsomer sol-dier, in khaki, and it informs the beholder that the man who runs the railroads in wartime is just as val-uable as the man who shoulders the rifle. The posters sprang up mys-teriously, with no signature, and they have baffled the investigators. Monthly Payment Plan that will get you out of debt, which a Straight Mortgage will not do; it is like paying rent and a man who can pay rent can, under our plan,

pay for a home; if you will pay rent to yourself instead of to the landlord you can get a home. BECAUSE, if desired, as much as Half of the Loan can be carried upon Interest Payment Only, with Monthly Payment upon the Other Half, affording the

advantage of a Reducing Mortgage upon a Moderate Monthly Payment.

BECAUSE Borrowers from this Association do not worry about renewals with their accompanying expense; under our Contract no renewals are required, the first expense (very low at that) is the only expense and no process may issue unless the Contract runs at least six months in default.

BECAUSE, under our Contract, Loans, in whole or in part, may be repaid upon thirty days' notice, or even without notice upon payment of one month's interest; thus owners of property mortgaged to this Association can sell it subject to our mortgage or clean off the mortgage if the purchaser so desires.

BECAUSE it is safe and advantageous to do business with as Old, as Large and as Successful a Concern as the State Capital Savings and Loan Association, which has been in business nearly Twenty Years; has Resources of nearly \$4,000,000.00; has Loaned \$10,750,000.00; has Helped 3,000 Families to Secure their Homes; and is Always Prepared to close Loans Promptly.
