### ST. LOUIS WILL GET BIG MEET

New York, July 16.—Final assurance was given to the A. A. U. national body to-day by the Western Association that St. Louis would hold the national track and field championship the first week in September. In a telegram to F. W. H. J. Babb vs. C. M. Keane.

"Heinie" Zimmerman played some sterling golf in his match with H. C. Miller in the semifinals when he equaled the course record with a 31.

This is by far the best round that has been played at Reservoir this year. This score has been equaled twice by Perry and once by Tom Devine. Only some tough luck on the last hole prevented Zimmerman from breaking the record with a 30.

On Thursday afternoon the final of the first sixteen will be fought out by two brothers, C. F. and H. E. Zimmerman. This is the first time in the history of the Reservoir club that two brothers have come together in the finals and a great match should result.

The greens on Reservoir course are in better shape now than at any time during the season and some wonderful golf has resulted.

Many of the semifinal matches were played off on Saturday afternoon during the rain, but all of them stuck it out and the players looked like drowned rats when they returned to the clubhouse.

Hard to Get Cash

For several days past the A. A. U. authorities here were in a quandary over the national fixture. The uncertainty was caused by a report from St. Louis that the cash could not be raised and the meet would have to be abandoned.

The Meadow Brook Club, of Philadelphia, stood ready to hold the meet. Finally the authorities here demanded a decisive answer from St. Louis, and it came in the shape of the telegram.

Secretary Rubien said that the meeting would be held anyway, even had St. Louis and the Meadow Brook club not bid for it as the A. A. U. had planned to stage the affair in New York in the shape of a monster carnival.

Chicago, July 16.—Rumors that "Wild Bill" Donovan will be let out of the managership of the New York Yankees this year were spiked Saturday by Colonel Jacob Ruppert, president of the club. He declared: "Donovan will manage the team next year and as many years after as he wants to."

## Import Duty or Taste-which?

If you want your cigarette-money to pay for taste and quality-and nothing else-you'll choose a cigarette made of VIRGINIA TOBACCO. instead of a cigarette of foreign-grown tobacco.

And remember: no tobacco, except Virginia, can give to a cigarette character-that natural "snap" that makes a cigarette a cigarette.

Piedmonts are Virginia tobacco, highest grade, nothing but Virginia. Their taste is famous. Just ask for "a package of Piedmonts, please."

Liggett & Myers Tobacco Co.

An all-Virginia cigarette -The Cigarette of Quality

NOTE—300 MILLION pounds! That's how much Virginia tobacco was made into cigarettes last year—over 4 times as much as foreign-grown tobacco. For cigarettes there is no tobacco like Virginia. And Piedmont is the biggest-selling Virginia cigarette in the world.
