Cantonment For Draft Army to Be Made Sanitary

Admiral, Md., July 17.—Like a child with a new dress Camp Meade at Annapolis, Md., which is to be the training site for the draft army of southern Pennsylvania, assumed its new name to-day with a display of renewed activity.

In the increased forces who will operate under labor prices prevailing in Baltimore, the carpenters showed the greatest numbers to-day.

The idea of a perfectly sanitary camp for several hundred colored workmen is rather novel, when one recalls the conditions that usually prevail around such places.

How to Be Rid of Dangerous Dandruff

The only possible way to permanently get rid of dandruff—the sure hair destroyer—is to remove the cause. Shampooing merely cleanses the scalp for a few days, then the dandruff scales appear again as thick as ever.

BETTER TO BE SAFE THAN SORRY

Motorists Should Sound Their Horns When Touring Through Towns

It is better to be safe than sorry. This applies especially to motorists at this season of the year, when touring through small towns.

There have been no reports of "traps" in this vicinity, but it is being enforced in a number of the smaller towns, notably West Fairview, Liverpool, Sunbury, Steelton, Highspire, Wernersville, West Reading and all the boroughs and villages in the vicinity of Philadelphia.

Wholesale Arrests State highway authorities in New Jersey have been making wholesale arrests of Pennsylvanians who motor through their state with their headlights glaring and also those who have not the prescribed adjustments to their lamps.
