Individual courage is one thing. But those who understand the psychology of war know that well drilled discipline and force of habit are the factors which devise the winning score.

Why pay for Import Duty? You can't smoke it. Smokers of cigarettes of foreign tobacco can't get full value in taste and quality, because some of their money must go to cover the cost of Import Duty on the tobacco. But that doesn't go for Piedmonts. There's a cigarette that can give you better quality—the reason is it's VIRGINIA TOBACCO, and Virginia tobacco pays no Import Duty. And if you want character—that lively "snap" that belongs to Virginia tobacco alone—ask for "a package of Piedmonts, please." Liggett & Myers Tobacco Co. That's how much Virginia tobacco was made into cigarettes last year—over 4 times as much as foreign-grown tobacco. For cigarettes, there's no tobacco like Virginia. And Piedmont is the biggest-selling Virginia cigarette in the world.
