Gettysburg, Pa., July 19.—When a passerby tossed a match into a two-gallon bucket, almost full of gaso-line, in which William Oyler, an em-ploye at the Crescent Garage, was washing his hands, the flames shot up and seriously burned the work-man. The stranger who threw the match thought the bucket contained water.

## Wilson Pardons Sixteen

By Associated Press Washington, July 19.—President Wilson to-day issued pardons for the sixty-day sentence in the workhouse at Occuquan, Va., for picketing in front of the White House. Secretary Tumulty said the pardon must speak for itself and that the White House would have no state-ment to make of the President's rea-son for his action.

Woman's Party leaders at their headquarters expressed surprise at the President's action and declared emphatically that "picketing" of the White House would not stop as a result of it.

P. O. S. OF A. OFFICERS Halifax, Fa., July 19.—At the regu-lar meeting of Washington Camp No. 576, P. O. S. of A. on Tuesday eve-ning, District President W. H. General Petain's forces were taken aback at first by the intensity of the drive and yield-ed some ground on the first line. They rallied quickly, however, and drove the Germans out of the great-er part of the occupied positions. <u>May Transfer Government</u> The situation in Petrograd con-tinues troubled, but the provisional government apparently has decided to take hold with a firm hand and have it out with the ultra-extreme elements which is keeping the city in turmoil. the responsibility in Firestone leadership is shown. To Firestone the public confidently looks for a new era in cord tire service.

And this faith is justified. Besides the usual Firestone thoroughness and care in manufacture is the spur of ownership; since 11,000 Firestone employes are stockholders

in the business. Every Firestone worker takes a personal interest in answering your expectations of a higher standard.

carry, to the highest degree, those vital principles of tire service, resiliency and strength. Luxurious riding is combined with the ability to stand road-punishment; and fuelsaving is added to the economy of Most Miles per Dollar.

With the new skidless tread on rear wheels and triple treads on front, you'll have tire equipment at its best.
