

# BIG RAILROAD SHOOT TO BE HELD TOMORROW---D. P. LEAGUE STANDING MAY CHANGE

## BIG SHOOT TO BE HELD TOMORROW

Pennsylvania Marksman to Meet in Match at Traps on Sixth and Division Street Grounds

Arrangements have been completed for the big individual trapshooting match which will be held tomorrow afternoon at the railroad grounds, Sixth and Division streets, between teams from the Eastern Division of the Pennsylvania railroad. The shoot will start at 2 o'clock and will be divided into four classes: Those breaking 25 to 29 targets will be placed in Class A; between 20 and 22, Class B; between 17 and 19, Class C; and below that number Class D.

## West End to Cross Bats With Enola Midway Team

The West End A. C. of this city, will meet the strong Midway team from Enola Saturday at 3 o'clock, on the West End field at Fourth and Seneca streets. This game will be another of the elimination games which the West End A. C. management has begun. The West End team has recently met and defeated the best team in the county, having won the last nine games played. Buck Smith, a former Harris Park pitcher, will in all probability pitch this game for West End, while Eisenberger, a former West End twirler, will work for Enola. The West End team will remain intact for this game.

## INDIAN OUTSHOOTERS FIELD

St. Joseph, Mo., July 20.—The honors in the Western handicap shoot, which closed here yesterday, were won by Hugh McDaniel, a full blood Chotaw Indian, who broke 87 out of 100 targets. McDaniel is the Indian who recently offered \$50,000 to the American Red Cross fund. He made a fortune in oil. The high professionals were: Bert Lewis, Auburn, Ill.; Arthur Killam, St. Louis, 96; R. W. Clance, Chicago, and C. W. Hyman, Davenport, Ia., each 94; Ed Banks, Wilmington, Del., and W. R. Crosby, O'Fallon, Ill., each 93. The high amateurs: M. H. McDaniel, Durant, Okla., 87; C. M. Powers, Decatur, Ill., and G. D. Hedges, Panama, Neb., each 95.

## VERBEKE BOWS TO MACLAY

The MacLay Playground baseball team romped away with a decided victory over the Verbeke boys yesterday by the score of 27 to 6. The game was witnessed by more than four hundred spectators. The uptown boys are now in the running for city championship for the first time in the history of the playgrounds. They have proved to be a winning combination in every game played, having won three and lost none.

## ZIMMERMAN CITY GOLF CHAMP

Herbert Zimmerman won the city gold championship on the Reservoir Park links yesterday afternoon, when he defeated his brother, 6 up and 5 to play. The match was followed by a large and enthusiastic gallery.

Just what effect the forthcoming draft will have upon baseball is not yet outlined for public consumption. We have heard two definite propositions stated. First—That no ball players would be drafted. Second—That any ball player drafted would be given until October to report. The last proposition may be true. The first doesn't sound reasonable. Ball players will undoubtedly be treated just as other citizens. It may be the exemption board will try and figure things out in such a way that no one club will be unduly broken up while others lose no valuable fish.

It may be also that any players drafted, especially those who have been drilling in the American League, will be given until October to report. For by October they will be far better drilled than any rookies secured in August or September. But as there are any number of unmarried ball players between the ages of twenty-one and thirty who are in first class physical shape, many of these will be called from the diamond toward the trench—and many more will very likely go over after the season is over.

One expert of the game who has been following baseball for over twenty years says that, very few will be accepted for physical reasons. His idea is that most ball players have gnarled or broken fingers, and that good fingers are among the essentials for military service.

## PHYSICAL CONDITIONS

He says also that any number of ball players have been badly spiked or cut at one time or another, and that few will be found with feet and legs in proper condition for service.

"I talked with a recruiting sergeant about this baseball problem," he said, "and I was informed that the sergeant in question had examined over twenty supposedly fine physical specimens and that for reasons assigned above only one could be accepted by the army."

Just how far a broken, twisted or gnarled finger would figure in elimination we do not know. Most ball players have this defect. But until they actually come up for army examination the correct status will not be known.

## ARMY AND SPORT

It is a queer fact that any number of athletes who might be football, baseball or tennis stars cannot pass the army examination.

And many others who, physically, are hardly considered husky enough for football or baseball or the ring, are O. K. in the Khaki League.

Just how far a broken, twisted or gnarled finger would figure in elimination we do not know. Most ball players have this defect. But until they actually come up for army examination the correct status will not be known.

## JOHNNY OVERTON OR HOWARD BERRY

Take for leading illustrations the cases of Johnny Overton and Howard Berry.

Overton has been training several years for 'cross-country runs and mile sprints. A 'cross-country hike would be nothing to him.

Howard Berry has been playing football and baseball and in between indulging in a life upon the track—running, jumping and the like. A day or two and he could stand any physical ordeal.

## ANOTHER SIDE

But one athlete put the matter to it in another way. "It isn't the matter of physical ability," he said, "but it is often a matter of nerves. I don't mean that one may be afraid. But in sport you get direct competition and there is always a variety. In the military end there is a certain routine which begins to work upon many nervous systems. In this way a man who might last out a hard football game easily might cave in at some calisthenic drill where the monotony of the thing would soon blot out his nervous force."

## SPORT AND THE RED CROSS

Sport must not be overlooked as an aid in still another direction. While no figures have been published as to the amount of money turned in to the Red Cross through sporting activities, the total undoubtedly runs high.

Through baseball, golf, tennis, and other endeavors several hundreds of thousands of dollars have been raised and by the end of the summer over a million will be turned in through these channels.

There is a scheme now under way to have two pitched clubs for the major leagues play a Red Cross series in October. An undertaking of this sort would raise a hothead of gold in a two weeks' schedule.

## TENNIS TEAMS TO MEET

An interesting tennis match is scheduled for to-morrow afternoon, when the Prospect Tennis Club, of York, will play the Harrisburg Park Tennis Association team on the Reservoir courts. The match will start at 3:15 o'clock. Men's and mixed doubles and men's singles will be played.

## H. E. Zimmerman Is New City Champion

Herbert E. (Heinie) Zimmerman won the title of city golf champion when he defeated his brother, Charles E. Zimmerman, over the Reservoir golf course yesterday afternoon, in the final of the Liberty tournament, by the score of 6 up and 5 to play.

A gallery of thirty or forty enthusiasts followed the play and much comment was made on the ability shown by the two brothers. It was nip and tuck most of the way until the beginning of the third round, when Herbert led, 4 up, after which there was no question in the minds of those who followed the play as to who would be the final winner.

It was a great match all the way through, Herbert excelling in driving and putting, while Charles had the advantage of better approach.

The new champion is a striking example of what has been accomplished by boys who started their careers on the Reservoir links. Herbert is a graduate of Central High School, class of 1915, and has been playing but two years, while his brother has been playing a few years longer.

For winning the city championship he will receive a gold medal and his brother, as runner-up, will receive a silver medal. These medals are in the hands of a local jeweler and will be turned over as soon as they are suitably inscribed.

The match play scores are as follows: Herbert—Bogey, 28; first round, 36; second round, 26; third round, 33; Charles—Bogey, 38; first round, 33; second round, 39; third round, 33.

## U. S. Commander Finds Training Camp in First Class Condition

American Training Camp in France, July 20.—Major General William Sibert went through his entire camp yesterday on the first official inspection tour he has made. From early morning until late in the afternoon he went through the camp, inspecting every day until he had examined each set of quarters and inspected virtually every man in his command.

As the entire army is divided into sections, a majority of which are billeted out with the inhabitants of the district, the task of inspection was a tremendous one and could be accomplished only by the amazing activity of the general, who almost ran the staff of their legs and set a pace obviously stiff for the youngest of the men. The result of the inspection was apparently satisfactory. In the main, for the general criticized only seldom and everywhere had a good word for the results achieved by the troops in cleaning up the quarters into which they have moved.

**BIG TIME AT YEAGERTOWN**  
Lewisport, Pa., July 20.—A big flag pole was erected at Red Men's camp yesterday on the first official inspection tour he has made. From early morning until late in the afternoon he went through the camp, inspecting every day until he had examined each set of quarters and inspected virtually every man in his command.

**CASINOS TO PLAY TOMORROW**  
The Sixth Ward Casino will meet the Jackson A. C. nine to-morrow, on Island Park. The game will start at 3 o'clock. Next Saturday they will play the Middletown White Sox, on the latter's diamond.

## EXPECT CHANGES IN D-P RACE

Standing of Teams Will Most Likely Be Affected by Tomorrow's Results

With just one and one-half games separating the Newport leaders from Dauphin and enough protested games on the uncertain list, the Dauphin-Perry League race is hot. Important games are scheduled for to-morrow. Duncannon will journey to Marysville where Manager Duncan's camp will meet the Marysville champs; the fast moving Halifax squad will play the Newport nine and Dauphin will line up against the tail-end Millersburg team. Dauphin should be having an easy time with the tail-end Millersburg bunch on the upper end team's diamond. Buck Olday will hurl for Dauphin, with Manager Ducky Rhoads catching him. To-morrow is Yarrison's turn to hurl and he will likely occupy the mound with Buffington receiving him.

When Duncannon and Marysville line up, a hotly contested game can be expected. Each team will use their regular line-up, which now includes several young players in to-morrow's conflict. Brenner, the Cincinnati slasher, and Deaerolf will be the Duncannon battery. Platt will hurl for Marysville with Red Rowe receiving him.

Halifax gave Newport two hard games in the first series this year and dropped one heartbreaker after twelve innings of battle. The team has won four out of the last five games played and most of these were from the strong teams. Biever and Minnich will be the battery for Halifax, while Stricker and Reeder will be Manager Prevost's battery.

## Japanese Champion Will Play at Forest Hills

New York, July 20.—Ichiwa Kuniyaga, the Japanese tennis champion, is said to be on his way to this country and is expected to compete in the national singles tournament to be held at Forest Hills next month for the purpose of raising funds to buy an ambulance for the Red Cross. Last year the Japanese player was rated sixth in the ranking of this country, which was the first time a foreigner had received such an honor. No prizes will be awarded, the proceeds going to the ambulance fund. Miss Mary B. Eckerd, 30; G. W. Grear, 27; R. L. Deck, 22; T. L. Barclay, 18; M. J. Cranford, 16; J. Morrissey, 9, and S. R. Foy, 7.

## Railroad Cops Make Good Scores in Pistol Practice

Members of the police department of the Pennsylvania railroad held a revolver practice at the range at Conewago yesterday. Joseph Duer-smith, of Columbia, took first honors. All shots were fired from ten to fifteen yards. Alexander Kraemer, of the Cohen sporting goods store of this city, was a guest at the match.

The results were as follows: Joseph Duer-smith, 44; H. J. Finner-frock, 40; A. J. Souillard, Middle-town, 35, and the following, all from Harrisburg: W. R. E. Snyder, 35; T. B. Eckerd, 30; G. W. Grear, 27; R. L. Deck, 22; T. L. Barclay, 18; M. J. Cranford, 16; J. Morrissey, 9, and S. R. Foy, 7.

## HANS WAGNER 20 YEARS IN GAME

Famous Member of Pirates Given Fishing Outfit by President Haughton

J. H. (HANS) WAGNER, Boston, July 20.—The twentieth anniversary of the appearance of John H. (Honus) Wagner in the National League was observed at Braves field yesterday, when the game between the Pittsburgh and Boston clubs was made part of a Wagner day celebration. The veteran shortstop who made his first major league effort as an outfielder with the Louisville club in a game with Washington on July 19th, 1897, came here especially for the occasion. He is recovering from a splike wound received recently and has been at his home in Pittsburgh. Before the game, President Haughton of the Boston club, presented Honus Wagner with an elaborate fishing outfit. The Pirates aided by Cooper's fine pitching, won from the Braves, 6 to 1.

## WELLY'S CORNER

The Red Sox yesterday took a close game from the White Sox, 3 to 2. Ruth and Williams were the opposing moundsmen. This series will almost be the turning point in the American League race. At present Chicago is leading with the Red Sox at their heels fighting hard for the leadership.

In a five-inning battle last night the Reading team of Allison Hill League defeated the Hick-A-Thrifts 5 to 1. This was the second game played this week in the league as old Jube Pluvius interfered for the previous frays.

At last the winning streak of the Wilkes-Barre nine of the New York State League has been checked. Frock, of Binghamton, was their downfall yesterday when he let them off with five safe swats and administered a 7 to 0 whitewashing to the leaders.

Martinsburg gained a game on Hagerstown in the Blue Ridge race yesterday. The battlefied nine won from the leaders, 3 to 0, while Martinsburg took a 4 to 3 victory from Hanover.

The Smith Shop team of the Lucknow Shop League lost ground in the pennant race yesterday when they lost to the Planning Mill aggregation. Hits were scarce during the battle, Scheffer allowing the Smith Shop team two bingles, while the Planning Mill nine bagged four off of Gilda's offerings.
