Dauphin-Perry Notes

Eddie Hooper, former manager of the defunct Chambersburg Blue Ridge League team, has broken into the Dauphin-Perry league box scores in the center garden of the Newport team.

Bobby Clark is putting up a nice game on the initial sack for Duncan. He is using the willow quite effectively and his field is flashy.

Sotey Wahl made his appearance as a league arbiter last week. George knows the game thoroughly and has an eagle eye. His home is at Duncannon.

Ducky Rhoads has started out well as manager of the Dauphin team. His squad trimmed Newport in the first game under his direction.

McAndrews, Newport's coach, has been playing first sack in practice games during Boy Wagner's injuries. He has not been hitting, but his fielding is gilt edged.

Landis Reeder is catching the best ball of his career with Newport. He is also hitting hard.

In the American Magazine, B. C. Forbes says about conditions in this country during the war: "Perhaps the most extensive shifting of workers will be experienced in the clothing trades and its allied activities. This has already set in. It is even thus early clear that there...

will be less buying of new clothes by both men and women, particularly the well-to-do. Reduction of forces probably will be witnessed in department stores, in men's clothing shops, in millinery parlors, in 'specialty' shops, etc.
