

FARE ZONES ARE GIVEN AN AIRING

Must Be Proved to Be Unfair Before the Commission Will Act on Them

The Public Service Commission, in an opinion by Commissioner Milton J. Brecht, has dismissed the complaint of the borough of Shenandoah against the Schuylkill Railways Company except in one item, in which it orders the company to replace ties within sixty days.

there. They are probably doing just what the Tommies and the Pollus have been doing before them—hunting "cooties," watching shells burst over them, keeping guard at the "listening post," making charges "over the top," and looking for letters from home.

Defense Unit Books at City Library

The Home Guards are rapidly stepping into the places left by the guardsmen, and they intend to be versed in military tactics to the last detail. They will use the same instructions as are used at the training camps.

CANNING RULES ARE EXCHANGED BY HOUSEWIVES

YOU with hundreds of other housewives have successful methods of canning, preserving and drying foods and fruits which have either been handed down to you from generations of your ancestors or which you have evolved.

They are a combination of the best methods found by the Government and the housewives of Central Pennsylvania. By the methods various vegetables, soups, meats, fish and practically any other food or combination of foods can be canned, as well as fruits and tomatoes, the products most commonly canned.

PRESERVING - CANNING - DRYING

without previous experience, and with no other equipment than that to be found in almost every home, anyone, adult or child, should be able to can food satisfactorily by the method which follows.

PRESERVES

The one-period, cold-pack method of canning will be found especially helpful in eliminating the necessity of using paraffin or other wax tops for jellies, jams and preserves. Three receipts and directions for canning jellies, jams and preserves by this method follow to illustrate the application of the method.

SUN PRESERVES

Strawberry—Select ripe, firm berries. Pick and preserve them the same day. Hull and rinse. Place them in a shallow platter in a single layer; sprinkle sugar over them; pour over them 50-degree syrup same as strawberry preserves, but boiled thicker.

SOUPS

Soup Stock—Strip off the fat and meat from 25 pounds of beef bones, joints and bones containing marrow. Crack bones with a hatchet or cleaver. Reserve meat and fat for other use.
