FOUR WEEKS IN HOSPITAL

No Relief—Mrs. Brown Finally Cured by Lydia E. Pinkham's Vegetable Compound

Cleveland, Ohio.—"For years I suffered so sometimes it seemed as though I would die. I was in my lower organs. I could hardly walk for I stepped on a little stone I would faint. One day I did faint and my husband was sent for and he was taken to the hospital and he stayed four weeks but when I came home I would faint just the same and had the same pains.

A friend who is a nurse asked me to try Lydia E. Pinkham's Vegetable Compound. I began taking it that very day and was suffering a great deal. It has already done me more good than the hospital. To anyone who is suffering as I was my advice is to stop in the first drug-store and get a bottle of Lydia E. Pinkham's Vegetable Compound before you go home.—Mrs. W. C. Brown, 2844 W. 12th St., Cleveland, Ohio.
