Petrograd, Aug. 1.—According to local reports to the ministry of sup-plies dated the beginning of July the condition of crops in twenty-nine governments, including all western and central Siberas is satisfactory. The report of the international banks says rains in South Russia have im-proved both winter and spring ecrops.

His Antiwar Attitude

TO REDUCE WAR RATES

may be made theroughly familiar with the procedure, and the prin-cipal involved. These demonstra-tions will be only a couple hours in length and in addition to the actual treatment of the grain. a short talk on the history of the insect will be given by an expert from State Col-lege. "Rules to follow: "1-Be sure your gamers or hims **Congressman Ousted For** 

By Associated Press

By Associated Press Denver, Col., Aug. 1.—Congress-man B. C. Hilliard was removed from office as school director at a special recall election yesterday by a ma-jority of 5,679 in favor of the recall. Ben. B. Jones, another director, also was recalled. During the latter part of the cam-paign the contest centered around Mr. Hilliard's alleged attitude in Congress toward the European war and American participation thereis.

MILK PRICES RAISED

# the prominence of the National, yet there were several that were well conducted and at the time of their passing wore landmarks of many wears' standing. Prominent among these were the McGarthy House, northwest corner of State and Cow-den streets and the unpretentious lit-tle place long conducted by Patrick Loyd in Fourth street. Tet one more number of this series will tell of some other business re-movals for the old Eighth ward. (To Be Continued.)

equipped plant extending from 2012 to 2028 North Fourth street.
