TEACHERS' PAY TO BE CARED FOR

Dr. Schaeffer Issues Letter to School Districts on the Recently Approved Law

Cently Approved Law

Dr. Nathan C. Under the act the state pays the increase, but there will be reductions to allowances to schools in other respects.

Dr. Schaeffer calls attention for the school year 1916-1917 will be paid during the current year, while the increases paid will be refunded to the districts during the school year beginning July, 1918. New blanks will be prepared for reporting the increases paid, he says.

Grasshoppers Invade Montana After 25 Years

Missoula, Mont. — A swarm of grasshoppers coming from the East has visited Missoula. However, the insect pests did not make much progress and little damage was done by them here. The walls of the Country Clubhouse were covered with the hoppers, but a fire built between the resort and the city kept them from advancing.

resort and the city kept them from advancing.

The tracks of the interurban cars were so covered with the insects that the motormen had a hard time keeping the cars from sliding. On the reservation the hoppers were also in evidence, but the work of County Agent Campbell stopped their spread to a great extent.

Locally the Chamber of Commerce is exerting itself to eliminate the pests. Oldtimers here say that the last time the hoppers visited Missoula in swarms was in 1892, when great damage was done to gardens and vegetation in general.

Harvest Hay by Moonlight to Solve Labor Shortage

Uniontown. — Making hay while the sun shines must be altered in Fayette county, at least for the pre-sent, as many of the farmers are so short of help that the harvest is be-ing conducted in the bright moon-

ing conducted in the light.

Some of the most prominent agriculturists have hired two forces, one working form daylight to 5 o'clock, and the other from that time until midnight, providing the moon is not obscured by clouds. Whole families, women, are compelled to

Mr. Harry Smith, Colonial Theater, Harrisburg

ays: I was out of shape for quite while with stomach trouble and a bad case of nervousness. Was bothered a lot with a gnawing nervous iceling in my stomach, and after ating was very much distressed with bains in my stomach and side. At times I would develop a high temperature and felt drowsy and life-iess.

I could not sleep sound at night and consequently felt as tired on ris-ing in the morning as on retiring at night.

night.

Any little exertion caused me to feel all shot to pieces.

I was discouraged and did not know how to get relief, but finally decided to try Sanpan. I, as a rule, don't take any stock in patent medicines, but am always willing to try anything once. Well, Sanpan did the work, I am feeling fine, nerves are in good shape, rest well at night, and arise in the morning feeling full of confidence and fresh as a lark.

My stomach is acting fine, and I

My stomach is acting fine, and I advise all who are ailing, to give ranpan a trial.

Sanpan is being introduced at Keller's Drug Store, 405 Market street, Harrisburg, by the Sanpan man. Go and have him explain this marvel medicine.—Adv.

GEO II SOURBIER IINERAL DIRECTOR

"The Live Store"

"Always Reliable"

We Were Closed All Day Today

TOMORROW we start our semi-annual mark-down Sale — with the papers full of cut-price sales you will doubtless see many price reductions that (on paper) look to be as good as — if not better — than those we quote for this Half-yearly

Mark-Down Salc

of Our Spring and Summer Stock

But you mustn't forget that price is one thing and value another, and that the style, quality and desirability of the merchandise is of the utmost importance. A low price means nothing unless quoted on known quality merchandise, and a big price reduction means nothing when the former price was too high.

Remember that "This Live Store's" reputation for greater value-giving didn't just happen. It was honestly earned. Our prices right through the season have been kept as low as possible for desirable merchandise and you'll find us "always in the lead"-a dependable store for low prices, quality and style.

So the price reductions we name for this clearance sale represent only about half of the total money-saving you can make here now. Nowhere can you find better clothing and furnishings, nor any better assortments to choose from, we carry immense stocks and with the exceptional intelligent service you get here, it's no wonder this store is growing in leaps and bounds.

Facing the conditions that are confronting us today takes a courage to reduce a new "clean" -- "new" -- "desirable" STOCK when we know article we offer is costing more each day—Here everything in our entire stock is marked down (except Arrow Collars, Interwoven Hose and Overalls.)
