Grocers' Annual Affair Is Voted "Best Yet" by Hundreds of Guests

"The Best Ever" is the way men bers of the committee in charge of the tenth annual retail grocers' picnic of Harrisburg, yesterday at Hershey Park, expressed themselves. A crowd estimated at about 12,000 persons attended the big gather-Old Jupiter Pluvius tried his best

to spoil the fun but didn't succeed until the early evening, after the athletic events had been held and the people were gathering for supper. However, the rain also failed to put a crimp in the dancing, scores

of the younger folks enjoyed this part of the day's program. Long before the first trains pulled out of the station yesterday morning the people began to gather from all points of the city and vicinity. Shortly after 8 o'clock the first of the three special trains left the terminal crowded to the platforms with jolly plenickers. The other two followed in quick succession. Another special left this city at 1 o'clock.

o'clock.

In addition to the thousands taken to the park by train, hundreds went in automobiles and trolley cars. There was a big rush for the special train when it pulled into the station, at 7 o'clock. Another special followed at 10 o'clock bringing the remainder home.
