

TRACY NAMED FOR MCCORMICK'S POST

Governor Asks Well-Known Harrisburger to Serve on District Exemption Board

The Governor's office to-day announced that Governor Brumbaugh had recommended David E. Tracy, president of the Harrisburg Pipe and Pipe Bending Company, to succeed Vance C. McCormick, of this city, Democratic national chairman, as a member of one of the District Appeal Boards for the Middle Pennsylvania District. This action was taken on receipt of the following telegram from Provost Marshal General Crowder, who said: "Please wire at once a nominee for appointment on the District Board for Division No. 2 of the Middle District to take the place of Vance C. McCormick, who is engaged here." Mr. McCormick is connected with the Export Administration Board at Washington.

Lemon Juice For Freckles

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost. Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and white the skin becomes. Yes! It is harm-

headquarters for Pennsylvania in this city, had been appointed disbursing officer and agent of the United States in Pennsylvania under the draft law. Mr. Murdock will succeed Lieutenant Colonel Howard S. Williams, of Philadelphia, who commands the Ammunition Supply Train of the Second Division now at Mt. Gretna. The appointment was made by the President and Mr. Murdock so that local boards can certify to them. Most of the district boards have organized. It is assumed that since A. Mitchell Palmer has agreed to serve on a district board and recommendations for vacancies in the Eastern and Middle Districts have been made that the remaining three boards will be appointed without delay by Washington. Reports made to the headquarters do not indicate that much over half of the aliens called for examination are claiming exemption. In some districts it is less than fifty per cent.

Drawing were made to-day to give numbers to 250 men who have registered under the draft since July 10, the ceremony taking place at the headquarters. Eight boards reported new men registered.

Planning Farewell For Company D Members

Final arrangements will probably be made to-night for holding the farewell demonstration for Company D, which will leave here to-day. Chief Marshal Humer was out of town his afternoon and it is understood that the plans previously made at meetings of the committee will be placed in working order for the parade. The exact date and time of the demonstration will be announced as the committee has been notified by Colonel M. E. Finney.

ROY H. FUGET Funeral services for Roy H. Fugot, aged 27, formerly of this city, were held yesterday at Denver, Col. Mr. Fugot was a son of Mr. and Mrs. William Fugot, 558 South Twenty-first street. He is survived by his parents, one sister, Mrs. Charles Mann and two brothers, Earl and Paul. He was a member of the United States Army regular, having served an enlistment in the Fourth Field Artillery.

David H. Ellinger, Veteran Redman, Is Honored by Lodge

Members of the Warrior Eagle Tribe, No. 340, Improved Order of Red Men, presented David H. Ellinger a veteran badge of the order on his seventieth birthday to-day. Mr. Ellinger has been a member of the Tribe for the last twenty-three years. A luncheon was given in his honor last night at the Wigwam, Fulton and Verbeke streets. Speeches were made by Past Grand Sachem, Charles R. Willetts, of Tribe No. 74; H. E. Sanderson, C. A. Fryck, S. G. Frowert, R. M. Cline, H. B. Long, William Frick, W. A. Adams and L. W. Hassing.

At the meeting of the tribe, action was taken regarding the Red Men's Ambulance Corps which is being formed by the Red Men throughout the country.

PARHEMOR OUT FOR POOR BOARD

Files Petition With County Commissioners; Candidates For Minor Offices

Nisley Y. Parhemore, 1421 Zarker street, Democratic candidate for Director of the Poor, was the only candidate for a big county job to file a nominating petition yesterday with the County Commissioners. His petition was one of two scores filed yesterday. Candidates for county offices must file their petition on or before August 22 otherwise their names will not be printed on the primary ballot.

The following were filed by Jefferson Township Democrats: Henry J. Welker, tax collector; Charles E. Borden, assessor; Monroe W. Welker, inspector; Milton Snyder, judge; George Kinsinger and Jacob Borden, school director; Nathan Zimmerman, supervisor.

Other petitions included the following: Republican, tax collector, West ward, Lykens; Howard Overholtzer, Republican, assessor, West ward, Lykens; George Kinsinger, Republican, school director, West ward, Lykens; Republican, council, West ward, Lykens; Robert Springer, Republican, council, First ward, Middletown; B. R. Troutman, Republican, inspector, Lykens township; C. H. Kessler, Republican, supervisor, Lykens township; Michael Knorr, Republican, assessor, West precinct, Williams township; C. A. Fryck, Republican, assessor, Conewago township; N. H. Kaylor, Republican, assessor, Conewago township; C. Hoerner Cassel, Republican, auditor, Conewago township; Samuel L. Shroy, Democrat, judge, Second precinct, First ward, Middletown; Clair T. Romberger, Republican, school director, Elizabethville; Harry A. Miller, Republican, tax collector, Williams township; A. H. Eitner, Republican, township commissioner, Swatara township; J. O. Clemens, Democrat, council, Third ward, Steelton; Charles H. Brown, Republican, inspector, Second precinct, First ward, Middletown; W. J. Keever, Republican, auditor, Third ward, Middletown; George A. Gohl, Jr., Democrat, inspector, Middle Paxton township; C. O. Clemens, Democrat, inspector, Second precinct, Swatara township; Charles C. Straw, Republican, auditor, Middle Paxton township.

The following are city candidates' petitions: W. J. Herschley, Republican, judge, First precinct, Third ward; Charles E. Martin, Republican, inspector, First precinct, Third ward; Samuel Leighton, Republican, inspector, Second precinct, Ninth ward; Lawrence Underkoffler, Republican, auditor, Williams township; Derry, Republican, judge, First precinct, Derry township; D. S. Myers, Republican, inspector, Second precinct, Third ward; William C. Simon, P. Bischer, Republican, council, Second ward, Middletown; John H. Welker, Republican, council, West ward, Lykens; Fred W. Darrow, Republican, inspector, First precinct, Seventh ward; Joseph R. Weber, Republican, judge, Second precinct, Ninth ward; Roy E. Davis, Republican, judge, Fifth precinct, Williams township; John A. Spencer, Republican, inspector, Fifth precinct, Second ward, city; Harvey E. Ellenberger, Republican, inspector, Williams township; John A. E. Hoerner, Republican, judge, Fourth precinct, Second ward, city.

WILL DISCUSS REROUTING

Among the suggestions which the commission officers will take up with traction officials will be rerouting, more cars, new lines, widening of Market street subway, possibility of a trolley street bridge, improvement of Third street service, better service to Steelton and Rockville, Faxtang when park is closed, and other matters.

JITNEYS GIVEN 15-DAY NOTICE BY COMMISSION

The Public Service Commission to-day notified counsel for the sixty-seven jitneys in Harrisburg and vicinity who have figured in the proceedings before the commission that they can have fifteen days in which to amend their petitions for certificates in accordance with the decision of the commission not to grant certificates for the section of Harrisburg between Market and Division streets, the Susquehanna river and the railroads, but to grant them for the rest of the city.

SCOTT DEMANDS EXEMPTION BOARDS ACT UNIFORMLY

Washington, D. C., Aug. 16.—The action of some of the local draft boards in the members of Congress to exempt married men who have no children dependent upon them, while other of the boards are granting exemptions to a married man who is without children regardless of whether or not his wife is in a position to earn her own living. Other boards are temporarily exempting all married men, regardless of whether or not they have children, until the list of eligible single men in their district exhausts, and some boards are granting exemptions to married men notwithstanding that the wife is in a position to earn her own living. This has resulted in much confusion and the diversity of the rulings has resulted in much partiality, which is contrary to the very spirit of the policy of the law.

JITNEYS GIVEN 15-DAY NOTICE BY COMMISSION

Will Contest Public Service Ruling Restricting Districts in This City

The Public Service Commission to-day notified counsel for the sixty-seven jitneys in Harrisburg and vicinity who have figured in the proceedings before the commission that they can have fifteen days in which to amend their petitions for certificates in accordance with the decision of the commission not to grant certificates for the section of Harrisburg between Market and Division streets, the Susquehanna river and the railroads, but to grant them for the rest of the city.

No formal order was issued in the jitney cases and consequently there can be no appeal to this until orders are made which will not be until after the fifteen days have expired. The jitneys may have routes through the district mentioned to reach other parts of the city, by way of Herr street subway. There will be limitations on jitney service on the Hill or South Harrisburg from Market street to Lochel, the area defined being only that where there are five trolley lines as follows: Third, Capital, sixth and Seventh streets.

Among the suggestions which the commission officers will take up with traction officials will be rerouting, more cars, new lines, widening of Market street subway, possibility of a trolley street bridge, improvement of Third street service, better service to Steelton and Rockville, Faxtang when park is closed, and other matters.

Harrisburg jitneys will fight to finish the ruling of the Public Service Commission yesterday. In his declaration that the commission's ruling was unfair in fixing territories in which jitneys may operate, Hugh L. McLaughlin, president of the Harrisburg Jitney Association, said every legal step possible would be taken to have the jitneys' rights restored.

JUDGE MCCARRELL WILL HAVE NO OPPOSITION

The County Commissioners were notified by the Secretary of the Commonwealth to-day that Judge S. J. McCarrell is the only candidate for election as judge in this county. This means that Judge McCarrell will be re-elected at the fall election without opposition. His will be only name on the ticket.

SIXTEEN MEN ENLISTED IN THE STATE POLICE

Sixteen men were to-day enlisted for the State police, practically bringing the four troops up to the strength authorized by the act of 1917. Number of the men enlisted had records of service in the United States cavalry and navy and in the National Guard. One man was assigned to Greengrub troop, four to Wyoming and eleven to Butler. One of the men enlisted was replaced John H. Irving, who was commissioned in the United States Army.

HOPE TO FIND ENOUGH PLATINUM IN ALASKA TO KEEP ALLIES SUPPLIED

Washington, D. C., Aug. 16.—Discovery of platinum in Alaska by Dr. Herschel C. Parker, of New York, and others, has caused the government to make the greatest activity in the hope of finding sufficient quantities of the precious metal to meet the war needs of the allies.

USE LESS GASOLINE

Motorists of Harrisburg are using less gasoline according to an announcement made yesterday by J. Clyde Myton, secretary of the Harrisburg Motor Club. The local people are willingly responding to the request of the government to conserve the supply and eliminate jobbing. Most of the owners of the 3,000 machines in the city have already begun to cut down on the amount of gas used.

HARRISBURG BUSINESS COLLEGE IS TAKEN OVER BY THE SCHOOL OF COMMERCE

The Harrisburg Business College, conducted since 1885 by Prof. J. E. Garner, has been sold to the Harrisburg School of Commerce, conducted by D. L. M. Raker, and the two will be merged and operated as one in the quarters of the School of Commerce, Troup building, 15 South Market Square.

This announcement was made to-day by Mr. Raker, who said that the merged schools will be operated along the most modern business lines, in charge of a capable corps of instructors. The equipment will be larger than ever.

The Harrisburg Business College was founded by Prof. Garner in 1885 and was one of the oldest and best known business schools in the State. Just as Prof. Garner is one of the oldest and most widely known educators along commercial lines. Many prominent and successful business men of this city were students under Prof. Garner, who is now retired to enjoy a well earned rest.

1,500 WORKMEN PREPARING 'RAINBOW DIVISION'S' CAMP

Mineola, L. I., Aug. 16.—Fifteen hundred men are working day and night here, turning 125 acres of temporary plain into a temporary home for the newly formed "Rainbow Division" of National Guardsmen, which will train here before going to the front in France.

Square, ugly barracks rising like magic, and steam rollers trundle to and fro packing the company streets, while a large gang of laborers and plumbers are at work fitting the campsite with water pipes. The 89th Regiment, now known on the army roster as the 165th, will be the first to reach the camp. Other detachments will follow shortly, and the entire body of troops will be welded into a coherent unit here before their departure for France.

JUDGE MCCARRELL WILL HAVE NO OPPOSITION

The County Commissioners were notified by the Secretary of the Commonwealth to-day that Judge S. J. McCarrell is the only candidate for election as judge in this county. This means that Judge McCarrell will be re-elected at the fall election without opposition. His will be only name on the ticket.

NUXATED IRON TO MAKE NEW AGE OF BEAUTIFUL WOMEN AND VIGOROUS IRON MEN

Say Physicians—Quickly Puts Roses Into the Cheeks of Women and Most Astonishing Youthful Vitality Into the Veins of Men — It Often Increases the Strength and Endurance of Delicate, Nervous "Run-Down" Folks 100 Per Cent. in Two Weeks' Time.

Opinions of Dr. Schuyler C. Jaques, Visiting Surgeon of St. Elizabeth's Hospital, New York City; Dr. James Louis Beyea, for fifteen years Adjunct Professor in the New York Homeopathic Medical College; and Wm. R. Kerr, Former Health Commissioner, City of Chicago.

New York, N. Y.—Since the remarkable discovery of organic iron, Nuxated Iron or "Fer Nuxate" as the French call it, has taken the country by storm. It is conservatively estimated that over three million people annually are afflicted with some form of anemia. Most astonishing results are reported from its use by both physicians and laymen. It is so true that doctors predict that we shall soon have a new age of far more beautiful, healthy and vigorous women and vigorous iron men.

Dr. Ferdinand King, a New York physician and medical author, when interviewed on this subject, said: "There can be no vigorous iron men without iron. Pale, nervous, run-down, anemic men and women. The muscles lack tone; the brain fags and the memory fails and often they become weak and nervous. The face grows pale and melancholy. When the iron goes from the blood of women, the roses go from their cheeks."

"In the most common foods of America, the starches, sugars, table syrups, cereals, polished rice, white bread, soda crackers, biscuit, macaroni, spaghetti, tapioca, sago, farina, and other foodstuffs, iron is not to be found. Refining processes have removed the iron of Mother Earth from these important foodstuffs, and silly methods of home cooking, by throwing down the waste pipe the water in which the iron-soluble articles are cooked, are responsible for another grave iron loss."

"Therefore, if you wish to preserve your youthful vim and vigor to a ripe old age, you must supply the iron deficiency in your food by using Nuxated Iron, just as you would use salt when your food has not enough salt in it."

Former Health Commissioner, Wm. R. Kerr, of the city of Chicago, says: "I have taken Nuxated Iron myself and experienced its health giving strength-building effect and in the interest of the public welfare, I am glad to give you the results of its use. I am well past three score years and want to say that I believe my own and my physical activity is largely due to-day to my personal use of Nuxated Iron. I feel it is such a valuable remedy that it ought to be used by every physician in this country."

Dr. James Louis Beyea, for fifteen years Adjunct Professor in the New York Homeopathic Medical College, says: "As a physician, I have never known a patient who was in need of iron or advice for publication as I ordinarily do not believe in it. But in the case of my patients, I feel that it would be a waste of my duty not to mention it. I have taken it myself and given it to my patients with most surprising and satisfactory results. And those who wish to increase their strength, power and endurance will find it a most remarkable and wonderfully effective remedy."

Dr. James Louis Beyea, for fifteen years Adjunct Professor in the New York Homeopathic Medical College, says: "I have never known a patient who was in need of iron or advice for publication as I ordinarily do not believe in it. But in the case of my patients, I feel that it would be a waste of my duty not to mention it. I have taken it myself and given it to my patients with most surprising and satisfactory results. And those who wish to increase their strength, power and endurance will find it a most remarkable and wonderfully effective remedy."

'GRAN OR RIN' CRVES HOLLAND

Amsterdam, Aug. 16.—"If we fail to persuade the American Government to permit a continuance of the supply of grain it will mean misery and economic ruin for Holland," unani-

mously declared the members of the official Dutch mission who are expected to sail for the United States this week, and who were interviewed yesterday in a body by The Associated Press.

MINE ACCIDENT UNAVOIDABLE Lykens, Pa., Aug. 16.—A coroner's jury decided last night that Lewis Shadle and John Chaurney, miners, were killed Sunday in the Short Mountain colliery in an accident that was unavoidable.

William Kreiner escaped death in the cavern by grabbing hold of a mine prop when the mine fell in. He is yet too ill to leave his bed, and his nephew Jerry went to his home to get his testimony.

BOYS GO TO CAMP

Three dozen boys went to the McCormick Island to spend the week and take the places of the youngsters who had been romping on the island during the last seven days. This is the last camping week for boys. The week will go to the island to spend the week of the camping season.

INSPECTING GETTYSBURG

There were no new developments to-day in the campaign of the Department of Health to clean up Gettysburg. Hotels, houses and places of business are being inspected by experts from the department. There is much over-crowding in that town and violations of health laws have been reported since the establishment of the big training camp there.

DEUTSCHLAND A WAR SUBMARINE

Copenhagen, Aug. 16.—The German commercial submarine Deutshland, which visited the United States before the country entered the war, has been converted into a German submarine according to the Associated Press.

The Deutshland has a great radius of action and has been fitted with six torpedo tubes. The submarine it is said may soon leave for the Pacific to operate against traffic from San Francisco. The U-boat was to have started activities some time ago but an explosion on board while the vessel was on a trial trip made necessary repairs which took considerable time.
