What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white this way: Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and you have a whole quart pint of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands it should help to bleach, clear, smoothen and beautify the skin. Any druggist will supply three ounces of orchard white at very little cost and the grocer has the lemons.

Augusta, Ga., Aug. 24.—With the arrival yesterday and last night of 1,190 more men at Camp Hancock, the advance detail of the Pennsylvania National Guard is now complete. Excluding the general's aids and staff, there are now eighty-nine officers and 3,400 enlisted men under canvas.

WARM LOCAL CAMPAIGNS IN NEARBY TOWNS

Many Borough and Township Offices Will Be Filled at Primaries

With all the nominating petitions for the primary election filed, interest in the borough and townships in Dauphin county is centering on filling the offices for the district. In a number of instances present office holders whose terms expire will be candidates for re-election and while a few opponents have entered the field, friends of the men now holding the positions predict they will have little trouble getting them for another term.

In Steelton Thomas T. McEntee is a Washington, Democratic and Republican party candidate for burgess and is the only one in the field. In Newburg, Democratic and Republican are out for re-election and is unopposed. For school director four Republicans are in the field: Gilbert S. Vickers, Jacob E. Brehm, Samuel A. Brehm, Jacob B. Martin and Quincy Bent, for six-year terms.

Conciliatory candidates from the various wards follow: First, Thomas J. Nelly, Republican and Democratic; Second ward, Henry O. Smith, Republican and Democratic; Third ward, John C. Craig, Republican and Democratic; Republicans, the Rev. O. P. Goodwin, Peter S. Backwell, Henry M. Ford; Fourth ward, Benjamin A. Capello, Republican and Democratic; Fifth ward, Charles F. CONSCRIPTION OF WEALTH IS CAUSE OF SENATE FIGHT

Leaders Hope to Dispose of Income Section Before Night

Washington, Aug. 24.—The battle over conscription of wealth to pay for the war continued in the Senate today with the leaders hopeful of disposing of the war tax bill's income tax section before night. Once income have been disposed of, the way will have been cleared to begin the fight over war profits which promises to be even more spectacular than the present one.

Today's chief contest was expected to come over Senator LaFollette's substitutes for the income tax schedules proposing to levy about \$600,000,000 and \$505,000,000, respectively and Senator Hollie's substitute designed to raise about \$550,000,000. The LaFollette and Hollie amendments to the income tax section were passed over in the moment when debate began to-day, and the Senate took up consideration of the administrative provisions of the section. Senator LaFollette announced that he would oppose reducing minimum incomes subject to tax to \$2,000 for married and \$1,000 for unmarried.

Pope Believes Belgium Should Have Indemnity

London, Aug. 24.—Telegram received here from Rome say prominent persons at the Vatican, interpreting the papal peace note assert that Pope Benedict believes an indemnity is necessary for the restoration of Belgium and Northern France and also that the Pope takes the view that the restoration of Serbia is essential but did not mention it in his note as he believed the whole Balkan question could be dealt with the more efficiency as a separate problem. From the same source it is said that issuance of the peace note was preceded by unostentatious conversations with prominent Germans in an endeavor to obtain Germany's consent to provisions for restoration of invaded territory.

The Price of Peace Is Prussianism Destroyed

"There can be no peace until Prussianism is destroyed," says the New York World, in answer to the Pope's peace proposal. "Whether it is destroyed from without or from within rests mainly with the German people themselves, but destroyed it must be if there is to be peace in the world. That is now the beginning and the end of the war aims of the Allies, and unless achieved, autocracy has triumphed and German militarism is master of civilization."
