Just before the game started, Manager Griffith, of the Washington club, who started the Bats and Balls fund, was presented with a check for \$741.62 by a local paper, to add to his fund to purchase baseball paraphernalia for the boys in France. Detroit, Aug. 24. Detroit hit Noyes hard to-day and won the first game of the series from the Athetics, 7 to 3. Dauss was found for nine hits, but kept them scattered.

Detroit made a triple play in the sixth inning, which Bodle began with a home run drive over the left field fence. Bates singled to center, Strunk walked. McInnes hit a line drive toward left, but Bush made a jumping catch and threw to Young, doubling up Strunk. Young's relay to Burns retired Bates.

Chicago, Aug. 24.—Military and flagraising day was topped off with a 6 to 0 victory for Chicago over Washington in the first game of the series yesterday. The standing between Boston and Chicago remained unchanged because Boston defeated St. Louis. The locals bunched hits off Shaw in the third and fourth innings and won easily. Cicotte was hit hard but was given good support in the pinches. The Chicago and Washington clubs put on their drill for the inspection of Colonel Raymond Sheldon, who is to act as judge in deciding the best-drilled team, which will be given a \$500 purse, and whose drillmaster will receive an additional \$100.

WAR HITS COUNTY LEAGUE
York, Pa., Aug. 24.—The York
County League has decided to abandon its schedule for the remainder
of the season. This action was
brought about not because of lack
of attendance nor interest in the race
but because so many team's have
lost several of their star players
through the draft. Every team in
the circuit has lost one and several
two or more, and because of this
the officials decided to close down
for this season. Red Lion was leading the league by a good margin
and was reasonably sure of winning
the championship.

# Robertson's summons may come any day. Kauff is not only eligible, but highly desirable. He is a little giant physically and has no dependants. A touch of pathos has threaded Jim Thorpe's professional baseball career. The famous Indian is the nearest approach to physical perfection this country has known in a generation. There was no form of sport or competition to which he turned his hand at which he did not shine. But Thorpe did not take baseball seriously until he decided to follow it as a profession. Consequently he had not the experience which most young men enjoy when they reach the majors. And experience has been one of the chief handicaps of sunny Jim. Thorpe is but one of three Indians who have kepf the aboriginal name prominently before the baseball public for some years. The other two attained heights to which Thorpe may never climb. Chief Meyers has been slipping for the last three seasons. The desperate plight behind the brid the behind the bottom Braves saved this scion of the Mission tribe for the time after the Boston Braves saved this scion of the Mission tribe for the time after his possible Meyers may effect a come-back. Chief Bender, who is pitching fine ball occasion ally for the Philligs, has more than once been relegated to the Down and Out Club by both major leagues. But he wouldn't stay down. Probably Last Soldier Game on Island; West End Plays Rosewood A. C.

Rosewood A. C.

Harrisburg fans will have another big schedule to-morrow. One of the important battles will take place at Island Park between Company I team and the Sixth Ward Casinos. This will in all probability be the last game for the soldier boys in this city.

Company I has been cleaning up their opponents, the game on Thursday with the crack New York soldier nine being a gecordbreaker. The soldiers won honors at El Paso and with the present aggregation promise to be pacemakers when they get south. The Casinos have been winning games, their defeat last Saturday at the hands of the West Endbeing the first. The game at the Island starts at 2.30 and the line-up will be:

Company I—Williams, 3b.; Bordridge, 2b.; Boss. ss.; Eisenberger, P.; Taggert, If.; Swartz, 1b.; Walz, C., Dangler, rf.; Shaffer, cf.

Casinos—Henry, ss.; Polk, rf.; Smith, c.; Shaw, If.; Williams, 3b.; Reeves, 3b.; Lucas, cf.; Dengler, cf.; Spencer, p.; Jordan, p.; Guye, 2b.; Carpenter, ss.; fields, c.

Another interesting game will be played on the field at Fourth and Seneca streets, between the West End A. A., and the Rosewood A. C. There is considerable rivalry between these teams. The game will start at 3 o'clock. The festival by the West End will be continued to-night and to-morrow.

The Dauphin-Perry Magnates **Have Important Business** For Consideration

On the eve of the closing of the Dauphin-Perry League season, officials will meet to take up important business. The meeting will be held to-night at the store of George W. Bogar, Market Square. One important transaction expected is the deposing of the president, E. C. Lutz. The following information comes from one of the towns on the league circuit:
