

DAUPHIN-PERRY LEAGUE REQUESTS RESIGNATION OF PRESIDENT E. C. LUTZ---SPORTS

WESTERN SHOT WINS HANDICAP Charles M. Larsen Noses Out Mark Arie; Other Winners

Chicago, Ill., Aug. 25.—Charles M. Larsen, of Waupaca, Wis., the trapshooting champion of that state, won the blue ribbon event of trapshooting, the Grand American handicap; Homer Clark, of Alton, Ill., captured the professional championship; Mrs. L. C. Vogel, of Detroit, Mich., is the woman's trapshooting champion, and R. A. Nutt, of El Paso, Ill., each missed one in the national handicap for those who failed to win in either the preliminary or Grand American handicaps here yesterday.

To win the Grand American it was necessary for Larsen to register a victory over Mark Arie, of Thomsboro, Ill., winner of the Hercules all-around amateur trophy, the national amateur championship at single targets and runner-up in the doubles. And he accomplished the feat, but not without a great fight on the part of Arie, whose shooting was one of the features of the week's carnival.

Pop Geers Big Winner in Closing Racing Event Lowers Rating Figures

Philadelphia, Aug. 25.—"Pop" Geers waited until he had shot his heels to his rivals in the Grand Circuit races at Belmont Park. He divided honors with Walter Cox, the big money winner of the meet, leading under the wire Peter June in the two-year-old trotting race, unfinished from Thursday, and Robert Greenwood in the 2:15 pacing event. The veteran's wins were popular and he received a rousing reception from the stands as he drove back after the finish of the heats.

World's Gelding Mark Is Broken by Roan Hal

Kutztown, Aug. 25.—The New Haven, Conn., gelding Roan Hal, lowered the track record to 2:03 1/4 and also established a new world's record for a gelding in competition over a half mile course as well as hanging up a new Pennsylvania State record for a mile over the "twice arounds" at the Kutztown fair-races yesterday winning the free-for-all in straight heats. Roan Hal was timed to the half in 1:01 1/4 in lowering the track record from 2:04. Roan Hal won the special award of \$300 in gold and also the Kutztown fair trophy, a handsome sterling silver cup, for hanging up a new world's record for a gelding was 2:04 1/4, made by Prince Albert in 1901.

Dauphin-Perry Notes

Farrison and Lutz were admitted to that select society of "40" of the league, the Home Run Club, last Saturday. Harry Wagner and Kid Strickland, both of Newport, are having a neck-and-neck race for the presidency. Each has had four circuits driven this year.

FIGHTING FOR THE AMERICAN LEAGUE PENNANT

Jack Barry, the young manager of the Red Sox, is now in a death grip with Clarence Rowland, manager of the Chicago White Sox, for the pennant in the American League. They have seen-sawed back and forth in and out of first place. Baseball experts believe the fight in that league will remain between these two clubs. While it is possible Detroit will pull up to them, few baseball men outside of Detroit have expectations of this result. In fact, baseball men believe the fight for the national championship will be between either of these clubs and the Giants of New York City.

CLARENCE ROWLAND

The Sportlight by Grantland Rice

Copyright, 1917, The Tribune Association (New York Tribune). THE GIFT OF THE CITIES The Big League cities make the game—The Bush Towns are a shine—The Big League is the only fish That dangles on the line: But TY COBB is a ROYSTON boy—A town you never knew: And MATHEWSON'S from FACTORYVILLE, And CRAWFORD from WAHO.

GIANT PITCHERS The opinion has been offered freely in polite baseball circles that while the Giants can well hold their end of the debate in a batting and a fielding way, they lack world series pitching strength to stop either White Sox or Red Sox.

TRAINING—NOT VICTORY There is going to be no great credit attached to any college or university having a winning football team this fall.

THE CHANGE Once in the August days We looked with a growing thrill To the span of winning plays For the next World Series mill.

Dauphin-Perry League Notes (continued) ... these conflicts were awarded to the opponents because of the use of ineligible players on the part of the Millers.

Landis, working in the Halifax outfield, looks good. He can throw, field, and needs only a little more confidence to make good as a hurler. Fans in the Dauphin county town say he is a comer. Landis wants to be an infielder, but stars rather as a caretaker in the outer garden.

The determination to lift the wartime embargo placed on the athletic events at the academy and to allow the young sailors to compete with other teams was reached after it had been recommended to the Department at Washington by Superintendent Edward W. Shreve, of the Naval Academy, and one of the most enthusiastic believers in sports ever in charge of the academy.

TRAPSHOOTING IS GREAT HELP FOR FIELD HUNTER; FALL GAME SEASON IS NEAR

By "TRAPSHOOTER" The game season is close at hand. Nature is already sprouting her autumn garb over forest and field, and in a few weeks shooting—the sport of sports—will be at its height. There is nothing like trapshooting for keeping a hunter up to form. I have heard some field shooters venture the remark that the sporting game—uninteresting. Personally I am inclined to differ, for it has been my bitter experience to find a number of "goose eggs" hung up on what might otherwise have been a fine looking score sheet.

WELLY'S CORNER

Reading tennis stars are here today for a match with the Harrisburg Tennis Association team. Several weeks ago the local stars lost to Reading. An interesting match is expected this afternoon. Leroy Lightner, a former star is leader of the Reading team.

Resumption of athletic sports at the Naval Academy, it is believed will be followed with similar action at other institutions. At the University of Pennsylvania a schedule has been arranged. It is not certain the action yesterday will mean the regular game with West Point.

Friends of Eddie Foster hope for his speedy recovery. He will be missed from the Washington-American line-up.

Charles Larsen, who won the handicap shot at Chicago yesterday is a Chicago butcher. He has held honors in his State for several years and is likely to be heard from at other shoots later on.

The golf team of the Colonial Country Club to-day went to York for a match with the York County Club team. An interesting match expected as there is considerable rivalry between York and Harrisburg.

Connie Mack's boys mauled the Tigers yesterday. They had sixteen hits with a total of twenty-seven bases. Mack was the hardest hitting seen at Detroit this season.

The Brotherhood of Firemen and Engineemen last evening played a five-inning game with Trainers' A. C. Nine, final score being 5 to 5. The same teams will play Tuesday night.

ASK LEADER TO QUIT HIS JOB

Dauphin-Perry League Representatives Took Action Last Night; Meet Here Representatives from all teams in the Dauphin-Perry League, but Newport, last night requested E. C. Lutz, president, to resign. The meeting was held at the store of George W. Bogar, Market Square. President Lutz was also present and said that he would send his resignation to all clubs as soon as he returned to Hanover.

A request was sent sometime ago to the league leader to step down and out, but he refused to do so until reasons were given. Reports as to the reason for requesting the resignation were many. It was first said he had shown partiality in giving a decision on a protested game.

Dereliction Charged This report was later denied, and a statement issued by those opposing the league head, that he had been derelict and they wanted someone who would give closer attention to league affairs.

It was also said that President Lutz had failed to give averages as promised, and did not answer communications. Those voting for the resignation said last night that it was for the good of the league.

President Lutz made a statement that he had given all the time possible up to the time he had left the city, and that since his removal to Hanover, he had done the best he could. He offered to resign sometime ago but the league would not agree to it. League affairs will be looked after by the secretary for the present.
