Fans Seventeen Men; Lew Ritter Shows Old-time Form

Ogden, the Steelton speed boy, sent seventeen windjammers of the New Holland team to the bench yesterday. The Bethlehem Leaguers won by a score of 6 to 1. Lew Ritter, the veteran catcher, broke into the game and showed old-time form.

NEWPORT MADE HISTORY RICH IN SEASON'S LEAGUE RACE; WINNERS WITH RECORDS

By WESTY SHORE Newport, Pa., Aug. 30.—Playing a hard and consistent game all season, Newport landed the 1917 Dauphin-Perry League pennant with a record of seventeen victories out of twenty starts. This brings the third Dauphin-Perry gonfalon to Perry county in the three years of the league's existence.

Dauphin county has not been far from the lead at the end of any of the three seasons. And every time it was the Dauphin team from the smallest town in the circuit that achieved the unique result of being runners-up in every Dauphin-Perry League race. At times this team was tied for the lead, but always lacked the punch to cross the line a winner. Marysville beat out Dauphin in 1914 and 1916.

The standard of the national pastime in this league has steadily advanced since the opening game on May 22, 1915. This year every team had a good contingent representing it on the field and hard luck may be blamed for the poor standing of some of the teams down in the race. Blue Ridge League players have been members of the squads of the six teams at various times during the year and it may well be said that their work in the D-P could not compare to that in the professional league, and that is putting it mildly at the best.

Bus's Lassie Winner in Knickerbocker Trot

Poughkeepsie, N. Y., Aug. 30.—Bus's Lassie, owned by Barton Pardee, of Atlantic City, N. J., and driven by Walter R. Cox, yesterday won "the Knickerbocker," 2:07 trot, for a \$5,000 purse in the Grand Circuit, but not until the event had gone four heats, although it was raced on the three-heat system.

At the end of the third heat Bus's Lassie and Brescia stood tied in the summary and under the rules the two horses went another heat to decide the winner of the race. The best time was in the first heat, 2:06 1/4 which was won by Brescia, after Al Mack, the favorite, which had been leading, went to a break in the home stretch. Rodney, driver of Brescia, was pocketed in the second heat, which Al Mack won, and breaks cost Al Mack and Brescia the third heat. Bus's Lassie, winner of the heat, easily defeated Brescia in the fourth.

Expressive Lou, driven by Murphy, won the 2:09 trot in straight heats, but the finishes were very close, Koroni being the principal contender. "The Vassar," for two-year-old trotters, was won by Peter June in straight heats, Ruth Mainsheet and Miriam Guy dividing second and third moneys.

During the afternoon Thomas W. Murphy, who is a resident of this city, was presented with a silver punch bowl by the owners of the Pastime stable at Cleveland, Ohio, in recognition of his services in driving the pacemaker for Leo Axworthy last year when that horse established a world's record of 1:58 1/4.

GERMANS REPULSE RAID Amsterdam, Aug. 30.—An entente aerial squadron attempted to attack Frankfurt-on-the-Main last Sunday, the Berliner Tageblatt reports. The squadron, which came from the west, is said to have been forced to return when halfway between Mainz and Frankfurt because of the activity of anti-aircraft.

FRENCH LOSE FOUR SHIPS Paris, Aug. 30.—Out of the 920 ships which entered and the 1,013 which cleared from French ports during the week ending August 25, three ships of more than 1,000 tons and one vessel of less than 1,000 tons were sunk by submarines or mines. Four vessels were attacked unsuccessfully by submarines in the same period.

The par is 74. The Reading golfer went out in 43, making the return in 36, one below par. R. C. Furst, of Lock Haven, was runner-up with 81. Scores: First sixteen—D. Rhodes, Sr., 79; R. C. Cheney Under Arrest on Nonsupport Charge

New York, Aug. 30.—Larry R. Cheney, a pitcher on the Brooklyn National League Club, was arrested here yesterday on a requisition warrant issued at the request of the Governor of Florida on a charge of nonsupport sworn to by Cheney's wife at Orlando, Fla.

According to his attorney, Cheney recently made a settlement with his wife whereby she was to be paid \$10,000 in monthly installments of \$300. Cheney's salary is \$3,600 a year, the attorney said, and he could not meet the payments.

He was released on a writ of habeas corpus and held under \$1,500 bail for examination Tuesday. It was said that efforts will be made to settle the matter out of court.

WANT FOOTBALL GAME The St. Joseph's Catholic Club, of Lancaster, would like to arrange football games with any first-class eleven, at home or away. Address John P. Schlager, box 30, Lancaster, Penna.

WELLY'S CORNER

Lew Ritter, who has been counted a "has been" in the game at Steelton. Any person who picked this veteran as a down and outer has another guess. He had trouble with his eyes, but has come around all right and is as good as ever.

Pitching a game like that credited to Ogden yesterday is some record. The Steelton twirler has shown fast form all season. At times he has not had the support due him. He is classy and uses his head.

John McGraw has been justly punished, according to the staff of the baseball world. His temper has cost him dearly. It is a question, however, whether it will have any effect on the Giant leader. He has always been of a scrappy disposition and it is rather late to improve him.

Bob Shawkey, the boy who started his mound career in Harrisburg, has been given a long suspension. Shawkey got bad the other day and tried to beat, but pennecmakers interfered and he went to the clubhouse feeling rather sore. Had he quit at that he would have been let down easily, but his actions after the game brought severe censure from baseball officials.

Cumberland handed Hagerstown a severe jolt yesterday, winning by a score of 10 to 2. The Blue Ridge leaders cannot stand many bumps like that. Martinsburg is not far off and playing a good game. Ruxton A. C. has furnished good

baseball and will get into the football game. A meeting of the club will be held to-morrow night at six-thirty and Deery streets to talk over plans. Candidates are invited to join the team. Baseball business will be wound up and sports in general discussed.

Hitting for a total of thirty-six bases, Reading easily defeated Scranton yesterday, score 13 to 7. This is a season's record for extra-base hits, Reading mauling the two Scranton pitchers for twenty hits, which included a double, six triples and a home run. Holmes featured with three triples and Harshar had a home run.

Jesse Buckels, a southpaw pitcher, six feet three inches in height, is the latest to be added to the staff of the Phillies. Buckels has been a member of the New York State League, and is reported to have become dissatisfied with the tailenders, and the Phils secured an option on him. He is expected to don a uniform to-day and may be given his big league baptism in one of the Boston games.

The National League pennant may be decided in New York the first part of next week when the Phils and Glants play three consecutive double-headers. The Quakers are now only eight games behind, having made up six games in the past two weeks. Today the Glants visit Ebbetts field to engage the fast-traveling Dodgers for three days. During this time Pat Moran's men will be at home to the lively Braves.

"Muggsy" McGraw Gets Heavy Fine With Censure; Warning to Offenders

New York, Aug. 30.—John J. McGraw, manager of the New York baseball club, was yesterday fined \$1,000 and reprimanded by the board of directors of the National League for approving an interview, subsequently published, containing an attack upon John K. Tener, president of the league.

The action was taken as the result of the demand for an investigation of the case by the New York chapter of the Baseball Writers' Association of America, after McGraw had signed a statement repudiating the interview when brought before the league on charges filed by President Tener. After rehearsing the facts of the case the board concludes: "The incidents leading up to the matter under consideration have resulted in a fine of \$500 and suspension without salary for sixteen days. Therefore, the board finds that there should be imposed in addition to this formal reprimand and censure, a fine of \$1,000. This is deemed by the board of directors a proper time to warn managers and other employees of the league that on any future conviction for an offense of this nature, a penalty of suspension for the season will be the minimum punishment."

MIDWAY TO PLAY RUXTON

The Midway A. C., of Enola, on Saturday afternoon will face the strong Ruxton A. C. of this city on the former's ground. The game will start at 2:30 and a close contest is expected, as both nines have an excellent record for the present season.
