

EXCESS FARE IS ORDERED ENDED

Interesting Decision Given Today by Public Service Commission

The Public Service Commission today gave a decision that a trolley company rule requiring a passenger to pay an excess fare when he has not brought a ticket is "unjust and unreasonable" and has ordered the Buffalo and Lake Erie Traction Company, operating in Erie county, to "amend its tariff regulations relating to the additional fare charged to passengers who pay a cash fare in excess of 10 cents so that the same shall not apply to those passengers who board the car at nonagency stations." This is to be done by September 28.

The complaint against the company was filed by Representative H. T. Shunk, of Erie county. The company contended that "the additional fare is not demanded with intention of increasing the revenue, but to insure all cash fares paid on the car being properly accounted for." The commission says that the rule places on such a passenger the burden of presenting his receipt for the excess fare at the agency station of the company in order to have it returned, because, through no fault of his own, he has not provided himself with a ticket.

Mr. Hall Visits.—W. R. D. Hal-

former statistician of the State Highway Department, now connected with the Philadelphia Chamber of Commerce, was at the Capitol yesterday on business. He was greeted by many friends.

Lines Nearly Finished.—The running of lines for the Capitol Park has about been finished by E. Clark Cowden. The exterior lines are finished and some interior work is now in hand.

Interest in Hearing.—Considerable interest is being shown in the hearing to be held at the Capitol in the Harrisburg jitney application. The commission will take it up on Monday.

Dr. Montgomery Spoke.—Dr. Thomas Lynch Montgomery, state librarian, was the chief speaker at the meeting of the Lancaster County Historical Society meeting at Paradise yesterday.

Board Outlines Work.—The State Compensation Board yesterday outlined its work for the fall in Philadelphia and a number of decisions are expected. The board will have hearings here soon.

Visited Sharon.—John P. Dohoney, investigator of the Public Service Commission, was at Sharon yesterday on grade crossing cases.

Appointed Notary.—J. N. Bechtel, of Reinhold's station, Lancaster county, has been appointed a notary public.

Scranton Agreement.—Under the agreement reached yesterday by the Public Service Commission in the Scranton railway six-cent fare case the company will suspend operation of the increase for the present. The complaints will be listed for a hearing shortly.

First Case Heard Of.—The first case of infantile paralysis to be heard from in Franklin county has turned up. This state has taken charge.

Plans Approved.—The plans for disposal of sewage in the third sewer district of Lebanon have been approved by state authorities.

CITY BALLOTS MUST BE GIVEN TO RIVERSIDE

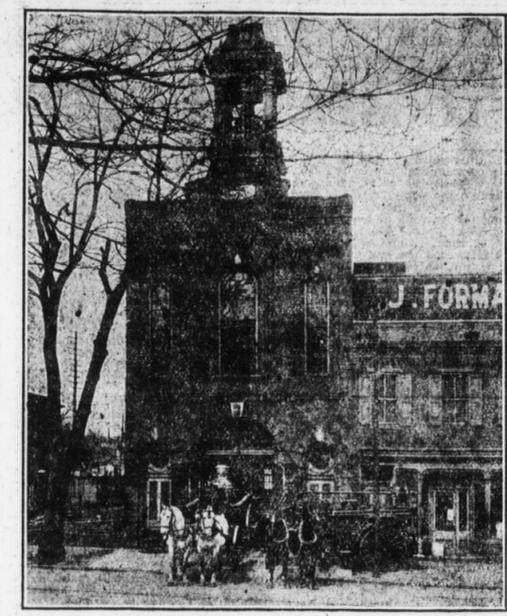

May Make New Section of City Fourteenth Ward or Attach It to Tenth

With Riverside annexed to Harrisburg but no court action determining whether the large district north of the city shall be part of the Tenth ward or made a new ward, county commissioners stated today they will not be able to provide for the voters in the newly-added section until the court is asked to sign the order annexing it part of Harrisburg. Riverside formally became part of the city today.

City Solicitor John E. Fox is preparing to ask the court on Monday to act on the annexation, and either join Riverside to the Tenth ward as a new precinct or part of the Fourth precinct, or make it the Fourteenth ward. The territory until it was officially added to Harrisburg was part of the West precinct of Susquehanna township. With the annexation ordinance fully operative county commissioners must provide the necessary ballots for the voters of this district, and are waiting now until definite action is taken in court, determining the location of the district for polling purposes.

County Solicitor Philip S. Moyer is planning to introduce in court next Monday a petition asking for the joining of the First and Second precincts of the Eighth ward to the Third precinct, as only a few more voters are residing in the first two districts of the ward, which are in the Capitol Park extension zone.

OLD CITIZEN FIREHOUSE REMOVED FROM CAPITOL PARK

The Citizen Fire Company, No. 3, Company, No. 1, at Third and Cherry streets. The old firehouse has been torn down in clearing of buildings now quartered with the Friendship

PAROLE RIGHTS GIVEN DEFINITION

Deputy Attorney General Gives Important Rulings on State Affairs Today

An opinion as to procedure to be taken by a board of penitentiary inspectors in the case of a prisoner who is indicted for offenses committed while on parole has just been given to John M. Egan, parole officer of the Western Penitentiary, by Deputy Attorney General Keller. It is held that in the case, that of Delbert Williams, Elk county, that if Williams "is found guilty of the charge of larceny, for which he is now awaiting trial, he may be compelled to serve the unexpired portion of his original maximum sentence in addition to the sentence that may be imposed for the larceny conviction, and if he should be acquitted on the present charge of larceny and the board of prison inspectors decide that his conduct during his parole period . . . was such as to constitute a breach of his parole, the board has a legal right to retake him for violation of his parole, notwithstanding the fact that he was not declared delinquent until after the expiration of his maximum sentence."

Commissioner Rilling, who sat yesterday in the gas cases at Oil City, will have a hearing today and tomorrow in Erie.

Lieutenant-Governor Frank B.

McClain, who was in Chicago on important food matters, was here today on his way home to Lancaster.

Highway Commissioner O'Neil, who took the oath of office yesterday, started today on a tour of inspection of state highways in the Cumberland Valley and will return here Monday for conferences with people connected with the department in regard to contracts and pending matters.

Commissioner O'Neil was today informed by Deputy Attorney General Keller that he can not let a contract without any bidding to the county of Cambria to build a road on which bids received were too high on three times and on which no bids were received on June 12. However, there is nothing to prevent the county from being a bidder to do the work and from receiving the contract if it is the lowest responsible bidder.

Insurance Commissioner Ambler has not yet come here to take the oath of office and the work of the Insurance Department is being directed by Deputy Samuel W. McCulloch.

The North Scranton Improvement Association today filed complaint with the Public Service Commission against the proposed increase of the fare of the Scranton Railway Company from 5 to 6 cents.

Notice of fines of \$100 each have been served by the Public Service Commission upon two men operating jitneys in Sharon without certificates from the commission and with failing to stop operating when notified to do so. If the fines are not paid the men will be arrested. This is the second time the commission has taken such action in jitney cases.

The State Forestry Department today received offers for sale to the State of almost 25,000 acres of land. One tract of 14,000 acres is in Clinton county and another of 8,000 acres at the juncture of Blair, Cambria and Bedford counties. Surveys will be made. Several thousand acres were also offered last month and over 20,000 the previous month. The State will investigate all tracts before making offers. The 8,000-acre tract is on the western watershed.

Capitol Hill Notes

Inspection Starts Monday.—The inspection of the hotels and eating places in Philadelphia to be made by the state and city authorities will begin on Monday. The sanitation law and city ordinances will be rigidly enforced.

Cards Come Down.—State highway officials yesterday ordered all political cards taken down in the vicinity of Hazleton. Candidates had been using poles and boards and other things along the state highways.

Rheumatic Pains Are Gone

Miss Lillie Alexander, who resides at Edgmont, a suburb near Philadelphia, Pa., says:

"I was ailing for a long time, my stomach was badly disordered. I suffered a lot from rheumatic pains in my shoulders and back; also in my limbs. At times I would develop a temperature. I felt weak and drowsy."

"When I would awake in the morning I would feel so sore and stiff that I could hardly get out of bed, and after I did get up, hours would elapse before I felt thoroughly awake."

"Well, it is all changed now. I heard of Sanpan. Enough said. I am well again. It did for me what no other medicine could do. I feel better than ever."

Sanpan is being introduced at Keller's Drug Store, 405 Market street, Harrisburg, where the Sanpan man is explaining it to the people.

—Adv.

The Globe— Is Ready For Fall—

This is the announcement you and every other well-dressed man in Harrisburg has been waiting for. When we say ready—we mean ready with a capital "R."

Ready with clothes that are the top-notch of style — with touches of distinction and refinement that brand them as unusual clothes. Styles that you must know are confined to us and classify the wearer as a student of fashion.

That's why The Globe is always in the forefront of fashion. That's why we sell clothes six months ahead of the other fellow.

For Fall We Offer
Fashion Park Clothes
\$20 to \$45

Fixings For Fall

The furnishing Department is on its toes ready to serve you. Everything you will need to complete your fall dress up is here and what's more, it's new—Here is a trio of new things
