**Riot at Penitentiary** 

Chattanooga, Tenn., Sept. 10.— Most of the Pennsylvanians at Camp Warden McLean are college men, and although all of them have been too busy since arriving here in the work of preparation for the real labors of the three months' instruc-tion for the officers' reserve, they have taken steps to form college unions and exhibit their love of alma mater as well as of country. In the Y. M. 'C. A. building, which serves the reserve officers' camp, lists of the various college men in camp have been compiled and they form a tribute to the patriotism inspired in the teachings of Pennsylvania unired. red. Two employes of the detonater anufacturing plant and the **de-**onation and primer dry houses in hich the first explosion occurred an died in a hospital, The arsenal officials and Coroner night believe the explosion was used by the accidential dropping of tray, of detonators. This is mere-supposition, however, and several uquiries are underway to determine te case. Knight
