Uncertainty of College Game Is Decreasing; Teams Now at Work

New York, Sept. 11.—The gray clouds of uncertainty which have overhung the Eastern college football situation for some months are gradually being dispelled and present indications forecast close to 80 per cent. of the usual number of gridiron contests during the coming season.

Lack Thrills at Finish

There will be lacking, of course, the usual climax to the Eastern year, owing to the absence of the annual Army-Harvard, Princeton-Yale and Army-Navy contests.

Miss Bjursted Stops Miss Brown's Victories; Wins Feature Match

Philadelphia, Sept. 11.—Three very interesting matches at the Germantown Cricket Club, Mannheim, yesterday, closed the \$100,000 campaign of the United States National Lawn Tennis Association on behalf of the American Red Cross.

Miss Bjursted, however, came right back to her championship form and defeated her opponent fairly and squarely in straight sets, 6-4, 6-2, and in the second F. A. Alexander and John Strachan defeated Wallace F. Johnson and S. H. Voshell, 6-4, 8-6.

When the Right Hon. G. C. Alexander pitched and won a double-header recently he had two objects in sight: One was to help his ball club in a last desperate stand.

ALEXANDER'S CHANCE. The assignment of winning thirty games three years in a row is no light one. Cy Young won over 500 ball games in his career, but the Paoli Phenom only passed the thirty game mark for two successive seasons.

TECH FOR TY. Which recalls the fact that Cobb has at last achieved his desire to lead the league ten years at bat.

"When a golfer speaks of a short putt," queries L. K. T. "what length does he mean—two feet or three feet or four feet? What is a short putt? Oh, any putt he misses.

TECH IS OUT FOR PRACTICE; RECORD SQUAD

Seventy-five candidates responded to the first call for the football team at the Technical High school.
