exception of the hours which will be from 8 to 11 o'clock in the morning. The resolution as passed by the commission follows:

"Whereas, The war gardens in the city and suburbs are evidencing industrious, patient and patriotic attention given them from early spring and during the heat of the summer and are now being harvested with a generous and prolific crop, and

"Whereas, The surplus of such gardens should be put on sale, no waste be allowed and those who have raised these crops should be remunerated for their labor.

"Therefore, Be it resolved that they be allowed the use of the curb in Market Square to expose their surplus crops for sale on Tuesdays and Fridays, from 6 a. m. to 11 a. m., until November 15, 1917."

To Prevent Waste By establishing curb markets Mayor Gorgas expressed the belief that many persons having a surplus of produce will find it easy to dispose of the vegetables which they have raised.

U. S. Tanker Sinks U-Boat With Its Eighth Shot An Atlantic Port, Sept. 11. — How a German submarine hid behind his schooner until an American tank ship attacked and later was sunk by the tanker's four hundred-pound anti-aircraft guns is a sailing vessel here today.

When about 1500 miles from Gibraltar, the captain saw the U-boat ordered him to stop. The submarine then kept behind the schooner until the approaching U-boat was in range. When it began the attack the naval guard returned the fire, the eighth shot striking the German boat, and sinking it within sight of the schooner's crew. Both steamship and schooner escaped damage.

Hindenburg Very Ill; Lindendorff Badly Hurt Rome, Sept. 11. — Reports received here yesterday declare Field Marshal von Hindenburg is very ill and that the injuries recently sustained by Quartermaster General von Ludendorff in a railway accident near the Rhine were graver than at first supposed.

Hindenburg and Ludendorff are the two master minds of the German military machine. Many reports have credited Ludendorff with the one with being the real brains of the combination. Hindenburg has never moved without his quartermaster general. He had him in his successful campaign on the Russian front and Ludendorff has been constantly Hindenburg's alter ego on the eastern battle line.

MIDDLETOWN

TO HONOR BOYS OF NEW ARMY

Nineteen Middletown Boys Will Be Given Big Farewell Parade This Evening

To-night all Middletown will join in holding a farewell celebration for the recruits of that section, who leave for the training camp on September 19. Nineteen Middletown boys are to leave in this contingent.

The demonstration was planned by Harry Fenical and Charles Rarick, two well-known young men of the Dourtrich store. These young men have spared no efforts to make the affair one that will live long in the memory of Middletown people. It is estimated that fully fifteen hundred marchers will be in line.

The first division of the big parade will be headed by Middletown's Liberty Home Band.

Middletown Man Tries to Kill Wife; One Bullet Strikes Hip John Duncan is in the borough lockup pending a hearing on a charge of attempting to kill his wife, Duncan was with Officer Noon in Witherspoon avenue near Lawrence street, about 6.30, while Mrs. Duncan was with Officer Noon.

The attempt was made by Duncan after he had been quarrelling with his wife at the corner of Lawrence and Market streets, where it is alleged both threw bricks. After this Mrs. Duncan asked Officer Noon to accompany her to the home of her parents, Mr. and Mrs. Edward Taylor. When they arrived in front of the home of Mrs. Tittle, a sister of Duncan's, Duncan jumped at the pair and fired two shots at his wife. One struck her in the right hip and the second missed. Officer Noon, with the assistance of Joseph Gantz, succeeded in placing Duncan in the lock-up. Mrs. Duncan's conditions is not serious.

Three Reasons Why You Should Trade with The Storekeeper Who Delivers With a VIM

FIND the store with the best trade and you have the store with the best goods. That is the store you want and it usually delivers with a VIM.

Sometimes a store with high rent can't afford to sell good goods cheaper than a store with low rent. It isn't location or rent that makes a store give good values—it's efficiency. You want the efficient store. That is the kind of store that delivers with a VIM.

The storekeeper that is always looking for the best things gets the habit. He looks for the best goods and he is apt to find the best delivery system. He is a good merchant to know. He surely delivers with a VIM.

Look for VIM Delivery Cars along the street. Notice the names painted upon them—all good merchants who are getting delivery at the lowest cost because of the economy of operation of the VIM Car and its freedom from repair cost.

When a storekeeper buys a VIM he buys VIM DELIVERY CAR The chassis sells for \$765. Complete with Open Express body, \$815; with Closed Panel body, \$845. Twelve standard types of body. All prices F. O. B. Philadelphia.
