U. S. ARTILLERY TO BEAT TROOPS TO THE FRONT

Big Guns Boom in American Training Camps in France

American Training Camp in France, Wednesday, Sept. 14 (by the Associated Press).—American guns are booming in France—booming under the eyes of observation balloons,

will beat the infantry to the front, for it is planned to complete the intensive training of the gunners un-

the spring campaign of 1918 is likely to begin. While it is not known here what announcements may have been made from Washington, the arrival of a large section of American field ar-

many of their older practices within the last twelve months, while at the same time keeping them abreast of the more modern theories of the vari-
