CHEAPER COAL PROMISED BY DR. GARFIELD

Reduction to Public Promised and Dealers Are to Be Curbed

Washington, Sept. 17.—Repeating his declaration that there will be a reduction of coal prices to consumers on October 1, when the margin of profits which retailers will be allowed to charge will be fixed by an order from the President...

Two facts stand out with somewhat startling prominence. One is that there is the possibility of a coal shortage when all the needs of this and other nations are taken into consideration...

In all cases, Doctor Garfield's advice to consumers is not to get panicky, to buy what fuel is needed for immediate use, but not to try to stock up for the winter...

REGISTRATION IN CITY LIGHTER THAN LAST YEAR

Even With Riverside Added Total Is 882 Below 1916

In Harrisburg 12,944 voters registered for the primary and November elections, according to totals compiled to-day at the county commissioners' office from the returns of the registrars in the fifty-three city districts, including the Fourteenth ward.

This is a decrease of 882 as compared with last year's record total of 13,826 for the presidential election. Part of this decrease, according to officials, is due to the number of men from Harrisburg who have enlisted in various branches of the United States Army and National Guard...

The heaviest registration was in the Second precinct of the Tenth ward where 489 voters were enrolled. Last year there were 492 listed in this district. Only ten of the fifty-three districts showed increases, these ranging from two to nineteen. In the Fourteenth ward on Saturday 128 voters were registered.

Ballots for the various election districts in the city and county were being distributed. Because express companies would not guarantee prompt shipment to a number of county districts, the county commissioners were forced to obtain automobiles to help the ballots, return sheets and other supplies delivered.

SNYDER ASKS TO HAVE MANDAMUS CASE QUASHED

McDevitt Makes Motion When Suit Comes Up For Hearing in Court

Mandamus proceedings brought by four state officials against Auditor General Charles A. Snyder because of his refusal to recognize their appointment on July 9 were given the first hearing before Judges Kunkel and McCarrell, in the Dauphin county court this afternoon...

As soon as the matter was called the McDevitt made a motion to quash the proceedings, holding that in the cases the petitioners were persons who would be benefited; but it was not sought to have any public duty performed and that the Commonwealth could not be a party as plaintiff in the petition...

Abundant means for satisfaction at law are at hand without resorting to mandamus, argued Mr. Snyder's counsel, who said issuing of a mandamus would destroy the discretionary power of the Auditor General and work mischief...

She is survived by her husband, daughters, Mrs. William Messenger, of Steelton and Mrs. Wonderly of Enola, and Frank Strine, Viola, Ill.

LABOR PLEDGES ITS SUPPORT TO U.S. DURING WAR

Plan to Crush Down Sneaking Traitors and Copperheads

Philadelphia, Sept. 17.—"We are at war and there shall be no more oppression, no more kings, no more war on this earth. This is our answer to the hiss of the copperhead."

Three great spokesmen of American working men addressed this meeting, held by the American Alliance for Labor and Democracy, and aroused the enthusiasm of the 1,000 workers crowded into the theater that they rose en masse in a pledge to push the war to victory.

Mr. Russell, fresh from his mission to the newest democracies, declared that only America can save Russia from the danger of German domination.

Plots to Aid Germany And then he warned the workers of the sinister influences that are working on behalf of Germany in this country and in Russia to take from labor all that it has won in the two great democracies.

THOMPSON IS OUT; OTHERS TO STAND

Brisk Canvasses Are Being Made in Closing Days of the Primary Campaign

The only point of discussion in municipal circles to-day relative to the primaries to be held Wednesday was the withdrawal late Saturday night of James C. Thompson as a candidate for council. Thompson's name will be on the ballot but he has asked his friends not to support him...

Setting went up in favor of Charles V. Burnett, and Edward L. Rinken among the leaders in the primary campaign when the voters are called to the polls Wednesday night. Both are well-known business men and popular throughout the city.

One Contest in County In the city there is only one contest that really attracts any interest and that does not amount to anything. It is the contest for the nomination of Alderman Eckinger, who wants to be nominated in the county districts and of the city wards.

THIRD ATTEMPT MADE TO PLACE BRIDGE SPAN

Eighty-four Men Have Died in Two Unsuccessful Attempts

Quebec, Sept. 17.—A third attempt to place in position the central span of the Quebec cantilever bridge is being made to-day.

Weather conditions being favorable, the span resting on pontoons was towed into position and hoisting chains attached to eight six-ton jacks ready to begin the lift of 150 feet.

The structure when completed will be 3,239 feet from shore to shore and will have two railroad tracks, two street car tracks and two roadways. It will cut the railroad journey between Halifax and Windsor by a half day.

Rotarians Get First Glimpse of New Moving Pictures For Y. M. C. A.

Members of the Harrisburg Rotary Club at luncheon at the Engineers' Club to-day saw a series of pictures projected by the Patheoscope which is to be purchased for use in the Y. M. C. A. The part of the program was in charge of Secretary Robert B. Reeves, of the association, and

he introduced the local representative of the Patheoscope Company who entertained the members a moving picture show for a hour. Paul Kunkel, who followed Mr. Reeves in the chair, presented Thomas Lynch, Montrose State Librarian, discuss the movement for the raising of a fund for the equipment of soldiers' libraries.

MERCERSBURG MAN SKEPTICAL AT FIRST, HE SAID

"I got Tanlac drummed into ears so much from so many people that I found relief from it that I decided to try a bottle. I admit I was skeptical at first, because so many other remedies failed to do me good, but I was soon convinced I had at last found a relief stomach trouble," says Jacob Mon, R. R. No. 4, Mercersburg. "For the past six years I have been in a very bad condition result of indigestion. Every time I ate would go back on me, and I suffered from severe headaches, especially in the morning. Most of the time I might as well have been in bed. I got a restful sleep although I was in bed in good season. I simply swept my stomach of these troubles. To-day, I am able to eat a hearty meal and enjoy it without any fear of disagreeable effects. I sleep fine at night getting feeling refreshed in the morning. Headaches have left me entirely. Tanlac is sure a wonderful tonic system builder and I heartily endorse it, for anyone who suffers I did."

WAR LIBRARY PLAN ANNOUNCED

An official announcement outlining just what is planned by the movement to provide libraries for the camps and cantonments of the soldiers has been issued by Arthur E. Bostwick, chairman of the publicity committee of the American Library Association.

The librarians of the country have placed themselves in line with other bodies of professional men who are putting to the disposal of their country. A committee on war service for libraries was appointed by the American Library Association at its recent annual meeting at Louisville, Ky. This committee is about to launch a campaign to raise half a million dollars for the service in which it is interested.
