FOUR MEETINGS ON ANNEXATION

West Shore Towns Will This Week Discuss Question of Joining Harrisburg

This week will be one of importance in the move to annex the West Shore to Harrisburg. Four meetings will be held during the week in West Shore districts. This evening the first meeting will be held at West Fairview. L. L. Hammacker, of Lemoyne, treasurer of the West Shore Firemen's Union, and J. Fred Hummel, of Wormleysburg, president of the union, will be the principal speakers. Prior to the meeting businessmen and residents would not voice their opinions in the matter, stating that they would rather wait until after the meeting this evening. Supporters of the move believe that the borough will support such a move on account of getting various improvements which the borough will be compelled to have in the near future. At New Cumberland to-morrow evening it is expected much opposition to the move will be given. A talk with businessmen recently brought out the opposition and the real sentiment of the majority of taxpayers will come out at this meeting. The speaker for his meeting has not yet been announced. The meeting will be in charge of Burgess George Wilson, J. H. Hummel and William Read. Midway residents will be given a chance to give their opinions at the meeting on Thursday evening. The committee has not announced the speakers yet. A meeting will be held at Enola the following night. The meeting at Camp Hill will be held next Monday evening.
