

NEWS OF STEELTON U. S. WAREHOUSE NEAR COMPLETION

Two Harrisburgers in Aero Supply Squadron Attached to Plant at Middletown

The United States Aviation Supply Warehouse at Middletown will be completed by Thursday.

Announcement to this effect was made at the grounds this morning. Shipments of materials to be assembled in the warehouse are expected in a few days and by the latter part of the week officials in charge believe the building will be filled to its capacity.

The night force of 250 workmen will be laid off Wednesday night and the day force of about 900 men will be retained for several days to finish up the work about the grounds.

Started August 9, remarkable headway was made in the construction of the mammoth building. The building is 330 feet long and 270 feet wide. Two railroad tracks in the center of the structure will make unloading easy and quick.

The 113th Aero Supply Squadron of the regular army arrived at the grounds Saturday afternoon and is on guard duty. The police force with the exception of T. V. Gardner has been taken off duty, this work being placed in the hands of the squadron.

The squadron of 150 men is recruited to full strength and is the first Aero Supply Squadron to go into regular service. Among the members of the squadron are two Harrisburgers. They are Jacob L. Nichola, 1445 Revere street and Otis Hopp, 344 Muench street.

There are forty-nine Pennsylvanians in the squadron. The other men are from various parts of the country. Lieutenant Fred Netcher, of California is in charge of the company. The squadron was organized at San Antonio and located there for about a month.

Honors Paid to Gen. Stewart at Camp

Honors were paid to the memory of Adjutant General Thomas J. Stewart at the camp of the Pennsylvania troops at Augusta, Ga., on Saturday afternoon at the hour of his funeral. The flag had been at halfmast ever since the death of the General. There were in attendance over 100 officers, including Major General Clement, Brigadier General O'Neil, Brigadier General Estlin and all of the colonels of the various regiments, members of the division staff and other officers.

The Tenth Regiment band furnished music. It played Chopin's Funeral march, while the headquarters' band stood at attention as well as all the enlisted officers and men connected with division headquarters. The headquarters' band presented this as taps were played and the flag was run up to the top of the pole.

The Enormous Demand For Coal THE coal situation is briefly this: The demand has greatly increased.

It comes from factories and railroads and war requirements. Factories and Railroads must be kept going. Households must be kept warm and well fed if the country is to be fit for its great task.

We as a people dare not forget that we are at war and that the cause we have at heart depend in a large measure upon abundant production and wide distribution of coal.
