Freedom of Belgium Is Demanded by Berlin Press

Amsterdam, Sept. 18.—Vorwaerts, the Socialist organ of Berlin, holding that the complete restoration of Belgium is corollary to the Reichstag resolution, declared:

"Whether the German government remains deaf thereto it is not only a question of power or policy but fustice and conscience. No party is truly wise that disregards the moral and legal factors in the life of nations. Despite the howling of the mailed-fist politicians we affirm that right is right and that Belgium has the right to its independence."

WIFE SERIOUSLY WHO SHOOTS HER

Penbrook Couple Had Long Been Separated; Nonsupport Suit Brings Climax

Walter Arnold shot his wife at the Wolf bakery in Penbrook early this morning. Arnold is in jail, while the woman is at the Harrisburg Hospital, seriously wounded. It is possible that she will not recover.

Arnold and his wife have not been living together for some time. Several weeks ago Mrs. Arnold complained before a local alderman that her husband was not supporting her and their five-month-old child. The case was set for October 8, in the Dauphin county desertion court. Arnold has been employed in this city and it is said, has been earning good money. Dr. Shope, of Penbrook, became Arnold's surety for the court hearing.

Feared Her Husband Feared Her Husband
For some time Arnold has been
urging his wife to return to him,
neighbors say. The woman objected,
upon the grounds that Arnold not
having supported her in the past, the
court should have an opportunity to
act in the matter. Mrs. Arnold is
said to have been afraid that her
husband would make an effort to end
her life before the case came up for
trial.

Walter Arnold shot his wife at the

her life before the case came up for trial.

Last night Mrs. Arnold, who has been living with her father, Adam Limes, went to Wolf's bakery to deliver a midnight lunch to her brother, Clayton Limes, who is employed there. Arnold followed her, and in the presence of her brother, drew a revolver and fired. The bullet entered the woman's side. She was brought to the Harrisburg Hospital at 1.30 this morning. Her condition is considered serious. An effort will be made to locate the bullet through an X-ray examination today.

Burgess M. L. Ludwick brought Arnold to this city, after he had been overpowered by Mrs. Arnold's brother.
