Division Pleased With His U. S. to Send Labor Officers and Men

GEN. CLEMENT

Mission to Kussia Washington, Sept. 13.—The United States government will send soon to Russia a labor mission comprising be-tween sixty and one hundred repre-sentatives of American unions. This course was decided upon to-day at a conference between Persident Wilson, President Samuel Gompers, of the American Federation of Labor, and a number of representative labor men of this country. Camp Hancock, Augusta, Ga, Sept. 19.—Major General Clement has left Camp Hancock for his home in Sunbury, Pa., and Brigadier Gen-eral William G. Price, Jr., is in tem-porary command of Pennsylvania's Twenty-eighth army division. Now that the division is concen-trated at full strength in the field and engaged in training, General Clement obtained a few days' leave of absence in order that he might of absence and personal affairs in Sunbury. He was accompanied by members of his personal staff. The general received correspond-ents for the first time and expressed great satisfaction with the personnel of the division, predicting that Penn-sylvania's boys would uphold the honor of the state and the nation when they got into the fight in France.

MARKET HOURS CHANGED MARKET HOURS CHANGED Columbia, Pa., Sept. 19.—The market committee of borough coun-cil has announced that after Sep-tember 1 the market hours in Co-lumbia will be at 8 o'clock on Tues-day, Thursday and Saturday morn-ings, and at 2 o'clock on Saturday afternoons. Heretofore, the hours have been quite early and caused much dissaisfaction among farmers and patrons.

when they got into the light in France. He expressed the opinion that Pennsylvania should be proud of the fact that the Twenty-eighth army di-vision is the first actively engaged in training in the field. He added that since the Pennsylvania forces went to the border last year there had been a remarkable improvement both in the caliber and efficiency of the men.

In the calleer and efficiency of the men. Mostly New Men "Not more than 20 per cent. of the personnel of the division, as it is now constituted, served at the border," he said. "A great many of the men who were with us there now hold commissions, and many others pass-then were recruited to about ninety the men. The companies here have about 140 men each. first on the roof of a building beneath the bridge, Stewart Wire, 11-year-old son of Mrs. Nannie Wire, 1218 Mul-berry street, is living and, according to authorities at the Harrisburg Hos-pital, is not believed to be seriously injured. The boy was playing with a num-ber of companions about the bridge last evening. He climbed over the iron railing and slipped. Unable to secure a hold upon the abutments, he plunged toward the earth. It is thought that his body came in con-tact with the wires. One hand shows evidences of having been burned in the descent. The boy remembered inothing until he was being taken to the hospital. In striking the roof of a tire building occupied by George W. My-ers the boy suffered laccrations of the head, but no evidences of a frac-ture have been located.
