PACKARD TRUCKS OUR MOTTO 'KEEP MOVING' HILDBRAND BROS. STORAGE WAREHOUSES DISTANT MOVING A SPECIALTY

Service the public wants, at lower cost, is every-day work for Packard trucks! "We have used Packard trucks since 1911, and we have always found them a paying proposition," says Hildenbrand Brothers, Philadelphia's well known transfer and storage specialists. "The service we have had from our seven Packards has been entirely satisfactory. We find they have always measured up to the highest standard of efficiency in the daily operating routine of our business." The more exacting the demands made on hauling equipment, the more convincing are Packard savings and service. Four-speed, silent, chainless Packards in seven economical sizes—1 ton to 6 1/2 tons.
