Trenton Races Are Poor; Officials Rather Sore

Trenton, N. J., Sept. 25.—Only five of the seven original entries in the \$2,500 free-for-all race, scheduled for yesterday at the Inter-State Fair grounds, scored for this word only in the race called "The word was an early closing even, the entries to which closed several months ago, at which time it was thought so rich a purse would be placed on the race. The results, however, did not come upto expectations, as Roan Hal pitched off with the big end of the race. The other six, which were three heats which did not average much better than 2.13. Horsemen generally and the management in particular were much displeased with the result of the race as it was the largest purse ever offered by a fair association for such a race in Eastern United States, and should have produced a meritorious contest.

PAOLI HORSE IS CIRCUIT WINNER

Columbus, Ohio, Sept. 26.—One of the richest cards of the present Grand Circuit meeting was raced here yesterday, and before the \$17,000 in purses was distributed the spectators saw some wonderful trotting miles and two world records made. Miss Bertha Dillon, owned by A. B. Cox, of Paoli, Pa., won the American Horse Breeders' futurity for three-year-old trotters in the fastest three heats ever raced by horses of her age and any sex. She also equaled the world's three-year-old trotting record of 3:02 1/2, jointly held by Peter Volo and herself, and broke the record of 2:58 1/2 set by the champion three-year-old trotting filly record, made here last week by The Real Lady, at 3:04 1/2. Miss Bertha Dillon trotted the last half of her great mile of 54 1/2 seconds, considerably slower, so far ahead was she from the nearest competitor. Early Dreams, winner of the Hester-Columbus stake last week, repeated in the Buckeye 2:13 trot, purse \$5,000, and reduced the mark for that stake from 2:05 1/2 to 2:04 1/2. Princeton made Early Dreams step the last quarter of this mile in 29 1/2 seconds to save him off. The Savoy, favored to capture the Board of Trade 2:13 in the second heat, forced to the wire by the Philadelphia entry, Joker D. Lake, R. S. J., another Quaker City horse, won that contest in the race and was laid up in the final heat.

Pop Kelchner Busy With Albricht Team

Myerstown, Pa., Sept. 26.—Coach Charley Kelchner yesterday devoted his time and energy to the correction of faults disclosed in the play of the Albricht team at the race during a hot scrimmage last night with the Scrubs. The latter organization surprised the Red and White team with better tactics and defense, the work of Miller, Heisler and Hassler being particularly strong. Hall, at quarterback for the Red and White, called the running of the team, his calling of the signals being both snappy and clear.

Lancaster Races Slow; Winners Have Easy Time

Lancaster, Sept. 26.—The races at the county fair were devoid of any sensational features. In the 2:17 trotting event Lord Oliver took the three heats with his driver in the field. Dewdrop won the 2:23 pace without effort, the second horse being several lengths behind. Willie Wilcox pulled the driver in the first heat, but he was unhurt. The summaries:
