on the dinner table," say home economics specialists of the United 'Lykens, Pa., Sept. 28. — Wholly from patriotic motives, in order to comply with the desire of the Presi-dent of the United States for the pro-duction of the maximum amount of cc.l, the Susquehanna Coal Com-pany was compelled to abandon the annual First Aid Day contests at Shamokin this year. It has been the custom to close the colliery on that day each year. The company, how-ever, substituted a series of local contests for each division and each collery. States Department of Agriculture. States Department of Agriculture. It is well known that potatoes are a nutritious and healthful food, of which one may eat freely without ill effects. As a matter of fact, say the department specialists, there is some-thing more which can be said for the potato, for the liberal consump-tion of them helps to supply the body with alkaline saits which it needs for normal health. Eat more potatoes, for breakfast, lunch, dinner or sup-per, therefore, while they are abund-ant, say the specialists, to the advant-age of both your health and your pocketbook. colliery
