Few Important Events Go Stars Upon Whom Will Rest Great Responsibility in World's Series

York, Oct. 5.—With three unfindshed events held over from Wednesday, only one race on yesterday's program of the York County Fair was carried through to a finish. Two others were left to be completed today, the 2.21 trot and 2.14 pace. The crowd on the grandstand and about the half-mile track was the greatest which has ever witnessed racing at a York County Fair. This was made possible by enlargement of the grandstand during the past year.

Acme A. made short work of the 2.29 pace, of which four heats had been run yesterday. The Endicottentry took two successive heats and the race. The 2.11 pace, another hold-over, similarly went to Linwood, a Johnstown mare, which has done no better than two seconds on Wednesday, in three straight heats. Philadelphia came in for honors when R. J. R., John Toy's bay gelding, won a hard fight for the 2.18 trot. Miss Fantasy quickly settled any doubts about the 2.18 pace by taking it in straight heats. The 2.21 trot and the 2.14 pace, of which two heats each were run yesterday, go over as an addition to the program of getaway day.

degree of efficiency.

Chances About Equal
According to their records for the past season in their respective leagues, there is little to choose between them so far as fielding or batting is concerned. Holke has a slight advantage of the averages in both these departments, as well as in stolen bases and double plays. He is also three years younger than Gandil but when all is considered it is likely that the latter's greater experience will slightly outweigh Holke's speedier footwork. The margin of advantage is so small one way or the other that so far as forecasts are concerned, the two players may be said to be equal in offensive and defensive work.

Four Former State Leaguers in Series

It is possible that four former New York State Leaguers will figure in the world's series games this year. Each team has two. They are Burns and Zimmerman, of the Giants, and Ed Murphy and Wolfgang of the Sox.

Burns formerly played with Utica, Zimmerman went to Chicago from Wilkes-Barre; Wolfgang gained his start when with Albany and Ed Murphy, as all local fans know, formerly wore Scranton togs. At least three of these players are sure to figure in the series which starts to-morrow. Burns and Zimmerman are New York regulars, while Ed Murphy's great ability as a pinch hitter should compel Rowland to insert him into the line-up.

Before the shades of early morning died
Methought a Voice within the ball yard cried.

"When all the seats are taken here within
What'll become of all the mobs outside?"

That from his Vintage rolling Time hath prest,
Have had Their Day a year or so too soon,
And one by one crept silently to rest.

ROBERT BROWN **NEXT LEADER** FOR NATIONALS

New York, Oct. 5.—Robert Brown, of Louisville, Ky., will be the next president of the National League, and will be elected to that high office of the parent organization of baseball this winter, according to the man, who has been a long time friend of John K. Tener, the present head of the league.

President Tener has been noncommittal whenever asked if he would again be a candidate for the office. He has neither denied nor affirmed positively his intentions of continuing in baseball or of quitting it.

ALL-STARS WINNERS

In a game played at Fourth and Seneca streets yesterday afternoon, the All-Star A: C. defeated the Emeral Street Juniors, 24-18. The All-Stars crossed their opponents' goal line six times for as many touchdowns. Emerald scored three touchdowns. Russell Blessing and Lester Wadsworth played sterling football for the All-Stars, while Euker played the best game for the losing eleven.

Advance Sale Cleans Up Allotment; High Prices For Pasteboards

By Associated Press
Chicago, Oct. 5. — The reserved seats for the world's series games at White Sox Park having been distributed among the lucky applicants, hundreds of baseball fans planned to stand in line to-night in order to have advantageous positions when the office opens at the park for the sale of unreserved seats to-morrow. The weather predictions for the opening game to-morrow calls for fair weather with a slight drop in temperature. Speculators, who had promised to have plenty of tickets for the opening game were busy to-day making deliveries to a few customers and returning money to others. Their supply was said to be far less than the demand.

the locals. Cicotte worked out yesterday afternoon and said afterwards that he was ready to start the big series at any time.

Ferdinand Schupp, the left handed star of the New York Giants, is the most frequently mentioned to open the series for the visitors. That out-oft-town fans are not to see the games in as great numbers as had been expected was stated at White Sox headquarters to-day. Requests for tickets in large numbers from several cities had been received but were turned down or the allotments cut.

CENTRAL READY FOR HARD GAME

Central High will play the first home game to-morrow with Johnstown. This is the hardest game of the season. Johnstown is the heav-

ing 157 in the third game.

Their line last year averaged one hundred and eighty-five pounds and the backs were all over one hundred and fifty. This year's team will be about as heavy because nine letter men are on this team. The game last year was played at Johnstown and was a scoreless tie. Johnstown claimed the championship of Central Pennsylvania for the year 1916.

This being the last year that the Blue and Gray will be represented on the gridiron, Coach Smith is working hard to make this year's team a record breaker. Present indications foretell a very successful season.
