Applicants From Third District Passed On; Majority Turned Down

The District Appeal Board at its session to-day acted on a large number of claims from Dauphin county No. 3 and York county No. 3 boards, allowed although more than the usual number were granted.

There were 25 claims from Daupher two stated that they were physically unit to run a farm without the services of the young men who have the young men who have been a stated that while they could run the farm themselves the presence of the young men who have soil and furnishing food for the men who were at camp.

Yesterday the district board acted on at large number of claims from Thember and and York No. 15 will be stated that while the services of the young men who have its claims acted on at this that remain, There are also a large number of claims from New York City on a date and the whole of the them who were at camp.

Yesterday the district board acted on at this rate of one out of ten. It is probable that the board will be in session to-morrow, although late to-day it was earlied to the work will be the only local board to have its claims acted on at this probable at the next session which will have their claims on the table at the next session which will appear to the probable of the things of the th

At the headquarters of the Paxtang board work is practically at a standstill. No more men are being examined and, it is probable that no more will be until the district board is heard from. The clerks at the Paxtang board are making out a list of those men who have been discharged or whose claims for exemption have been allowed.

The Elizabethville exemption board will receive from the district board to-day the list of the men whose claims have been denied and allowed by the district board. No more men will be examined by this board as the quota is practically assured.

Examining N. A. Soldiers adelphia.

A recent order issued by the United States Government selecting certain physicians and surgeons to make a inal examination of the men at the various cantonments throughout the country, will cause the departure from Harrisburg of Dr. J. W. Ellenberger, of 924 North Third street.

The object of the order, according to Dr. Ellenberger, is to insure perfection physically among the troops of the United States. Specialists will have charge of the final examinations, and Dr. Ellenberger has specialized in lung trouble for a number of years. As many of the armies in Europe were greatly handicapped by the spreading of tuberculosis at the beginning of the war, the United States is striving to prevent a repetition of this condition in America.

Civil Service Body Is

plicants for appointment to the po-lice force.

The examinations will be submit-ted to Council as soon as finished.

At present there are four vacancies in the department, three uniformed officers and one detective having re-signed.

Be in Tomorrow Morning

The Rev. E. D. Weigle, pastor of Trinity Lutheran Church, Camp Hill, announced to-day that all donations for the Loysville Home must be brought to the church not later than 10 o'clock to-morrow morning.

He laid emphasis upon the need of potatoes and flour, but will also accept money. The committee at Washington Heights is working under the direction of Mrs. George A. Rice, Mrs. C. H. Bishop and Mrs. John S. Musser. Miss Dora Burgner is at the head of the various committees.

Dr. Ellenberger to Aid

Examining N. A. Soldiers The following positions in the Middle division telegraph department have been advertised. Nos. 3 and 6 relief tricks paying \$93. No. 8 relief trick paying \$93, while working main line offices and \$86.60 while working the branch positions. No. 9 relief trick paying \$86.60. WI. second trick paying \$83.35. EL and HL third trick paying \$76.95 each. The oldest employe applying will be given the preference, fitness and ability being equal.

U. S. Destroyer Fires on Italian Submarine by Mistake; Signal Ignored

Washington, Oct. 9. - An Ameri-Washington, Oct. 9. — An Amerian patrol vessel fired on an Italian ubmarine at night and killed one officer and one enlisted man before the nistake was discovered, according to no ficial statement issued by the lavy Department last night. Admiral Sims is investigating the occurrence and Secretary Daniels has ispatched a message of apology and egret to the Italian Minister of Maine. The official statement follows:

"BRIDE SHOP" GIRLS COLLECT FOR TOBACCO FUND

These girls of the "Bride Shop" at the Majestic theater last night collected \$85 for the Telegraph's obacce fund. The money will be forwarded to New York and will go toward the purchase of tobacco for he American soldiers in France. To-night and to-morrow night the "Bride Shop" girls will make their apeals after an announcement from the stage.

HERE'S LIBERTY LOAN PRIMER FOR CHILDREN IN CONTEST, AS WELL AS FATHERS AND MOTHERS

Clip It - It Will Help the Boys and Girls Win the Cash Prizes Offered Students in Harrisburg Schools in Conjunction With the Loan Lessons That Begin in all the Schools To-Morrow.

By HERMAN L. COLLINS (Girard)

[THE PHILADELPHIA TELEGRAPH]

If I don't buy a Liberty Bond what will happen? You may be taxed double or treble to pay the Kaiser. Is this a joke? It is not a joke, but a fact based pon historic precedents.

How is it a fact? If America does not win this war

How is it a fact? If America does not win this war Germany will.

If Germany wins the war what will the Kaiser do? He will do precisely as his grandfather did in 1871 after he had defeated France.

What did old Kaiser William do to France? He made a cash profit of over 100 per cent. out of that war.

How much? He could not very well use our real estate, so he would undoubtedly take it all out in

estate, so he would undoubtent take to all other money.

How much money? Not less than \$30,000,000,000, By what means would he collect this money? By the same method the old Kaiser used against France. What was that method? Kept an army in France until the very last dollar was paid.

How long a time did the old Kaiser give the people of France to pay that billion dollar war tax? Only three vers.

BUT IF I DON'T BUY A LIBERTY BOND AND HELP WIN THIS WAR. AND GERMANY DOES

the United States government. How would the United States government raise \$30,000,000,000 of indemnity to pay the Kaiser? As France raised it—by taxes and bond issues.

Would our country be forced to pay it? It would. Would I ever get any of that money back? Never one cent of it.

Would no part of that \$30,000,000,000 ever come back to the United States. Never one dollar. How then DOES BUYING A LIBERTY BOND DIFFER FROM BUYING A BOND TO PAY GER, MANY OR PAYING A TAX TO GERMANY. When you buy a Liberty Bond you do not give your money to Uncle Sam. You merely lend it to him and you can get it back—all of it—any hour of any day you wish. What is a war indemnity like? It is like the purse stolen from you by a pickpocket.

So if I don't buy a Liberty Bond, which is simply lending my money to my country to win the war, the German pickpocket will take fully double as much and never give it back? That is absolutely correct, Is it better then to put my savings in a Liberty Bond rather than to run the risk of losing these savings and as much more? It is far better.

Please illustrate. It costs you nothing to invest in a bond bedause Uncle Sam will pay you 4 percent, for your cash and give you all your money back any time you want it. BUT AN INDEMNITY TO GERMANY WOULD BE A 100 PERCENT LOSS, WITHOUT HOPE OF RECOVERY.

How will Germany levy an indemnity if it wins the war? By blockading all our ports and selzing cities as the United States selzed Vera Cruz.

Would that bring us to our Rnees? It would. Because a blockade would cost us more than the indemnity. Even a self-imposed embargo laid by President Thomas Jefferson cost the United States almost as much as the subsequent war of 1812.

A Liberty Bond fights for America. An indemnity would pay for Germany's victory over us.

as much as the subsequent war of 1812.

A Liberty Bond fights for America. An indemnity would pay for Germany's victory over us.

A Liberty Bond adds to our safety. An indemnity bond would ensure Germany's victory over us.

A Liberty Bond feeds and arms an American soldier. An indemnity bond would pay for the gun and food of a German soldier.

A Liberty Bond means upholding the glories of our Union handed down to us by Washington and Lincoln. An indemnity bond would fasten upon the world an everlasting reign of Prussian tyranny from which the ancestors of millions of Americans were once forced to flee in terror.

Take Your choice!

Lend your dollars temporarily to the United States. Or give them outright to the Kaiser of Germany.

HALLOWE'EN ON ONLY ONE NIGHT

Police Contemplating Limiting Sport to But One Night and That Must Be Orderly

The young people of Harrisburg, and those of older years who are still young in heart, may celebrate Hallowe'en this year as usual, with this one difference—it is more than likely that the celebration will be limited to, but one evening.

This is the action that is seriously contempiated by Chief of Police Wetzel. While the Chief has not definitely decided to make the ruling, it is probable that members of the police force will be advised within a few days that pranks will be permitted for one night only.

Many things that have been permitted in the past will be frowned upon this year. Destruction of property will not be tolerated. Those who feel it necessary to break windows, carry off steps and outdoor furniture, are likely to pay for their pranks in police court.

The practice of smearing windows with soap will not be regarded with favor.

Jitneymen Investigate Reckless Driving Charges

Several applications for membership were received and acted upon by the Jitney Indemnity Association at its regular weekly meeting yesterday. Plans are being made for a monthly inspection of the members to see that none except those who have been admitted to full membership are displaying the new insignia adopted by the association.

President H. L. McLaughlin appointed a committee to investigate complaints of reckless driving on the part of some litney drivers. If these complaints are found true the members will be expelled; for it is the desire of the association to protect the public that they in turn might receive their favor.

What did old Kaiser William do to France? He made a cash profit of over 100 per cent. out of that war. Anything else? Yes, the old Kaiser stole from France two valuable provinces, which we would call states in America. How much were those provinces of Alsace and Lorraine worth? More than a billion dollars. What then was the Kaiser's total profit on the war of 1870? Over 100 percent in cash and 200 percent more in real estate. How did he ket 100 percent profit in cash? That war cost Germany, as its own official report shows, about \$480,000,000, and the indemnity collected from France was \$1,000,000,000. So the Kaiser paid for his war and had left over \$500,000,000 cash? Exactly! And the stolen provinces? They were worth more than double Germany's cost of war, or over 200 percent on the military investment. How much has the present war cost Germany? All told over \$25,000,000,000 to date. If Germany won the war from America in another year how much would the total cost to Germany be? At least \$35,000,000,000. If the living Kaiser did to his enemies what his grandfather did to France, how much indemnity will he collect from them? Over \$70,000,000 in cash and as much more in real estate. What would America's share of this cash indemnity be? As the United States is the richest of the Kaiser's foes he could and would not very well use our real
