## Lloyd In New Role

Captain Rees Lloyd showed ability in a new role Saturday at Lebanon where he booted the ball over the cross bars for a pretty field goal in the second half. He is running the eleven in his usual capable manner, and is one of the best quarters Tech ever had.

and is one of the best quarters Tech ever had.

When Lebanon visits Steelton Saturday, fans will have their first chance to compare the ability of Tech and Steelton. Tech trimmed the Dutch pn their own field by 29 points. Steelton will have another advantage in playing at home. Tech is not underestimating the ability of Easton and will put forth every effort to land the contest. The Tech reserves will go to Marysville where they will be pitted against the High School team of that place.

# RACING THRILLS AT HAGERSTOWN

Extra Heats Feature Big Events on Fair Program; Results

Hagerstown, Md., Oct. 11.—Twenty thousand people witnessed excellent racing at the second day of the Hagerstown Interstate Fair. Interest centered in the 2.17 trot, which was not finished. At the end of five heats Bennie Seltzer and Siq Bingo were close contestants for first money. Love Berry won the 2.16 pace easily, his time being the same in all four heats. Barung showed his class by winning the country trot, carried over from Tuesday. Liberty Patch easily won in straight heats the 2.11 pace, coming through to the wire with the wonderful burst of speed he has been showing all summer. Summaries:

Two important divisions of the Army will invade Harrisburg Saturday. Yes, there will be a battle, but no bombs will be thrown. The Usaacs (meaning the United States Ambulance Corps), will send in a football team against an eleven representing the Officers Association of Gettysburg. Some battle may be expected. Furthermore that is not all. The Central High school eleven will meet Wilkes-Barre High. More doing.

New York Giants came back strong yesterday. "Muggsy" McGraw simply gave his aggregation to understand that the Giants were in the game to win. He may be rather rough in his manners when giving orders to players, but he gets the results. Another victory for the Giants would make the series interesting.

When The Work Giants came back strong yes down in a world's series, is rather disappointing. However, it must not be overlooked that Kauff and McGraw had a tilt, and the crack hitter has not done anything since. Managers sometimes put a good player out of busiless by using unfair tactics.

when Tech goes to Easton Saturday the local team expects to have every regular in good shape. Easton is one foe that must be conquered this season. Tech and Easton High will play early in the afternoon. Then both teams will be guests of the Lafayette management at the game with Ursinus.

When the mayor of Milwaukee, heading a delegation from that city to Chicago last Saturday, presented "Hap" Felsch with a diamond pin before the game, he said: "Sonnty, we are just letting you take this pin. If you don't hit a home run to-day we'll return for it." "Zatso," answered "Hap." The mayor of Milwaukee, and the visiting delegation did not return.

"Today, the specific gravity test is practically worthless as a check on the sultability of a gasoline, for example, for a given motor equipment. \* \* \* \* It seems most probable that the definition of gasoline will have to be based on the percentage that dutils over between specific unpersturns. When the substitution is carried out under specified conditions.

"The gasoline must not vaporize too freely for two reasons: One, that it would not be safe, and secondly, its loss in storage by evaporation would be too great. Hence, the specification may have to contain limitations of the percentage distilling over below a certain temperature, coupled perhaps with a proviso that certain percentages shall distil over below ther fixed temperatures, in order that requisite amounts of low-boiling constituents shall be present to insure easy staring of an engine.
