

STEELTON AND NEARBY TOWNS

MIDDLETOWN

George Keener Returns From France Where He Assembled Cars

George Keener, who had been in France for the past year in the interest of the Middletown Car Company, returned home yesterday.

Red Men to Hold Big Meeting Saturday

The Tricounty Association of Red Men including Dauphin, Cumberland and Perry counties will meet in the Red Men's Hall, Ann street, on Saturday, and will be the hosts of the Red Men from the other counties.

Funeral services for Mrs. Fannie Metzger were held from the home of her daughter, Mrs. J. B. Rider, Pleasant Valley.

Funeral services for Mrs. Percy Black, who died at the St. Alto hospital, were held at Chambersburg yesterday afternoon.

The St. Mary's Catholic Church will hold a social in the Liberty Band hall to-morrow evening.

J. W. Gardner, teacher in the Susquehanna school, has resigned his position and accepted a position as teacher in the High school at St. Mary's, Elkwood, Pa.

The M. E. Sunday school will observe Rally Day Sunday morning.

The congregation of the Church of God are satisfied with the return of their pastor, the Rev. O. M. Kraybill, and a reception will be held for him at the home of Mrs. O. M. Kraybill.

Middletown is getting busy in the Liberty Bond Loan Campaign and the Liberty Loan Committee.

Insurance adjusters and officials of the John Hoffer Flouring Mill company are busy settling up the accounts of the late fire.

Presbyterian activities Preparatory services will be held at the First Presbyterian Church this evening at 8 o'clock.

Dr. Ferdinand King, New York, and Medical Author.

EVERY WOMAN EVERY MOTHER EVERY DAUGHTER NEEDS IRON AT TIMES

To put strength into her nerves and color into her cheeks.

Advertisement for Dr. Ferdinand King's Nuxated Iron, describing its benefits for women's health.

STEELTON RED CROSS IS DOING ITS SHARE

That Steelton is doing her bit in this war through the medium of the Red Cross Chapter, is shown in the report of the eight months' work of the Chapter made by Mrs. Quincy Bent, chairman, at the annual meeting in the headquarters in Harrisburg street, last night.

Many residents of Steelton who have not been in immediate touch with those active in Red Cross work are unable to appreciate the important part this borough has taken in supplying Red Cross materials and finances since its organization.

Re-Elect Officers The chapter is in good financial standing. Reports of Mrs. R. M. Rutherford, treasurer of the chapter, were made. The results of the election of officers at the meeting Wednesday afternoon were announced last night as follows:

Chairman, Mrs. Quincy Bent; vice-chairman, Mrs. Charles Alden; secretary, Mrs. E. M. Rutherford; executive committee, Mrs. Marion Hill, Mrs. R. V. McKay, Mrs. E. R. Whipple, Mrs. F. D. Dwyer, Mrs. John Bethel, Mrs. William H. Nell, Mrs. Frank A. Robbins and Mrs. W. E. Chick.

The annual report of Mrs. Bent chairman of the chapter, reads as follows: "On February 16, a small number of women gathered in the parish house to listen to three earnest workers of the Harrisburg chapter of the American Red Cross tell of the great opportunity offered us through this society for the relief of the suffering and distressed, both civil and military."

"So inspired were we who heard this, that it was decided that very day to organize a chapter in Steelton and so on the following week we began work."

"At first it was decided to make surgical dressings and hospital supplies, but on receiving a notification from Washington of the urgent need of garments, we bent our energies to this work."

Campaign Brings Results "The vestry of Trinity Church most generously offered us the use of the parish house and there we held our meetings until May 4. On April 11 the membership campaign was inaugurated with a splendid response, as you all know, and increased our membership to over 4,000. More workers came and their enthusiasm and support encouraged us to open the rooms for two days a week, but even this did not seem sufficient and we began to realize that to conduct the various departments properly, we must have more space. When the Bethlehem Steel Company offered us the pres-

ent headquarters at 112 Harrisburg street, a much felt need was filled and on May 4 we moved here. "Rooms Open Three Days "Since we have been here, the work has grown steadily and our membership increased. The rooms are open now three days a week and lunch is served on two of these. When I tell you in what we have shipped 2,748 articles, consisting of 1,692 bandages, 365 pairs of pajamas, 57 bath robes, 44 pairs of bed socks, 36 hot water bottles, 192 surgical shirts and have given to every man who has left the territory within the jurisdiction of this chapter and has been accepted in the United States Army, a comfort kit, totaling 182, and that on August 22 an order came from Washington for 2,000 knit articles, of which, since that date, we have shipped 412, and have in work at the present 655 more—that the value of raw material on hand to October 1, is \$2,373.32—that our expenses have been \$61.98—that we have spent in supplies \$3,434.69, I think you will agree with me that the women of Steelton are doing their part to alleviate the sufferings and help win this great war."

"On August 22 an auxiliary was formed at Highspire and these faithful women since that date have completed 48 pair of pajamas, 25 comfort kits and have in work 48 knit articles."

Need More Workers "But even with all this splendid spirit and accomplishment, we are not satisfied. We want more workers, and still more workers and their workers, for the need is so great, so urgent, that it will take the support and effort of every man and woman in Steelton to even in a measure, meet the demand, and until we have the active interest and support of every person living in and about this borough, do not let us rest."

"For I can assure you that I know that those who do not take an interest, do not do so because they have not known the need. We have lived in a place where I have met with greater and more ready sympathy and unselfish desire to do their part than in this community of Steelton."

Good Financing "The gross receipts of the chapter since its organization to October 1, were \$8,827.85. Of this amount \$6,626 was retained and \$2,191 was remitted to the National Red Cross treasury in Washington. During the campaign to raise the allotment for the Red Cross hundred million dollar fund, \$28,495.11 was subscribed. Of this amount \$10,627.75 was pledged. Up to October 1 the amount of pledges which are yet unpaid amounted to \$2,277."

OWNER CLAIMS TEAM A man named Fremman, residing at Paxton, last night claimed the horse and wagon that was found Tuesday night in the East End by Patrolman Behman, of the borough police force. The man was given the outfit after paying the cost of storage.

TO ELECT OFFICERS The Croatian sokol in session Sunday afternoon at 2 o'clock will hold its annual election of officers.

HOPE KILLED IN BATTLE Word was received by Mrs. Robert Word, of Cottage Hill, residing at 349 Spruce street, that her brother-in-law, David Hope, of the Cameron Highlanders of the British Army, was killed in a battle in the Ypres region on September 19. Mrs. Hope is a daughter of W. E. Abernethy, general manager of the Steelton Store Company, and vice-president of the Steelton National Bank.

Dr. Bender Talks on Church in Early Times

A large and appreciative audience heard a masterly exposition upon the position of the early church, immediately following the Apostles, by the Rev. Dr. Henry R. Bender, pastor of Ridge Avenue Methodist Episcopal Church, last night. Dr. Bender is a deep student of the period which he discussed in his lecture, which was a sequel to "The Bible, the Devil, or 'The Conflict of the Prophets and Early Christianity With Satan, the Devil and Demons.'"

"Fingy" Conners Picked to Be a U. S. General

Washington, Oct. 12.—William J. Conners, of Buffalo, probably will be put in charge of unloading American troops and supplies at the port of New York. The War Department, it was learned last night, is considering naming him as director of the port of New York to supervise the work of three regiments of stevedores and longshoremen now being organized.

Mr. Conners is popularly known as "Fingy" Conners, formerly New York Democratic national committeeman, and identified with Buffalo shipping circles. He has offered his services, and probably will be appointed a brigadier general.

PREPARATORY SERVICES Services preparatory to communion on Sunday will be held in St. John's Lutheran Church this evening at 7.45 o'clock.

OBERLIN

The thirty-eighth annual convention of the Woman's Home and Foreign Missionary Society of the Lutheran East Pennsylvania Synod, in session this week in the Seventh Street Lutheran Church, Lebanon, is attended by Mrs. D. E. Ruple and Mrs. Samuel Wilson as delegates from the Missionary Society of Salem Lutheran Church.

Bessie, the 2-year-old daughter of Mr. and Mrs. Isaac Folk, was stricken with a spasms on Tuesday evening and hurried to a physician's office, where she died. The funeral will be held on Saturday afternoon at 2 o'clock from the home of her parents. The burial will be in Oberlin Cemetery, conducted by the Rev. Daniel E. Ruple.

The Woman's Home and Foreign Missionary Society of Nerdig U. B. Church met at the home of Mr. and Mrs. Samuel August last evening and transacted special business.

David Kemmerer, a student in the theological department of Susquehanna University, Selinsgrove, spent the weekend with his grandmother, Mrs. Peter Kemmerer, who has been seriously ill.

Mr. and Mrs. William Wise, daughters, Josephine and Jeannette, are spending several days in New York City.

Ray Campbell purchased a home in Bressler and moved his family there on Wednesday.

Miss Lizzie Eshenour, of Washington, D. C., and Mrs. William Myers, of Harrisburg, visited among relatives this week.

NEW WAR TRUCK IS COMING HERE

Police Asked to Furnish a Guard For Wonderful New Machines

A heavy motor truck, the completion of which has been characterized by War Department officials as second in importance only to the production of the Liberty aviation motor, will arrive in this city at about 4.30 o'clock this afternoon and will remain here, in Market Square, overnight.

The truck which was constructed at a factory in Rochester, N. Y., is on its way to Washington, where it will undergo a critical inspection by experts connected with the War Department.

So important does the Government consider the safe-conduct of the big truck that the Harrisburg police department has been advised of the exact hour the truck may be expected, and a police guard has been requested for the machine while it is in this city.

The telegram received by the city officials says that the heavy-duty truck will arrive in Harrisburg this afternoon at 4.30, coming from Williamsport, through Dauphin. If the truck is delayed, the authorities here will be notified by wire. The truck is in charge of Allen Sinzheimer, of the Quartermasters' Corps of the National Army.

Standardized Two of the machines have been constructed, one at Rochester, N. Y., and the other at Lima, Pa. Experts claim that the cars are capable of transporting five tons. Some weeks ago fifty expert engineers were called into consultation at Washington and

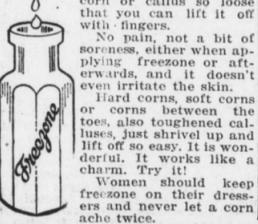

A noted Cincinnati authority discovered, a new ether compound and called it freezeone and it now can be had in little bottles for a few cents from any drug store.

You simply apply a few drops of freezeone upon a tender corn or painful callous and instantly the soreness disappears, then shortly you will find the corn or callus so loose that you can lift it off with fingers.

No pain, not a bit of soreness, either when applying freezeone or afterwards, and it doesn't even irritate the skin.

Hard corns, soft corns or corns between the toes, also toughened calluses, just shrivel up and lift off so easy. It is wonderful. It works like a charm. Try it!

Women should keep freezeone on their dressers and never let a corn ache twice.

The new truck is the result of their efforts. More than 200 draughtsmen assisted in preparing the plans.

A standardized truck for use in France assumes an importance of the greatest possible moment. Parts for the truck will be manufactured in sixty factories. With a standardized truck, the service depots in the field

will be required to keep less than 7,500 parts. The importance of this statement may be realized from the fact that the allied forces at this time are required to have on hand more than 2,000,000 parts to accommodate the various makes of trucks now in use. Ten thousand trucks of the new design already have been ordered.

FORMER RESIDENT TO MARRY Mr. and Mrs. Frank Delbert Carney, formerly of Steelton, now living at Bethlehem, announce the engagement of their daughter, Miss Louise Carney, to Jacob Stair, Jr., of York. Mr. Stair is now serving in the United States Navy.

Let's Think a Little About CHRISTMAS, It's Almost Here

You may think it's a little soon, perhaps, but there's an advantage in an early start. It will not be long until you will have "to put on your thinking cap" and solve the complex and ever perplexing problem of gifts. Why not begin now and take your time in looking around and in considering such matters?

It's not a bit too soon to study or prepare. We thought of Christmas months ago and made extraordinary preparations. First of all, we knew that prices were bound to go up and up and that merchandise was getting scarce and harder to get day after day—so we bought early and extensively when prices were very much lower than at present. We SAVED our customers THOUSANDS OF DOLLARS, because we can sell in accordance with what we paid then, which is away below what others had to pay for the same goods later on.

Owing to our foresight you will find a big difference in your favor in prices here than elsewhere. You will find your dollar will buy about as much here now as a year ago—which is unusual when world-wide conditions are considered.

Then again you will find an abundance of everything—wonderful assortments of new and exclusive goods—the choice of the best to be had anywhere. There's no scrimping in quantity or quality.

Act on our suggestion—think a little about Christmas. Come in row and see these beautiful new goods. Compare qualities and prices—get posted—so when you are ready to buy you can appreciate what Cluster has done to please you and to save you money.

Own a Beautiful Large White Sparkling Diamond For Christmas

All you have to do is to make up your mind that you want it. We have worked out a wonderfully successful plan which will enable any one to OWN a beautiful, large, white sparkling DIAMOND for Christmas. Come in at once and make your selection. We'll tell you all about our proposition. You will be delighted. You will be the owner of a diamond that will be a source of pride and satisfaction as long as you live. Don't hesitate. Come at once if you want to get the full advantage of our liberal offer.
