ASK INSURANCE RATE REDUCTION

Carlisle Council and Chamber of Commerce Claim Consideration For Improvements

Carlisle, Pa., Oct. 15.—Carlisle borough council has started a move in conjunction with the Carlisle Chamber of Commerce to have the fire insurance rates here reduced as the first tangible effect to the purchase of four motor firetrucks within the past three years. The contemplated purchase of a new motor truck, for which a \$10,000 bond issue is asked, is now before the voters.

The plan for a reduction in the rate calls for regular fireproof inspection, a demonstration of the speed with which the motor apparatus can respond to a call and the presentation of figures showing that the town has not had a serious fire in five years.

LOOK AT CHILD'S TONGUE IF SICK, CROSS, FEVERISH

Hurry, Mother! Remove poisons from little stomach, liver, bowels.

Give "California Syrup of Figs" at once if bilious or constipated.

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad, has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of the little bowels without griping and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. What Doctors Prescribe For Indigestion

Physicians who have specialized in the treatment of stomach troubles are naturally in a position to judge intelligently as to the best thing to use. It is therefore of vital interest to those who suffer from indigestion, gastritis, dyspepsia, pain after eating, heartburn, etc., to learn that physicians who have devoted their lives to the alleviation of human suffering are more and more instructing these sufferers to get a package of Bi-neia from the druggist and take a teaspoonful in a little hot water immediately after eating or whenever pain is felt. Doctors who prescribe Bi-neia, do so because they know it gives immediate relief in nearly every instance—because it is not a secret remedy, for the formula is printed on the label, and last, but not least—because it is obtainable at all druggists, and every package contains a binding guarantee of satisfaction or money back. In view of the quick and lasting relief obtained in nearly every case it falls to those who are suffering from dyspepsia, indigestion and stomach troubles generally are strongly advised to get a package of Bi-neia from their nearest druggist and begin its use without delay.—Advertisement.

ACTION TO PLACE NAME ON BALLOT

Mandamus Filed in Cumberland to Compel Commissioners to Include Wertz

Carlisle, Pa., Oct. 15.—A mandamus action was filed late Saturday afternoon against the Board of County Commissioners by attorneys for Israel C. Wertz, of Shiremans-town, who claims that the officials refuse to put his name on the ballot for a two-year term as poor director.

The question will be rushed to an early decision, as the ballots for the November election are yet to be prepared. The Commissioners take the stand that the county Chairman failed to certify that any men were to be elected for such a term and that, consequently, they are not bound by law to print the name.

W. S. Burns, of Enola, a Republican, was elected to the post in 1915 to serve four years. He resigned and Joseph Miller, of Harrisburg, was appointed to fill the unexpired term. Friends of Wertz, who is the Democratic nominee, hold that this is unconstitutional and that the next year, was to run only until the next election and others that it was until the expiration of the term. In the primaries the name of Wertz was put in nomination by writing his name on the ballot. J. Morris Miller, the present incumbent, and making plans for the winter's work. Guy A. Yeager, organizer of County Adult Bible classes, will have charge of the meeting.

Colestock, founder of the Colestock Old People's Home, who is in his ninety-fourth year. This is his ninety-fourth consecutive annual conference session which the veteran preacher has attended and, in his remarks, he recounted some of his experiences principal among which was his recent visit to the centennial anniversary session of the East Ohio Conference, which he joined when he entered the ministry in 1844. TAX SHORTAGE AT MARYSVILLE

Company Bonding Collector Smeltzer Prefers Charges and He Will Be Heard

West Fairview, Oct. 15.—New light is being thrown on the shortage in the tax collections in this borough. It is understood that William Smeltzer, former tax collector, will be given a hearing at the office of Justice of the Peace A. B. Hoke this evening on a charge preferred by his bonding company. It is said that this is a preliminary hearing prior to court.

According to a borough official today, council has secured a duplicate of the tax collections and the former tax collector is charged up with the duplicate less what he paid into the borough treasury and his five per cent. commission. This official said that, as far as could be learned, the borough's amount was about \$500 short. A school director said this morning that the school tax shortage was \$747.62. In telling how the trouble came about, this official said that the date for the tax collections to be settled between the board and the tax collector was June 1. On that date the board was notified by the collector that he was unable to make a settlement and he was given until June 15.

When he did not appear on that date the bonding company was notified by the board and immediate action followed. It was rumored about town to-day that the bonding company will issue notice to all taxpayers to report at a certain place and show their receipts. No information could be obtained regarding this.

West Fairview School Improvement Delayed

West Fairview, Pa., Oct. 15.—Improvements and additions to the local school building may not be possible for a year. Directors say that the board at a meeting several months ago authorized that the matter be advertised, but the matter had been overlooked. Just what action will be taken is not known.
