Endeavors to Meet—Christian Endeavorers of Centenary United Brethren Church will meet in the church to-morrow evening at 7 o'clock prior to going to a rally in the Derry Street United Brethren Church, Harrisburg.

Constipation Makes Baby Uncomfortable

When its tender little organs are clogged up with a congestion of stomach waste in the bowels, baby is a mighty uncomfortable morsel of humanity, and reflects its discomfort in its disposition. Mother who will give it a tiny dose of a mild laxative, such as Dr. Caldwell's Syrup Pepsin, the congestion will quickly loosen and be expelled, and her child be normal and happy once more.
 Dr. Caldwell's Syrup Pepsin is especially desirable for children, because it contains no opiate or narcotic drug, being a combination of simple laxative herbs with pepsin, milk and gentle in action, positive in effect, and very palatable. Children like it and take it readily. Druggists sell Dr. Caldwell's Syrup Pepsin for fifty cents a bottle. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 435 Washington St., Monticello, Illinois.

Be as Healthy as a Bee

To be active is to be healthy. Keep your sluggish system active with

Red Cloverine Pills

Cleanse the system, relieve sick headache, biliousness, torpid liver, constipation, dyspepsia and indigestion.
 In the handy little box. 10c. and 25c.
 THE WILSON CHEMICAL CO., Tyrone, Pa.

Children Just Love Coconut Oil Shampoos

Nothing is quite so good for their hair and scalp as its white, creamy cleansing that keeps it in perfect condition—fine, glossy, free from dandruff, dirt and itchy. Don't neglect your child's hair shampoo it frequently with

Wiley's Coconut Oil Shampoo

The only kind that will not dry out the natural oils of the hair, no matter how often you use it. Care devoted to the children's hair means beautiful, thick, healthy hair when older.

Sterling Features of The Sterling

Just like magic—yet there's no magic about it. But there is this: a efficient electric dandruff wringer and the result is that the washing is done quickly and perfectly.
 The "Sterling" is a modern necessity to the health and happiness of every housewife. It is the druggery from tired shoulders and "washday" is no longer dreaded.
 The "Sterling" cleans and saves clothes.

NEWS OF STEELTON KITS MADE BY LOCAL RED CROSS BRING MUCH CHEER TO BOYS

Local Soldiers in France Write to Steelton Chapter Telling How Much They Appreciate Their Kits and Contents Especially the Pipes and Tobacco

The bit of joy which the comfort kits sent to France by the Steelton Red Cross Chapter bring to the local boys is expressed by the boys in a letter to the local chapter read at a meeting of the chapter this afternoon.
 Carl and Leroy Shelley and Francis Beldeil with the American expeditionary "somewhere in France," wrote members of the local chapter expressing their thanks and appreciation for the kits.
 According to the boys the kits received from the local organization were more complete than any in their camp.

Interesting Letter
 The letter in full follows:
 "My Dear Ladies:
 "To-day we received our first packages from the states and among them we find the comfort kits which you sent us. They were forwarded to us from our concentration camp and thus the delay in our receiving them.
 "We are very grateful to you for your kind remembrance and feel that these few lines will not adequately express our gratitude. The kits are ideal, being complete in every detail that adds to a soldier's comfort. We have seen many kits sent by various Red Cross Chapters to the men in our camp.
 "We can state without exaggeration that ours are the most complete and are envied by the boys. When we opened our kits naturally the boys gathered around and the first thing they

spied was the real American Tobacco. Should the diction of this letter seem peculiar at times you can blame it on intoxicating fumes emitted from our pipes.
 Although it has been but four hours since we received the pipes they are already broken in. Of course conditions existing here are much different from those in the states, but the strict censorship prohibits our relating many interesting and exciting experiences which we have encountered. Out-of-door life which seems to be the one great privilege of a soldier is agreeing with us.
 "All of us are in the very best of health. Our friends, Poorback and Snoko, wish to send their hearty thanks and appreciation. They consider themselves not only fortunate to be in the front but also highly honored in receiving kits from the Steelton Red Cross Chapter. The branch of service in which we are enlisted is very closely allied with the American Red Cross, and we are in a position to appreciate the great service it lends to the soldiers and humanity at large. We hope that the people of Steelton will in the future give you the co-operation that they have in the past.
 "Our time as well as the amount of our correspondence is limited. Letters are more precious than gold. We would be more than delighted to hear from any of the people of Steelton from time to time.
 "With our best wishes to your organization and to the people of Steelton, we remain her sons.

Will Ask Merchants to Back Guard Move
 A committee from the Municipal League will meet with the Steelton Businessmen's Association in monthly session to-morrow night in regards to the organization of a company of home guards. The co-operation of the Businessmen's Association will be asked by the committee and if the association decides to assist in the project, a joint meeting of the league and association will be held. This meeting will probably be held on the regular meeting night of the league, October 25.

FIRST CIVIC CLUB MEETING TO-MORROW
 The first meeting of the Civic Club this season will be held to-morrow afternoon at 2:30 o'clock in the Trinity Parish House. Some new lines of work to be taken up by the club this season will be presented by the Executive Committee. Prof. L. E. McGinness of the public schools will deliver an address on the subject of "The Relation of Civic Organizations to the Public Schools."

CHROATIAN SOKOL ELECTS OFFICERS AT MEETING
 At a meeting of the Croatian Sokol yesterday afternoon the following officers were elected: President, M. J. Horvath; vice-president, S. Rujevan; recording secretary, John Shiprack; secretary, Nicholas Poljak. Members of the house committee appointed are: A. Serbic, M. Matusevac, M. Garse.

MIDDLETOWN

Robbers Enter Four Homes in Borough
 Robbers entered four homes in the borough last night and got away with small sums of money. They entered the home of Postmaster J. A. Kramer, through a window, taking a gold watch and a few dollars. At the home of Edward Scholl they forced a window and secured a small sum of money.
 The thieves were foiled when they attempted to rob the home of the Rev. James Cunningham, of the Methodist Church. They gained entrance through a window, but the minister frightened them away. They next went to the home of Harry Etter, Pine street, where they forced their way through a rear window and went up to the bedroom, securing a small sum of money.
 Local authorities are investigating.

John Groups, Harry Adherolt, Leander Slack, Leroy Baumbach, Edward Stipe, William Lemon, Clarence Phillips, Park Leiby, Ammon Heverling, John Kope, Edward Conrad, Grant Ely and Captain Ralph Satter, all recruits of Uncle Sam and stationed at Camp Menade, Md., spent Sunday with friends.
 James Weirich and Nelson Weirich, two of Uncle Sam's recruits and stationed at Gettysburg, spent Sunday in town.
 The Rally Day exercises of the St. Peter's Lutheran Sunday school, U. B. Church Sunday school, the Church of God and M. E. Sunday schools were largely attended yesterday morning and afternoon.
 The social held by the members of the High school and held in the markethouse Saturday evening proved a success. The Liberty band furnished the music for the evening.
 William McDade, of Wilmlington, Del., is spending a few days here.
 George Zenger, an employe of the Car Works, had his right thumb mangled on Saturday morning when it was caught between two iron girders.

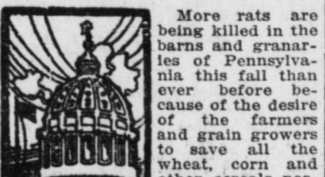

The Rev. James Cunningham will spend several days in Philadelphia this week.

SHOULD MAKE A MILLION FOR HIM

Cincinnati man discovers drug that loosens corns so they lift out.
 Local druggists are having a tremendous call for freestone the drug which is said to shrivel a corn, root and all, without any pain.
 A few drops applied directly upon a tender, aching corn relieves the soreness at once, and shortly the entire corn, root and all, lifts right out with the fingers.
 This new drug, being dispensed at small cost in quarter ounce bottles, which is sufficient to take off very hard or soft corn from one's feet. It is a sticky substance which dries at once, and does not inflame or even irritate the surrounding tissue or skin. There is no excuse for anyone inviting death by infection or lockjaw from cutting their corns now.—Adv.

RAT CRUSADE IS WELL UNDER WAY

Hundreds of Rodents Being Killed in Order to Save the Farmers' Grain Crops

More rats are being killed in the barns and granaries of Pennsylvania this fall than ever before because of the desire for the state to protect the farmers and grain growers to save all the wheat, corn and other cereals possible while it is in their hands. Some weeks ago men connected with the Department of Agriculture began to notice an increase in the number of inquiries being made by farmers as to the best means of getting rid of rats in barns. Many of the letters indicating that dogs and cats and time-honored traps were too slow in the present emergency. Numerous traps and baits have been made in the state laboratories and it is hoped by the suggestions given to save thousands of dollars worth of rodent-infested grain annually destroyed or ruined by rats and mice.
 Coincidentally, a series of experiments is about being completed by national and state agricultural experts to determine new methods to exterminate the moth and other pests that infest wheat while in the fields and in the barns. Some of these have been tried out on farms near Harrisburg and Philadelphia and all over the state late sowing has been adopted to minimize danger from wheat flies.
 After the tollgates—Negotiations are under way in five eastern counties and may be started in one western county soon for the freeing of toll roads by the state and the counties. In other counties steps have been inaugurated to find out what it will cost to abolish tollgates. A general plan for systematic freeing of toll roads with state aid will probably be considered this winter when information about the various turnpikes is in hand. In a number of instances complaints have been filed with the Public Service Commission regarding manner in which toll roads are maintained in Lancaster, York and Bucks counties.
 To Represent State—Commissioner of Health Dixon has named Dr. Willer R. Dietl, state registrar, and C. A. Emerson, chief engineer, to represent his department at the meetings of the American Public Health Association. Dr. Dietl will take part in the meetings of the section on vital statistics and Mr. Emerson in that on sanitation.
 Bear Hunting—The state bear hunting season opens to-day and will run until the middle of December. Under the new game code the kill is limited to one bear for each hunter or three to a camp.
 Public Service—The Public Service Commission met to-day for arguments and will have an executive session to-morrow, hearings being resumed in this city with a sitting in Philadelphia for the Springfield water cases on Friday of this day.
 May Readvertise—Highway Commissioner O'Neil will decide this week whether to readvertise for bids for some of the bridges at which bids were received in figures too high last week and for those for which no bids were received at all. Action will also be taken regarding bids for highway construction, which are being studied.
 More Eggs Stored—Figures issued by the State Department of Agriculture's Dairy and Poultry Bureau as a result of a compilation of reports of seventy cold storage warehouses made as of September 1, 1917, show 367,292 dozen eggs in storage, considerably more than at the same time last year. 764,405 pounds of eggs out of shell, 1,452,822 pounds of poultry; 4,000,653 pounds of fish; 226,391 pounds of whole carcasses of beef; 171,263 pounds of whole hog carcasses; 1,596,152 pounds of parts of beef; 1,610,502 pounds of pork in parts, and 3,935 pounds of game.
 State's Motor Vehicle—Issued by the State Highway Department shows one motor vehicle for each twenty-seven inhabitants of Pennsylvania and seven motor vehicles for every square mile of public road in the state registered at the Capitol. Receipts from automobile and truck and similar licenses from January 1 to September 30 were \$3,204,606.
 Working Overtime—State Registrar Brusstar is working overtime nights these days on requests for new automobile licenses. Not only has the division to keep up with the constant flow of applications for new licenses, but the demand for such has started. Day and night are commencing to run together to keep our mail up," says the Registrar.
 Governor Returns—Governor Brumbaugh, who addressed Bucktails' reunion at McElihan was the guest of Col. Henry W. Shoemaker. "It was a great occasion and a delightful place," remarked the Governor.
 In Good Shape—Insurance Commissioner Ambler remarks that things are going quietly in his department. "Denny left things in good shape and I'm trying to keep them so," is the way the Commissioner put it.
 To Leave Wednesday—Chairman Ainey, of the Public Service Commission, will leave Wednesday for Washington with the officials of the Commission to attend the meetings of American Railway Commissioners.
 In Due Season—Adjutant General Berry said to-day that an announcement regarding the Reserve Militia would be made in due season.
 O'Neil Discusses Roads—Highway Commissioner O'Neil to-day discussed road improvements and borough work with a number of committees. He expects progress in Eastang and Penbrook this winter.
 Lucas Leaves Hill—John Lucas, of Mt. Airy, filing clerk in the Gov-

ernor's office since Dr. Brumbaugh became Governor, resigned to-day to become an inspector at the Harrisburg Pipe and Pipe Bending Works. Mr. Lucas, who enjoys a wide acquaintance throughout the state, has many friends in Harrisburg.
 Buckman Presides—President Pro-

Tom Buckman, of the Senate was toastmaster at Buck county's meeting to boom abolition of toll roads.
 "Well Satisfied"—Auditor General Snyder appears to be content with the way the state's financial affairs are going. "We have had a tremendous lot of work to do, but I am well

satisfied with the way it has been done. The results will speak for themselves without a brass band," said he.
 May Name Tomorrow—The commissioners to take the soldiers votes may be named to-morrow by Governor Brumbaugh.

FOOT CRUSHED
 Ralph Partomors, Highsprin, a bloom foreman at the Bethlehem Steel Works, was caught between two heavy steel castings yesterday afternoon, and sustained a crushed right foot and leg. He was taken to the Harrisburg Hospital for treatment.

You Lost a Suit---

Today—but don't worry you'll sell me "a suit" when I come back. I wanted to wear it on my trip but you were too busy Saturday, I couldn't get waited on—I'll be back in about two weeks and I won't buy anywhere but Doutrichs—One of our salesmen was told this interesting story on the way home Saturday night after the busiest selling day this "Live Store" has ever experienced.

Where does all this increased business come from? it's mighty hard for us to calculate, for it's almost unbelievable to see how this "Live Store" is growing—every department is having their full proportion of the immense business that is pouring in.

Our clothing department can boast of carrying a stock as large as any three stores in central Pennsylvania that alone gives us every style and fabric advantage as well as large purchasing power which keeps the prices lower, these are great factors in building business—but most people come HERE because of the square-dealing and honest representation—Then, too, we sell

Kuppenheimer Clothes

From the very moment we opened our "Hat Department" it was counted a success—There's been no slacking interest, it keeps right on growing—we're going to sell twice as many "Velour Hats" this fall as we had anticipated—There must be a reason—
 You've never looked at as large a stock of "sweaters" in any store "anywhere" as are to be seen HERE—Think of a stock of Sweaters aggregating almost twenty-five thousand dollars—do you wonder why we sell so many?

"Manhattan Shirts" "Stetson Hats"

Doutrichs
