

NEARBY TOWNS TAKE A FLYING START ON LOAN

Raise \$427,650 For Second Issue; Farming Districts Coming Strong

Mechanicsburg	\$82,900
McAllisterville	2,500
Port Royal	4,300
Carlisle	132,500
Cumberland county outside of Carlisle	123,000
Elizabethville	2,300
Newville	50,000
Richfield	1,000
Scriffield township, Juniata	150
Millerstown	9,000
Total	\$427,650

Returns from the district outside Harrisburg have commenced to arrive at Liberty Loan headquarters. While the real intense campaign in the district will not begin until next Monday, many of the committee heads and members have taken a flying start, as the returns will show.

But although the districts named above show a total of nearly half a million dollars the figure is less than a fifth of what must be subscribed if Dauphin, Cumberland, Perry and Juniata counties sell the bonds allotted to them by the Philadelphia district heads.

Affairs in the county districts are in very fine shape. There is far more enthusiasm this time by far than during the first Liberty Loan campaign. This is particularly true of the farming districts, where, several months ago, the farmers were in the midst of their planting campaign and had no time for Liberty Loan campaigns. With planting and crops off their minds they are now at liberty and are considering Liberty bonds.

Donald McCormick and E. R. Miller, in charge of the county districts, are highly pleased with the situation.

The County Commissioners to-day toured the upper end of the county to complete an inspection of all the bridges.

R. Dodge of Cleveland, in connection with the calling of a strike at the Enola yards last July, became known yesterday. The board found Dodge guilty on four out of five specific charges preferred by Murdock, found that Dodge's action was injudicious rather than a willful violation of any laws or principles of the Brotherhood and unanimously agreed to censure Dodge.

German Socialists to Vote Against War Loan Unless Michaelis Goes

Amsterdam, Oct. 17.—A German Socialist newspaper says the Socialists have supported the German Government's credit of 10,000,000,000 marks which is to be submitted to the Reichstag in December unless Chancellor Michaelis resigns. Except for the Independent Socialists, represented in the Reichstag by about 20 deputies who broke away from the party last year the Socialists have supported the German Government throughout the war and voted for the war credits. Defection of the entire Socialist body in the Reichstag would represent a serious division inasmuch as the Social Democrats and the Independent Socialists combined have 108 seats, a greater number than any other party.

Proves Itself Master Of This Painful Disease.

Halfway treatment of Rheumatism will never rid you of it. Better realize from the outset that when Rheumatism attacks, you have a real battle on your hands, and that it's a man's job to get rid of it.

Temporizing with Rheumatism by the use of liniments, lotions and other external methods of treatment, is like trying to coax an enemy to let up in his attacks, and permit you to conquer him without resistance.

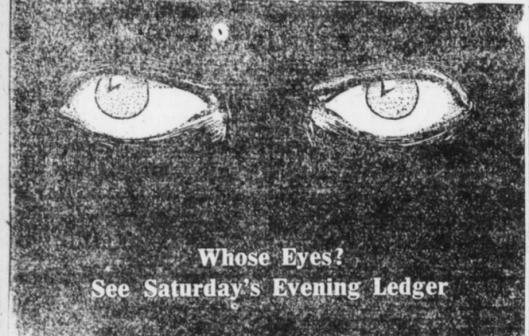

But you soon learn that Rheumatism will not treat you with this consideration: The tiny little germs flock together by the millions and center their attack with undivided force. The effects of the disease are gradual in taking hold on the system. In fact, the pains are only slight at first and do not attract your serious attention, but they gradually increase in severity until your entire system is firmly within the grip of the disease. It is then that you have a real fight on your hands for you will find that Rheumatism is a foe that knows just how to cripple you. The pains that were hard-ly noticeable at first, become your constant companions and seem to take delight in your suffering.

Of course, if this painful disease was on the surface only, you might reasonably expect to get relief by the use of surface remedies, such as liniments and other local applications. But the source of the diseases is your blood, the tiny disease germs find lodgment there and multiply by the millions and scatter, by means of the blood

An unhealthy body, and the unhappiness and misery which follow, may be prevented by ordinary judgment and care. Keep your stomach and kidneys in shape and you will have good health. Diseased conditions of the bladder or kidneys are indicated by nervousness, sleeplessness, that tired, worn-out feeling, dizziness, nausea, backache, lumbago, rheumatism, pain in the lower abdomen, many so-called "female troubles," severe pain and discomfort when urinating, bloody, cloudy and often from the ureters or suppressed passages. All these are nature's signals to warn you of diseased kidneys. If you neglect them, they may lead to fatal Bright's disease. Go to your druggist at once and get a trial box of GOLD MEDAL Haarlem Oil. The capsules each day will keep you toned up and feeling fine. Money refunded if they do not help you.
