BOY SCOUTS AND CAMP FIRE GIRLS ON HIKE

Go to Spooky Hollow, Where They Enjoy Fudge, Marshmallows and Peanuts

Troop 11 and twelve Camp Fire Girls headed by Miss Anna Murray enjoyed a hike to Spooky Hollow last Thursday evening.

Troop 11 was well represented and Mr. Manser headed the boys. We left Market Square at 7:15 o'clock, walked out Market street to Eighteenth, where the Hill contingent of boys was waiting.

The party stopped at the spot long enough to toast marshmallows and eat peanuts and marshmallows for home by way of Penbrook and arrived in Harrisburg at 11:15 o'clock.

The scouts were dismissed and all returned to their respective homes. Those present of the Girl Scouts were: Miss Susan Moltz, Miss Esther Wheeler, Miss Nellie Ard, Miss Martha Goodyear, Miss Elizabeth Murray, Miss Helen Hawes, Miss Grace Robinson, Miss Miriam Ulrich, Miss Ethlyn McClosky, Miss Martha Moltz, Miss Frances Canon, Miss Cordelia Morzan. The Girl Scouts were the guests of Troop 11.

At the meeting of Troop 11, Friday, October 12, several things worth mentioning took place. A football team was organized and Scout Charles Crist was elected captain. Scout Ted Wagner was elected football manager for this season. A Halloween party was discussed but the details will be arranged later. All business concerning football challenges will be handled by Scout Ted Wagner.

SCOUT SCRIBE. TROOP 11 All scouts are urged to be present at meetings every Friday night at 7:15 o'clock. The meetings are full of interest and each and every scout of this troop should be present.

CHARLES CRIST, Troop Scribe, Troop 11.

Troop 8 Finds Bulletin Board Idea Is Good Two of Troop 8 second class Scouts have won honors in the first Liberty Loan Campaign. These Scouts are Benjamin Zarker and James Brooks.

SCOUTING NOTES

By J. H. STINE, Scout Executive. Headquarters would like to know how many boys are studying the Scout handbook regularly and thoroughly. There is a great deal of scoutcraft contained in the little book with the red covers and any boy who makes a consistent effort to master the different branches will soon become an able scout.

Troop 8 Finds Bulletin Board Idea Is Good Two of Troop 8 second class Scouts have won honors in the first Liberty Loan Campaign. These Scouts are Benjamin Zarker and James Brooks.

At recent meetings various elimination contests have been held in preparation for "Field Day." These contests resulted in many spirited battles for supremacy. Taking the hint given by Troop 20, it was decided to place a bulletin board in the meeting room where notices will be posted in the future. R. POSTER SHADER, Acting Scribe.

WANTS TROOP AT MEETING

Every Member of 7 Urged to Attend Ceremonies Tonight

On account of a musical held at Harris and Susquehanna streets at troop headquarters, Troop 7 will take an active part in the exercises to be held at the Y. M. C. A. Hall in place of their regular meeting. The troop will assemble ready to leave the church at 6.40 p. m., so as to arrive at the hall promptly at 7 o'clock. They will appear in full uniform as far as possible. Every member of the troop should feel highly honored as there are three Scouts from this troop to receive medals. Every member present is the request of the scoutmaster.

A very instructive and pleasant hike was taken last Saturday at Landis Gap, by sixteen members in charge of scoutmaster and patrol leaders, Samuel Krebs and Paul Strine.

Very few chestnuts were found. Herbert Lambert found the largest one and he was afraid to try to share it for fear he would not get a taste himself. The weather was ideal and the fall color of the trees and wild flowers made it an enjoyable trip to all. When the top of the mountain was reached it did not take long for it to resemble a real picnic lunch scene. Of the twenty-five miles traveled, twelve were made by trolley. Several more hikes are planned for the next several weeks. SCOUT SCRIBE.

Boys Will Be Awarded War Bond Medals With High Honors Tonight

All boy scouts of Harrisburg are wanted at the Y. M. C. A., to-night, at 7 o'clock, sharp, to help in the ceremony of awarding War Service emblems to the seven boys who earned them in the last Liberty Loan Campaign.

The meeting begins at 7 sharp, which doesn't mean five minutes after 7. It is important to be on time, and, if possible, be in uniform. Fahnestock Hall, the large hall at the Y. M. C. A., is the place. Mayor Bowman expects to be there to talk to the boys and the Court of Honor and Council officers will also be on hand. There should be 400 or 500 Boy Scouts out to help make this a success.

Scouts! Attention!

How many troops would like to go on a general hike, in which every troop in Harrisburg would participate, a week from to-morrow, Saturday, October 27. It has been suggested by a scoutmaster that this would be an interesting stunt. The plan is to meet about 1 o'clock downtown and start not later than 1.15, hiking to Wildwood park where a series of Scout games would be played, and the afternoon spent in fun and frolic, the return home being about 5 o'clock.

All troops who vote for this should communicate Monday with local Headquarters by 5 o'clock so that details can be attended to. "A Scout is friendly. He is a friend to all and a brother to every other Scout." Let's go!

Scouts Are Shown Wrestling Tricks

Dr. Shepperd being unable to deliver his second talk on first aid to the injured, the scouts of Troop 19 were shown a few wrestling tricks and some holds by their new scoutmaster, G. M. Moffat, who took some honors in wrestling while attending State College. One of the scouts who was used for demonstration said he felt sort of on the blink after the evening was over.

Before the meeting last Friday night a short football practice was given the squad and several new foot formations were tried out to the satisfaction of Mr. Nebinger, the coach. In all probability a last practice will be held on the coming Saturday and the season opened in two weeks. All fellows who desire to play on the team must be present at all practices both signal and scrimmage.

Assistant Scoutmaster John Paul, of Grace Church, has been chosen to represent that church at the coming convention of older boys in connection with the Y. M. C. A. at Newark. Mr. Moffat having to be absent also, Mr. Rowe of the church will be in charge of the meeting. JOHN C. KOCH, Scout Scribe.

POULTRY WISE

That Thanksgiving turkeys are not as fine birds as are Christmas turkeys is a statement for which Good Housekeeping is responsible. The following quotation is from the October issue:

"Turkeys require a considerable degree of cold to develop proper texture. The Thanksgiving turkey is not a superior bird, its popularity to the contrary notwithstanding, because at Thanksgiving the weather has not been cold long enough to bring out its best qualities. The Christmas turkey is far superior. "The wise housekeeper will learn the various seasons for different kinds of birds. She will know, for instance, that the first squab chickens or baby broilers appear on the market about the last of March, and that the larger broilers come in during April and last through August. The frying chicken makes its appearance in July; the roasting chicken during August or September, and the capon is at its best during December, January and February. The fowl for soup or fricassee may be had at all seasons of the year, but is more costly at some times than others, and the same may be said of the old rooster. Ducks and geese are at their best during the cold weather."

Five Girls Farming at Penna. State College

State College, Pa., Oct. 19.—Five girls with back-to-the-land hankering, are studying scientific farming in the two-year agricultural course at the Pennsylvania State College. The war situation has nothing to do whatever in their choice of a profession. They simply wanted to learn how to feed chickens, hoe beans, milk cows and plow. Later they expect to use their knowledge in managing their own farms.

24 OCTOGENARIANS AVERAGE 1,955 YEARS

Stroudsburg, Pa.—Twenty-four Monroe County octogenarians had their annual reunion here, and with paper and pencils figured they had lived 1,955 years, an average of eighty-one and a half years.

And only one ascribed his prolonged years to abstemiousness. He is Emanuel Mosler, a mere youth of eighty-five, who had announced that he yet has to really know what tobacco is, for he never has smoked nor chewed it. After comparing notes about the last 85 days, they got down to business by electing these officers:

KNEELS BY HUSBAND AND SHOOTS HIM DEAD

Denver, Colo.—After kneeling at the bedside of her sleeping husband and breathing a prayer for his soul, Mrs. Patrick Henry Riley drew a revolver and shot him through the head at her home. He died three hours later. Mrs. Riley surrendered herself to the police.

"Riley" knelt beside his bed, poisoning her and he was going to murder me," Mrs. Riley is credited with saying in a statement made at police headquarters. "He told me he would. We were quarreling all the time because I reprimanded him for associating with other women."

"I knelt down beside his bed. He was asleep, facing the other way. I prayed. I did not want to shoot him. Everything became blank. I lifted the revolver and a shot rang out. I placed the revolver back in the drawer and walked across the street and gave myself up to the police. That is all I can tell now."

LONG CABLE ACROSS RIVER

Millersburg, Pa., Oct. 19.—Yesterday the Millersburg Light, Heat and Power Company completed stringing a 22,000-volt cable across the Susquehanna river from Halifax. Officials of the company say it is the longest span of its kind in the state. The cable is put up in two sections, one of 1,800 feet and the other 1,200 feet.

MISS STROUP BEST SPELLER

Blain, Pa., Oct. 19.—At a spelling contest held at Pine Grove School by William Hittinger, teacher, Miss Marie Stroup was best speller. There was a good attendance and the spelling was interesting.
