Uncle Sam Asks You to Buy
Liberty Bonds

THE flag you love—Old Glory—now so proudly flying over our boys in France, is the flag behind every Liberty Bond. You couldn't go with the "boys in khaki," but your son, your brother, your neighbor's boy, your son's chum—they are all going "over there." And with them goes "Old Glory"—the *Flag Behind Liberty Bonds*. Back "Old Glory" with your dollars—buy U. S. Government 4% Liberty Bonds NOW! Help the salesmen, Bankers and Business Men by placing your order immediately. Then get ten of your friends to do the same.

You probably bought a Liberty Bond, or several of them, when the First Liberty Loan was so splendidly over-subscribed. You took a few of your dollars out of the bank and loaned them to Uncle Sam. It's up to you to do more now. Your country needs to have you buy Liberty Bonds until it actually hurts!

Uncle Sam is not asking you to donate your dollars but he is giving you an opportunity to buy U. S. Government 4% Liberty Bonds on instalments and you cannot secure a better investment. By so doing you become a partner in this great government of ours. Every man, woman and child should buy at least one Bond.

Enlist every dollar you can. Buy Liberty Bonds to your very limit. Then, after this world war is over, with "Old Glory"—the Flag Behind Liberty Bonds—victorious and unstained as of yore, you can look every defender of the Flag in the eye and say:

"I couldn't go with you—but I did the next best thing—I bought all the Liberty Bonds I could afford—as the best investment possible. I also helped sell every member of my family and at least ten of my neighbors."
