

Make Your Money Win the War!

OVER in France are thousands of Uncle Sam's Boys in Khaki, and hundreds of thousands more will soon be there. That's *their* place on the Battle Line. *They* are fighting for you.

You have not worked to the beat of drums. You have not "sought the great prize of death in battle." But you can help tremendously---now---and show the Boys in Khaki that *you* are fighting for *them* in the Fields, or in the Factory, just as *they* are fighting for *you* in the Trenches.

BUY LIBERTY BONDS. Enlist *every* dollar you can raise to fight alongside your *sons, brothers* and *neighbors*, who are bearing the brunt of *your* battle in France!

The greatest service your dollars can render is but little compared with that of the boys who wear Uncle Sam's uniform.

They are staking their *lives*. But you, in buying Liberty Bonds, are taking no chance for Liberty Bonds bearing interest at four per cent, are the best and safest investment you can make.

The dollar in your pocket is no more sound than a Liberty Bond.

The Government is back of *both*. In fact, a Liberty Bond is even *better than money*, for money can never be worth more than one hundred cents on the dollar, while Liberty Bonds are just the same as cash and at the same time pay you \$4 a year interest on every \$100 Bond.

How and Where to

Buy U. S. Government Liberty Bonds!

Your banker will handle your purchase of Liberty Bonds without commission. He, and all the other Bankers and Bond Salesmen of this country are nobly doing their part to make the Second Liberty Loan even more of a success than the First. But they can't do it without **YOUR** help.
