#### DETERMINED ON SANE HALLOWE'EN DRSERVANCE HERE

Chief of Police to Allow Only One Night Celebration; Violators to Be Punished

of Harrisburg take notice and Particular emphasis has

een laid on the wasting of fooduffs. The usual throwing of flour,
urn or confetti, and the removing
portable parts of houses will not
to tolerated and the offenders, if
ught, will be dealt with severely.
the edict of the chief follows:
"With the festivities of Hallowe'en
ear, I am desirous of informing the
bilic, through the columns of the
aily press of the conditions atnding the celebration to eliminate
issances committed by masqueradisat this season of the year.
"Celebrators will be permitted to
trade the streets in mask costumes
tt one night, this year, which will

the night of October 31—Haiwe'en.
"It is for the prevention of crime
at the police department takes this
and, and it is a well-known fact
at crimes of all nature can easly
committed by persons in mask
stumes and it is next to impossible
apprehend the guilty ones—the
lice being practically helpless beuse of the burlesque attire.
"The throwing of flour, corn or
fretti, removing of, steps and shutrs and the dangerous practice of
ing "ticklers" will not be tolerat-

A vicious practice which the pohave had to contend with, durthe Hallowe'en season, is with
s who follow girls and young
men to dark places and then tying
m with rope. Every member of
police force will be instructed to
est all persons performing an act
this nature, and the guilty ones
be severely dealt with.
At this time, let us not forget
t our country is in the thick of
and that the nation's chief exeive wisely calls for food conser-

exigency of our own re-"J. E. WETZEL, "Chief of Police."

nadian Wheat on Way Here to Remedy Shortage

New York, Oct. 24.—Material relief the shortage of hard wheat is maked by the milling division of federal food administration in tatement issued here to-day saying considerable quantity of Canadian eat owned by the Wheat Export mpany, a British government mey, and now moving down the es for export is to be made availe for grinding by mills in the ited States.

Through this arrangement, the tement says, it has been made sible for the food administration remove restrictions under which ir mills of the northwest have for eral days been compelled to operat 60 per cent. of their normal put.

I. House to Sail Soon to Gather War Data Dust Proof -- Draft Proof -- Snow Proof

Vashington, Oct. 24.—Colonel Eddd M. House is to sail for France y shortly to represent the United tes at the inter-allied conference ch is to be held in Paris early in vember. Colonel House spent the in Washington conferring with President, Secretary Lansing and inselor Polk, of the State Departnt; Secretary Daniels, of the Navyartment, and Secretary Baker, of War Department. here has been no official anneement as yet of the selection of onel House for this most importmission and Secretary Lansing neither admit nor deny that onel House is about to leave for nec. Thoroughly trustworthy autity that Colonel House is to undake this mission, has been given.
