CAMP HILL HOME IS AWARDED PRIZE IN NATION-WIDE CONTEST

This is a view of the home of J. W. Coulson, at Camp Hill, Pa., as it looked when the photograph was taken to be entered in a big home and garden contest conducted by the Gordon-Van Tine Company, Davenport, Iowa. The contest was conducted to obtain photographs of the finest homes in the country with the most attractive garden setting and scenic beauty. Mr. Coulson's home and the surrounding garden was considered worthy of second prize by the company holding the contest and he was awarded \$15. First prize went to Henry Schrimpf, Edwardsville, Ill. Considering the fact that photographs were sent in from all parts of the country, the extensive area covered by the company and the large number of contestants indicates the widespread interest in beautiful homes and well-kept gardens. Mr. Coulson's home is an example of what can be done to make the community beautiful.

NEWS OF STEELTON LOAN SUBSCRIPTIONS WILL REACH \$150,000.00 TONIGHT

With Results of To-Day's Work it is Expected That Total Amount of Sales Will Reach This Goal; Red Cross Society and Boy Scouts Active in Campaign

The total figure of subscriptions to the Liberty Loan with the reports of committeemen and banks to-night is expected to reach \$150,000. Official figures compiled from reports up to this morning gave the total as \$85,000. Approximately \$10,000 was subscribed this morning. The big drive was made by the committeemen in observance of Liberty Day to-day. All committeemen were instructed to report this evening, but it is likely final reports will not be made before Saturday, the last day bonds can be purchased. Several of the committeemen are making records in getting subscription banks filled out. Three of the men have turned in as high as twenty, which is a new record. Up to this time about 300 persons have taken advantage of the plan of weekly payment on bonds afforded by the Liberty Loan Club system, bankers assert. This system is along the same lines as the Christmas Savings system. Bankers are depending largely upon this system for running up the total subscriptions among the workmen. Organizers Active Steelton Red Cross, Steel Company officials and Boy Scouts are contributing large amounts of subscrip-

Slavonian Woman Makes Application For Naturalization Papers

The first woman to apply at the office of Prothonotary Henry F. Holler for a petition for naturalization, under the new law, appeared to-day and took out first papers. She is Miss Mary Maticka, 247 South Fourth street, who came to this country eight years ago from her home in Slavonia. Her declaration of intention to become a citizen of the United States was made before Deputy Prothonotary Elmer E. Erb. Miss Maticka said she came to the United States to visit relatives and finally decided to stay here. Now with this country at war with Austria and the Central Powers, she wants to forswear her allegiance to them. Mr. Erb explained that as she is not married she has a legal right to do so, but that a married woman cannot take out naturalization papers without the consent of her husband.

Society Makes Another Large Shipment of Goods to Philadelphia Office

Shipment of five cases of knitted goods was made by the local Red Cross Society to-day. In the boxes were 108 mufflers, 48 sweaters 14 helms, 96 pairs of socks and 75 pairs of wristlets. This amount of goods was knitted in a short time by members of the society and forms a large percentage of the quota which Steelton is expected to supply. Mrs. Quincy Bent, chairman of the Philadelphia office of the national chapter, received a letter from the Red Cross Organizer to-day, highly commending the local chapter in its splendid work. Aside from the letter of praise for the knitted goods sent by Steelton to the Philadelphia office was among the first shipments by chapters working on their quotas.

ATTENDING CONVENTION

The Rev. C. B. Seigel, pastor of the First Presbyterian Church, is attending the annual convention of the Pennsylvania Synod of the Presbyterian Church, at Johnstown. He will return the latter part of the week and on Sunday evening will preach on "Luther and the Reformation in Germany." This subject will be illustrated with the stereopticon, and will be the first in a series of four evening sermons on "The Great Protestant Reformation." The other subjects are: November 4, "John Calvin and His Distinct Contribution to Protestantism;" November 11, "John Knox and the Reformation in Scotland;" November 18, "The Protestant Reformation and Our Own Times."

Jacob Hoffman, 769 Mohr street, died this morning after a long illness.

OBERLIN

Funeral of Mrs. Stouffer Will Be Held Tomorrow

Funeral services for Mrs. Margaret Stouffer, wife of Claire Stouffer, of Oberlin, who died at the Harrisburg Hospital from burns received when her clothing caught fire from a cook stove while on a visit to her parents, Mrs. and Mrs. Morris Heaverly, of Harrisburg, will be held from the home of Harry Stouffer, in Oberlin, to-morrow afternoon at 2 o'clock. The Rev. S. H. Hough, of Harrisburg, and the Rev. H. J. May, of Harrisburg, will officiate. Burial will be made in the Oberlin Cemetery. She was married about six weeks ago.

WARNING GIVEN STATE FARMERS

Department of Agriculture Urges That Soil Be Ploughed or Cleared Now

Warning that if farmers and gardeners expect to avoid destructive garden pests next summer they must clean up their field and garden remnants of crops either by burning or plowing under, is given in a bulletin issued to-day by the State Department of Agriculture. "When is termed plowdown," says the bulletin, "will at this time destroy the cut-worm stalk borers and beetles which caused so much loss to many gardeners and farmers this year and also get rid of the germs of many plant diseases. 'Garden and fields can be worked earlier in the spring if well plowed,' says the bulletin. 'Fall plowing and thorough discing or harrowing kills many grubs, maggots and overwintering worms in the soil by breaking up their winter nests and cells.'"

Late crop figures show the state yield of sweet potatoes to have been approximately 114,000 bushels, a gain of 14,000 over 1916; an onion crop of 102,000 bushels against 75,000 last year and a pear crop of 436,000 bushels against 500,000 in round numbers in 1916.

Contract Let.—State Highway Commissioner J. Denny O'Neil has awarded a contract to H. S. Rinehart, of Dayton, Ohio, for the construction of the Ford City-Kittanning road, in Manor Township, Armstrong County, at the price of \$1,146,825. The section to be improved is 13,007 feet long and the type of construction is to be vitrified block. This road is one of the most important in Armstrong County and its improvement has been under consideration for several years but it was delayed because of the difficulties in making an agreement with the street car company.

Ask Road Work.—Charles M. Relling, of Lancaster, L. T. McAllister and M. E. Bushong, of Quarryville, made a request to State Highway Commissioner O'Neil that the state join in the expense of making an improvement on State Highway Route 136, in the southern section of Lancaster County.

Offer For Road.—Richard E. Cechran, of York County, called at the State Highway Department and submitted a tentative offer of a price at which the York and so-called Line Toll Road, in York County, would be sold to the state. The question was taken under consideration by Commissioner O'Neil.

Country Club Case To-morrow.—The Public Service Commission will hear the application of the Country Club of Harrisburg to abolish the Fishing Creek grade crossing to-morrow. The hearings here will conclude to-morrow evening it is expected.

York Gets Permit.—The Water Supply Commission last night announced the approval of plans for construction of a bridge for York county over Fisher's run, near Granton, and also for bridges in Clearfield, Lycoming and Centre counties, including Pennsylvania and Reading railroad bridges. The bureau of water of the city of Altoona was given authority to make some improvements in Logan township, Blair county.

Dr. Becht Speaks.—Dr. J. George Becht, of the State Board of Education, has been making addresses in northeastern Pennsylvania counties.

Half Holiday.—To-day was a half holiday on Capitol Hill in honor of Liberty Day. Attaches speeded up the gathering of subscriptions.

Justice Becht Here.—Justice H. O. Becht, of the Schuylkill county courts, was here yesterday on business at the State Highway Department.

Contracts Let.—State Highway Commissioner J. Denny O'Neil to-day awarded contracts for four bridges which are to be constructed in Montross county, on state highway routes 168 and 169, to Harry F. Mackes, of East Stroudsburg, Pa., at his bid prices which follow: Pocono township, 16-foot span bridge, \$1,347.45; Stroud township, 12-foot span bridge, \$1,004.45; Tobyhanna township, 14-foot span bridge, \$1,110.45; Tobyhanna township, 10-foot span bridge, \$1,109.88.

The Dependents Law.—Three questions raised in operation of the act of June 7, 1911, providing for half pay for dependents of persons connected with the state government who may enter the military service are decided by Deputy Attorney General Emerson Collins in an opinion given to Chairman Ainey, of the Public Service Commission. In deciding what shall constitute dependents Mr. Collins says: "No general rule could well be laid down which would be definitely and fairly applicable to every conceivable case. Each must necessarily be adjudged upon and in

accord with its own facts and surrounding circumstances. The common understanding and usage of what is imparted by the words dependent and dependency will perhaps furnish the safest and surest guide in reaching a rightful conclusion." Where a doubt exists as to dependency it is the duty of the head of the department to investigate before certifying for payment and dependents "are entitled to the payment provided by the act regardless of the amount of emolument paid by the United States government to one upon whom they are dependent," are also conclusions by Mr. Collins.

O'Neil Starts Inquiry.—Highway Commissioner O'Neil left to-day for Altoona to look into the conditions attending the construction of the "war emergency" road being built in Blair county. It is claimed that men and material are not being furnished as promised.

Capitol Visitors.—H. B. Henderson of Kittanning, formerly with the Economy and Efficiency Commission, and Representative C. E. Cook, of York, were at the Governor's office to-day.

Half Holiday.—To-day was a half holiday at the Capitol to-day because of Liberty Day and many of the clerks helped sell bonds. The Capitol subscriptions continued to run high to-day.

For Consistency.—State Treasurer Kephart to-day received a letter from County Treasurer F. B. Frumbershauer, of Allegheny county, enclosing eight dollars and a letter from a resident of Pittsburgh, signing himself John Doe. The letter stated that the writer had de-

franded the state out of that amount due for mercantile tax and wanted to "square" himself. The money was ordered put into the conscience fund.

Appeal Taken.—Auditor General Snyder took his formal appeal to the Supreme Court from the declaration of the Dauphin county court in the appointments case and will ask for a supersedeas to stay execution of the writ of mandamus. The state officials concerned have been discussing with the Attorney General's Department a plan to furnish bonds for amount of salaries and expenses so that the Auditor General can be asked to make payments pending decision in the case.

LIBERTY BOND MEETING The Liberty Bond Committee will meet this evening the council chamber and from the reports of the various captains, the bonds are selling rapidly and the Middletown Car Company has placed notices up at their plant urging all employees to buy bonds.

HALLOWEEN PARADE

Those who wish to take part in the Halloween parade next Monday evening of the Mothers Congress Circle are urged to attend the meeting this evening at the home of Mrs. D. W. Huntzberger. A judges

stand will be erected at the corner of Union and Evans streets. The pupils of the Central Grammar School, numbering 160, hike to Round Top yesterday afternoon, chaperoned by the teacher, R. F. Matthews, A. S. Quicquel and Mrs. Grace Hempf.

CONSTIPATION INVITES DISEASE

A reliable laxative is necessary to the comfort and health of any well-ordered household, because constipation is a condition that affects, in greater or less degree, practically every member of the family. When the bowels refuse to act the entire system is affected; digestion is impaired, nerves begin to twitch, foul gases and poisons generated by decomposing substances in the intestines are distributed throughout the body, and often result in serious illness. A prominent French scientist says ninety-five percent of all human disease is directly traceable to inactive bowels. More than a quarter of a century ago Dr. W. B. Caldwell prescribed a combination of simple laxative herbs with pepsin that is now the standard remedy in thousands of homes. This prescription is sold by druggists for fifty cents a bottle, under the name of Dr. Caldwell's Syrup Pepsin. A trial bottle can be obtained, free of charge, by writing to Dr. W. B. Caldwell, 456 Washington St., Monticello, Illinois.

HAVE DARK HAIR AND LOOK YOUNG

Nobody can Tell when you Darken Gray, Faded Hair with Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair. A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

Enters House on Ruse of Company Inspector; Steals \$60 by Plan

M. J. Kane, president Steelton Businessmen's Association, in a statement warns residents against the operations of an impostor working as an employee of the Harrisburg Electric Company. The impostor, it is understood, began work late Friday evening, when he entered the home of Mrs. Daliman, 267 South Third street. He returned to the same house the following day and entering under the ruse of an inspector got away with sixty dollars. He entered several other houses but did not get any loot. Mr. Kane said that all representatives of public service companies are identified by an official badge.

JAMES ACRI DIES

James Acri, twenty-two-month-old son of James Acri, 282 South Third street, died last night. Funeral services will be held to-morrow morning at St. Ann's Catholic Church. Burial will be made in Mt. Calvary Cemetery. The child was a twin. His sister died at the hospital a short time ago.

BELT SLIPS; LIGHTS OUT

The slipping off of a belt at the Ninth street station of the Harrisburg Light and Power Company early last evening plunged portions of the city into darkness for a period of three minutes before the belt was replaced.
