B. F. McNEAR, OF BRESSLER, DIES

Was Civil War Veteran, Well-Known Lodgeman and Postmaster of Town

Benjamin F. McNear, Sr., aged 75, first postmaster of Bressler, a Civil War veteran and a widely known lodgeman, died at his home last evening at 11.30 o'clock, after a year's illness. He has been living in Bressler for six years and conducted a store aside from his government duties. He was the only postmaster Bressler ever had, having been appointed when the office was established six years ago.

Mr. McNear was born August 18, 1842, at Warrenton, Belmont county, Ohio. At the age of twelve years he was bound in business to James M. Warden, of Wheeling, W. Va., whom he remained with until according to agreement, until attaining his majority. In 1862 failure in business nullified the contract and Mr. McNear found employment with the Hempfield Railroad Company.

Enlisted in Service He was a fireman on the Hempfield Railroad at the outbreak of the Civil War and enlisted in Company C, 149th Regiment, where he was mustered in August 22, 1862 at Camp Howe, Pittsburgh and served three years. He participated in the battles at Chancellorsville and Gettysburg. He was wounded at the Battle of Gettysburg, but not seriously.

He moved to Steelton in 1869 where he became a planer in the front and switch department at the local steel plant.

Prominent Lodgemen He is a member of Post No. 351, G. A. R.; Independent Order of Odd Fellows, No. 184, of Steelton; being one of the charter members and organizers of that lodge; Knights of Pythias, No. 194, Steelton, founder of that order; Church of God, which in 1884 served on the building committee to superintend the erection of the first church. He was a deacon in the church superintendent of the Sunday school and held other offices in his connection with this church. He was married fifty-three years ago.

He is survived by his wife, four sons, Benjamin F. Jr., of Steelton; Jesse B., Steelton; Arthur G. and Harry K., of Harrisburg; two daughters, Mrs. Gertrude Schultz and Mrs. Esther Bressler. Funeral services will be held Sunday afternoon at 1 o'clock, at the Bethel

A Simple Way To Remove Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most of it has dissolved and your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single dandruff particle. It is no matter how much dandruff you may have. You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.—Adv.

STEELTON WILL SUBSCRIBE \$700,000 TO SECOND LOAN

Reports of Committeemen and Steel Company Subscriptions up to Noon To-day Total Beyond Expectations; Allotment Almost Doubled

Steelton will do more than her share toward subscribing to the Second Liberty Loan.

Indications at noon to-day were to the effect that the allotment will be doubly subscribed by the end of the week.

Including subscriptions this morning the total was run up to \$660,000. This goal was reached by a rush of subscriptions turned in by members of the citizen's committee and a large amount of subscriptions from steel company employees.

This borough and surrounding districts were asked to raise \$440,000 toward this loan. In the first loan they raised \$737,000.

Satisfied With Results Bankers and committeemen at noon to-day were elated over the fact that they will almost doubly subscribe their loan.

This goal was reached through hard work on the part of a citizen's committee of 250 members; bank officers and employes; steel company

committees; members of the Steelton Red Cross and Boy Scouts. Including all reports up to last night the total amount subscribed was \$166,450. This included \$52,000 from the local steel company employes. Yesterday including the amount turned in by the steel company, the total subscriptions was \$31,450. Of this amount \$34,450 was subscribed through the local banks. The Red Cross Society was active, subscribing almost \$2,000 up to yesterday. The campaign among Red Cross women will be continued tomorrow.

Committeemen are turning in many of their subscriptions but more are expected before Saturday. One committeeman this morning working in the outlying districts, turned in fourteen subscriptions. The Liberty Bond Club plan is working out nicely, bankers claim, and is a big figure in the total subscriptions giving many an opportunity to buy a bond on the weekly plan. Subscriptions are expected to be made until Saturday, when the campaign will close. Bankers will make a citizen on the campaign early Saturday morning it was announced today.

Church, Bressler. The Rev. G. W. Getz, pastor of the Main Street Church of God, Steelton, will officiate. Burial will be made at Marysville.

Delinquent Subscribers to Local Red Cross Fund

About \$600 in subscriptions to the Red Cross War Fund which were due about a month ago are still standing out, according to members of the committee in charge of the campaign here in July.

Almost \$3,000 was standing out prior to October 16 when notices were sent to delinquents. Team captains who had charge of getting subscriptions were given a list of those who failed to pay the last installment and these captains started out after the money. Many of the subscriptions were paid up this week and by the end of the week committeemen believe the amount will be paid in full.

TRAFFIC POLICE ARE TAKEN OFF DUTY

Five borough patrolmen on traffic duty in Front street during the summer months, have been removed. Chief of Police Grove announced today. The chief said to-day that traffic has not been heavy for some time.

IS SERVING IN CANADIAN ARMY

Morris Fink, Brother of Steelton Woman, Has Been in Scotland For Several Years

MORRIS FINK

Morris Fink, brother of Mrs. H. T. Beard, 32 South Second street, is with the Two Hundred and Thirty-Eighth Battalion, Canadian forces, located at Invernesshire, Ovinore, Scotland.

A letter to this effect was received by Mrs. Beard recently. Mr. Fink is known in Steelton and was born in Annville.

He is fighting for the allies because he thinks every American should understand the situation. He enlisted at the outbreak of the war because he wanted to help the allies defeat Germany, before it was necessary for the states to take a hand in the turmoil.

served With United States He served with the United States during the Spanish-American War with the Twenty-Eighth Pennsylvania Volunteers. He served the entire term and won laurels as a sharpshooter with this company and as the company's orderly. After the war he resided at San Francisco. He later moved to British Columbia where he enlisted at the outbreak of the struggle to help the whole call for volunteers. The company in which he is serving is composed of men who are six feet or more in height.

Now in Hospital He has been in the hospital for five months and is slowly improving. Friends in Steelton some time ago sent him a carton of tobacco. He says that the tobacco they get over there tastes like rotten wood and thinks Americans should keep their boys supplied with the weed.

His father who was born in Berlin fought in the Civil War. Mr. Fink has one wife and two children living in British Columbia.

INFANT DIES

Elizabeth Miko, infant daughter of Mr. and Mrs. Edward Miko, 531 South Front street, died last evening. Funeral services will be held to-morrow from the German Catholic Church. Burial will be made in the Mt. Calvary Cemetery.

MIDDLETOWN

Middletown Makes Remarkable Record in Liberty Bond Sales

The Liberty Bond committees met in the Council meeting last evening and was one of the largest meetings held. Captains reported that \$57,600 was subscribed and more to be heard from. At the car works it is expected that the bond sale will reach the \$20,000 mark. The largest amount from the town districts was made by A. G. Banks and was \$7,000. The Lower Swatara district reported \$4,000, and Londonderry township \$3,950. Mr. Padock spoke on the bond proposition and was well pleased with the amount to date. Another meeting will be held next Tuesday evening to close up the affairs and allow each who were interested give their line of working in selling bonds. The campaign will close Saturday evening and Mr. Padock will be at the Council chamber each day from 10 to 12 o'clock.

TO PLAN WELFARE WORK

An important meeting will be held this evening at Coble's school, near Middletown, for the purpose of organizing a parent-teacher association and to discuss community welfare work. Patrons of the entire district have been invited to be present. The school is one of three county standard schools in Lower Swatara township.

Roy Baumbach, John Boughter, Ellwood Neagle, Henry Shellenberger, Harry Aderholt and William Leamon, who were sent to Camp Meade have been transferred to the Thirty-fifth Engineers Corps at Rockford, Ill., with the other men who were sent from the campings to do work for the government at France.

William Baumbach, son of Mr. and Mrs. Valentine Baumbach, Sr., and Miss Mabel Wise, daughter of Mr. and Mrs. Edward Wise, of Pike street, were united in marriage at St. Peter's Lutheran parsonage yesterday afternoon at 2.30 o'clock by the Rev. Fuller Bergstresse. They were unattended. They will reside at the home of the groom's parents, in Ann street.

The Red Cross chapter of town shipped two boxes of supplies to the Pennsylvania division supply depot at Philadelphia yesterday, which contained bandages, water bottles, handkerchiefs, twenty-two comfort kits and eleven pairs of pajamas.

At a special meeting of the School Board held last evening, Miss Alice Baer was elected as teacher in the Susquehanna building, to succeed Mr. Gardner, who resigned.

First Term of Chapter of Banking Institute to Open Tomorrow Night

The Harrisburg chapter of the American Institute of Banking will open its first term in Tech High school building to-morrow night. F. M. Snyder, president of the Lancaster, chapter will talk on the work of the institute. J. R. Geyer, of Harrisburg, will outline the course which will be along banking law. The meetings will be held in the Tech auditorium every Friday night and are open not only to bank attaches but anyone wishing to take the course.

URGE EMPLOYERS TO DRILL MEN

Training Classes Would Increase Safety Methods

Classes for the training of "green" men, even if one hour a day is devoted to such instruction, will be urged upon the employers of Pennsylvania in the general campaign to increase safety methods in industries about to be launched by the State Department of Labor and Industry. The plans are now being worked out by Lewis R. Palmer, Chief of the Bureau of Inspection, and the inspectors will be the first to be called into action. One of the ideas will be to urge upon employers the importance of training their men as was done in French industry in the seventies and the suggestion of classes to show them the use of appliances and the dangers will be made at meetings of employers, while the men will be addressed at noon and evening meetings on the general subject of taking care.

Later on the system will be extended to other lines and a general movement to bring about improved methods undertaken.

Commission to Meet.—The State

Commission to select a site for the establishment of the proposed State institution for Inebriates will be organized this month and begin inspection. Two of the first commission will hold over. They are Lewis Sauter, of Carlisle, and Francis J. Hall, of Harrisburg. The new members have been notified of their appointments.

Cabbage Away Up.—According to the calculations of men connected with the State Department of Agriculture the yield of cabbage in Pennsylvania this year was at the rate of six tons to the acre as compared with 3.3 tons in 1916. This is due to the greater care given to cultivation in some sections, and to closer planting in many sections. Insects are declared by men who have been studying conditions to be the cause of the state failing to obtain a banner crop this year.

O'Neil Pushes Work.—Highway Commissioner O'Neil announced last night that negotiations were pending for freeing of 164 miles of toll road in fifteen counties, out of a total of 531 miles in the state, of which 351 are on state highways. The commissioner at a meeting with Lancaster county commissioners, announced that the state was willing to cooperate with all counties in freeing toll roads. He objected to the price aspect for the Lancaster and Elizabethtown road and discussed several other roads in that county. If satisfactory prices cannot be arranged, condemnation proceedings will be instituted. If citizens start proceedings of the roadways, the state must pay the full cost of the road but if the state begins them it contributes part of the price. Papers have been signed for freeing the Mount Pleasant and East Donegal toll road, six and a half miles in length, in Westmoreland and Fayette counties, the last toll road west of

the Alleghenies, for which the state will pay half of the \$10,000 asked. Papers are being prepared by Attorney General Brown for freeing of the Duncansville and Newry pike, four miles in Blair county, for \$5,000; Cornwall turnpike, four miles in Lebanon county, \$6,250; and Danboro and Plumsteadville toll road, two and a half miles, in Bucks county, \$3,167, the state paying half in each instance. If pending negotiations can be completed other roads will be freed by Christmas.
