# GAME AT ISLAND PARK---ACADEMY WITHOUT GAME CENTRAL HIGH MAY ATTEND

DICKINSON COLLEGE TEAM:

Carlisle, Pa., Oct. 25.—For the first time in twenty years the Dickinson College football team will play in Carlisle on Thanksgiving Day. This was announced last evening at a meeting of the athletic council of the institution, when it was found that the Catholic University game yendedled for that day had been canceled. Arrangements were immediately made to have the game with Bucknell, set for November 24, put on Thanksgiving Day.

He started out just a trifle slow With a worried look and a wrinkled brow; He started out with a kink in tow, But he's got a Hop to his Fast One now.

When the game began he was shy of stuff, They had him out on the bending bough; His speed was bad and his curve was bluff— But he's got a Hop to his Fast One now.

CONSIDERABLE CHANGE

But it has taken a world-wide war to make a man feel prouder over a adly beaten eleven than over one mopping up with five or six regulars in

Yale, Harvard and Princeton may be beyond any censure in practically abandoning all football schedules, but we like the idea of Cornell, Penn, Dartmouth and the others, who have gone straight through—who are not out after any championship or out especially to make any showing, but who had the nerve to "carry on" in line with a request from the War Department.

It must be a highly depressing incident to arrange for a big come-back, have it develop and still finish back of the entire field.

# Camp Hill Candidates Working Hard to Win Positions on Team

Coach "Bob" Dunkle had charge of the Camp Hill High School 'varsity candidates for basketball team last evening. The coach is very elated over the condition of the boys and their knowledge of the game and is of the opinion that Camp Hill will have the fastest time in its brief history in the sporting world.

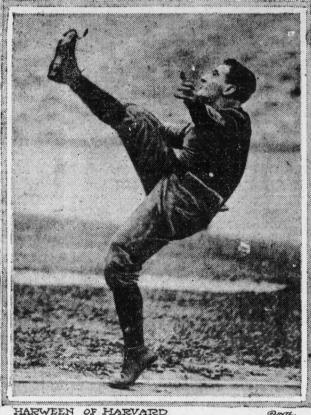

Manager Good is working hard on the schedule and expects to have it completed by next week. Two games have been arranged with York Collegiate Institute, one at home and one away, and with Myerstown at home and on the Myerstown floor. The opening game will be played November 30 with Oberlin High School. Cheer leaders will be elected by the student body several weeks prior to the opening game.

# HORWEEN, STRONG HARVARD FULLBACK, THANKSGIVING GAME FOR IMPORTANT FACTOR IN CRIMSON LINE

He looked as cheerful as if he'd just bought a million dollars' worth of Liberty Bonds.

"Why the hip-hip-hooray?" we inquired.

"My old college got beat 40 to 0 last Saturday," he said.

"Since when did a 40—0 trimming turn into a cheer-producer?" was the come-back query.

"Since this season. Out of our eleven veterans of last year we sent ten into some form of Government service. The team that beat us 40 to 0 returned six veterans and four subs. Only three of its men went into service. Which eleven would you rather claim?"

And there was, of course, only one answer. Horween, one of the Harvard football stars, in action on the Stadium field. Harvard has lived up to her old record and is getting ready for the big battles with her old enemies, when the Tiger got licked, 3-0.

The management of the Technica High School football team has extended an invitation to the Central team to attend the Tech-Steelton game in a body as guests of the Tech team. Central being without a contest for this week because of the cancellation of the Baltimore management, will likely accept the offer.

The practice game that was scheduled for last evening on the Academy grounds between Tech and the Academy team, was called off at the last minute because of the heavy rain in the afternoon. The teams will line up in friendly battle during the forepart of next week. High School football team has ex
