Reilly, \$1,000; Miller and Kades \$1,000; Paul Johnston, \$1,000; James T. Houck, \$1,000; Flavi Wright, Thomas Smallwood, \$500.

The salesmen were bolterous at the meeting. William Jennings officiated as orator and called out the subscriptions as they were pledged. Afterward, when it was found the total was well above the \$1,000,000 mark, the enthusiasm of the salesmen broke into a spontaneous outburst from the hall, they secured the Technical High School band and started a parade over the principal streets of the city.

In front of the Red Cross headquarters, Spencer Gilbert made an appropriate address.

As a fitting conclusion to the big drive, the Doxology was sung by the men before leaving Chestnut Street Auditorium.

The Sunday school of Stevens Memorial Methodist Episcopal Church, at a meeting last night, decided not to treat the children to candy this Christmas. Instead, the amount of the treat was invested in four \$50 Liberty bonds, one for each department. Al. K. Thomas is superintendent.

The total for Harrisburg and the allied towns for the first two days of the drive was \$3,412,900. To-day the city of Harrisburg subscribed \$1,150,000. The allied towns gave subscriptions to-day amounting to \$1,120,000. The grand total for the drive to this date, the figures not being official, is \$6,535,800. This does not include the amount subscribed after the report closed this afternoon.

Everybody Buy

Governor Martin G. Brumbaugh, who presided at the big meeting at Chestnut Street Auditorium last night, aroused intense enthusiasm when he stated that any man or woman who does not resolve to support this government in every way possible is not fit to live here. Governor Brumbaugh urged citizens to purchase Liberty bonds to-day.

Harrisburg is one of the five Pennsylvania cities in which the Warrenton plan will try out a plan through which students are expected to purchase Liberty Loan Bonds valued in thousands of dollars. Purchasers will pay for their bonds in twelve equal monthly installments. Students who join the "syndicate" will be taught to save, and enter by a bond at the end of the year.

During the address by Dr. Hills last night, scores of mothers and sisters were knitting garments for American boys in the trenches, as they listened to the lurid description of German atrocities.

Red Men Purchase

Warrenton Order No. 340, Improved Order Red Men, last night voted to purchase a \$100 Liberty Bond.

Edward Moeslein, a veteran of the Franco-Prussian War, is captain of one of the Second Liberty Loan teams in this city. Yesterday Mr. Moeslein's division reported sales of \$6,200. "The people of Harrisburg do not know what they are facing. Everybody should try to purchase one or more bonds. Purchasers will former German army fighter."

Buss His Second

George Eugene Yokum, Jr., has bought his second Liberty Loan Bond, and seems to be proud of the fact. He is the son of Mr. and Mrs. George E. Yokum, 530 South Sixteenth street, and is seven months old.

At the E. C. Snyder planing mill, Eighteenth and Holly streets, twenty

men are employed. This morning it was announced that twenty men of the Snyder establishment have purchased bonds of the Second Liberty Loan. There may be plants which have a better record, but salesmen haven't been able to discover them.

Sinking Fund Invested

Following publication of a letter in the Telegraph last evening, calling upon the municipalities of the state to invest in Liberty Loan Bonds, J. Herman Knisely, chief of the Bureau of Municipalities in the Department of Labor and Industry, to-day received a reply from S. N. Kawel, chief bureau of Millersburg, to the effect that as a result the borough council has invested the \$3,000 in its sinking funds in bonds. Burkes Kawel thanked Mr. Knisely for the bureau's interest in the cause and hopes that other boroughs will follow Millersburg's lead.

Subscribes \$500 More

To-day Chairman William Jennings received the following letter from Captain Lumb, of the State Police, who also notified the committee that the State Police force in the state has subscribed for a total of \$20,550:

October 25, 1917.

William Jennings, Liberty Loan Com., Commonwealth Trust Co., Harrisburg, Pa.

Dear Sir:

It is evident that the men of the county must carry the load of the other persons who parade in masculine attire. With this end in view I hereby subscribe for an additional \$500 of the Second Liberty Loan, but you must send a Notarialis of your committee to get this subscription. I watched them at work yesterday and want to be sure they had at least one subscription when the sun is shining after their grueling day in yesterday's rain.

Alotted \$40,000

Announcement made by headquarters in this city to-day that of the \$5,000,000 Liberty bonds purchased by the Bell Telephone Company \$40,000 had been allotted to the Harrisburg district.

District Manager George S. Reinhold told the team members at Chestnut Street Auditorium at noon that the matter of credit for this sale had given him food for serious thought, but after mature deliberation he had decided to place himself at the head of the team and take the credit for his team.

Every Clerk Subscribes

Two more offices who have a record for 100 per cent. efficiency in purchasing Liberty bonds are the clerks and stenographers employed by County Recorder James E. Lentz and J. Parker Russell, of the Russell Indexing Company, now at work on the records in Mr. Lentz's office.

There are twenty women employed in the two offices and this morning when one of the solicitors called to sell bonds each one subscribed. Some of the women had purchased bonds when the first Liberty Loan campaign was on.

Steel and Other Active Industrials and Equipments Move Within Very Narrow Limits; Rails Uncertain

By Associated Press
New York, Oct. 25.—(Wall Street)

—Steamship shares were the prominent features at the irregular opening of to-day's stock market, advancing 1 to 2 points. The inquiry for those issues was greater than that shown by any other branch of the stock list. United States Steel and other active industrials and equipments moved with very narrow limits and rails manifested all of their recent uncertainty. St. Paul common and ptd. and Union Pacific ptd. losing 1 to 2 points. Liberty Bonds 3 1/2 were again transferred in large blocks up to \$650,000 at 99.80 to 99.82.

The heaviness of Union Pacific and other trans-Continental checked the better tendencies for a time, but this was overcome later. United States Steel rallied from 104 1/2 to 108 1/2. Bethlehem lost those 2 1/2 and shipplings made further headway under the lead of Marine Pfd. Tobacco manifested a revival of their recent activity and strength and various equipments and specialties advanced. As a fitting conclusion to the day's work, the market was almost wholly wiped out at noon, however, on fresh selling of Chicago Mil. and steel weakness of Canada Pacific, Liberty Bonds were firm at 99.80 to 99.84.

SMOKES NEEDED IN BATTLE LINE

Officer Tells of Soothing Effects of Tobacco on His Men

Lieutenant Pepper, of the Twenty-second French Canadian Regiment, recently offered the following testimony about the way the men abroad feel about pipes and cigars.

"During one of the early battles of the war, a dozen of us became

pushed in a trench by the Germans and were forced to go nearly three days without food or drink. Not once during those agonizing hours, did a man complain for food. The great want was for a smoke. When aid did reach us, we were too dry to eat the bread the party brought, but we certainly did make use of the cigarettes. After we had a smoke we all agreed we could go more than forty-eight hours more without food if necessary."

Excessive Profits of Food Brokers to Be Cut Down by Federal Board

By Associated Press
Washington, Oct. 25.—Elimination of excessive commissions to brokers, commission merchants and auctioneers of food is provided by special

regulation which will go into effect November 1 under the Federal licensing system to be operated by the Food Administration.

Licenses will not be permitted to charge directly or indirectly more than ordinary and customarily during normal conditions in the particular locality and trade.

Commission men, brokers and auctioneers will also be prohibited from selling goods to themselves or persons connected with their own business. The regulations, designed to protect the consumer and the producer shipping goods to market on consignment are for the guidance and support of the trade and to protect the majority of businessmen against the few who attempt to take advantage of war conditions.

VISITING NURSES ELECT

Officers elected yesterday at the first all meeting of the Visiting Nurses' Association Aid Society, were: Eleanor Neal Clark, president; August Hean, vice-president, and Miss Julia Stamm, secretary and treasurer.

FLUSH KIDNEYS WITH SALTS IF BACK IS ACHING

Noted authority says we eat too much meat, which clogs Kidneys.

Take glass of Salts when Kidneys hurt or Bladder bothers you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally. Says a well-known authority: "Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys."

The moment you feel a dull ache in the kidneys or your back hurts or the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in uric and bile, and prevent serious kidney complications.

Sunday School Workers Make Ready For Big Days

At a meeting of one member from each church denomination in the city and county at the Y. M. C. A. last evening, over which H. H. Hoy, of Millersburg, presided, plans were made to get out a large attendance at Sunday school on Sunday, November 4, "Go-to-Sunday School Day," and arrangements outlined for the observance of Sunday, November 11, Armistice Day, and Sunday, November 15, Thanksgiving.

A state-wide program has been arranged for Father and Son Day, to be observed in the Sunday schools, November 11, and at last evening's meeting one man from each denomination was named to constitute a central committee of arrangements. Each committee will be responsible for the proper observance of the set program in each of the churches of his denomination in the district.
