

**ELKS URGED  
TORALLY TO AID  
OF SMOKE FUND**

**Exalted Ruler Approves This  
Splendid Opportunity to Do  
Something For Soldiers**

Fred J. Mersheimer, exalted ruler of the Washington Lodge of Elks, has warmly indorsed plans to raise a fund with which to buy smokes for American soldiers in France, and urged the members of the antlered herd to generously support the movement.

"I most heartily approve this splendid, patriotic movement," said Mr. Mersheimer. "It affords every one an opportunity to contribute to the comfort and enjoyment of our soldiers in the trenches."

"From my own observation and what I have heard from soldiers, nothing gives me more genuine delight or pleasure while in the field than tobacco. They long for it when they cannot get it, and are entirely different men without their smokes. Tobacco seems to brighten and cheer and comfort them. They should have their American tobacco everywhere they go. I am sure this movement will appeal strongly to Elks not only in Washington but throughout the country, who know the joys of a good smoke and who may be relied upon to do their bit for the boys 'over there'. I should like to see the Elks lead all other contributors to this fund."

From the far off Canal Zone comes this letter:

Balboa, Canal Zone,  
October 13.  
To the Editor of the Telegraph:  
Dear Sir: The enclosed coupon and \$1 are my contribution to the "Our Boys in France Tobacco Fund." I am sure it will be appreciated by those for whom it is intended. Letters from a son in the Navy never fail to be as successful. I say give them the "makings" and plenty of them.

Respectfully yours,  
R. T. BRADBERRY.

**Had Liver Trouble  
For Years  
"Sanpan Made Life  
Worth Living"**

Says Mr. H. Hines, 1001 Cowden St., Harrisburg: "I may say for years I was bothered with liver trouble and constipation. I would get dizzy, would bloat and belch up gas, had severe pains in stomach and side. I just thought my back would break. "Had bad headaches, felt dull and drowsy, especially in the middle of the day. My kidneys gave me lots of trouble. I had no ambition to do anything. I just did not have the punch. "I just felt as if the world was against me. "Finally I began to take Sanpan, and my pains have gone. I am not troubled with gas, those headaches are gone. I don't get dizzy or drowsy, my liver is right and life is worth living. "I am no longer surprised at the wonderful work this medicine is doing, my own case is proof enough for me. Good luck for Sanpan." Sanpan is being personally demonstrated at Keller's Drug Store, 405 Market St., Harrisburg, where the Sanpan man is meeting the people.—Adv.

Miss Anna Sellers So Pleased With Work of Tanlac She Wants Others to Know

**"IT'S WONDERFUL," SHE SAYS**

"I suffered terribly from nervous headaches and a bad stomach and I was so miserable all the time that I didn't have any ambition to do anything," says Miss Anna Sellers, of 529 W. Market St., York, Pa.

"I didn't know what it was to feel good and none of the many remedies I tried did me a bit of good and I felt that I was doomed to suffer until the end.

"My sisters urged me to try Tanlac because they heard so much about it and I finally consented and I certainly am glad that I listened to their advice, for Tanlac has done wonders for me. My headaches are gone, my stomach is so much better that I can now eat without fear of suffering and I feel much stronger, happier and more vigorous. I certainly want others to know how Tanlac has helped me."

Tanlac, the famous reconstructive tonic, is now being introduced here by Gorgas' Drug Store, who have secured the exclusive sale of this master medicine in Harrisburg.

Tanlac is also sold at the Gorgas Drug Store in the P. R. R. Station; in Carlisle at W. G. Stephens' Pharmacy; Elizabethtown, Albert W. Tain; Greencastle, Charles B. Carl; Middletown, Colin S. Few's Pharmacy; Waynesboro, Clarence Croft's Pharmacy; Mechanicsburg, H. F. Brunhouse.—Adv.
