

NEWS AND NOTES OF THE BOY SCOUTS

SCOUTS CAN DO PART IN SCHOOL

First and Highest Duty Is to Make Himself a Fit and Valuable Citizen

Last Friday evening was truly a great test to many of our scouts. Every scout that was present at the Y. M. C. A. hall, marching through a heavy rain, showed his true sense of patriotism and loyalty.

At the beginning of the school session the scoutmaster informed his scouts that he was very much interested in their school work and that he wanted a report of their application and deportment in school. Several gratifying reports have been given to the scoutmaster. There is no better way for his scout to serve his country than in the schoolroom. His first and highest duty is to make himself a fit and valuable citizen, and the way to do that is to stick to his school with all his heart and soul and to study as he never studied before.

On the other hand, while it is on our mind we might as well say that in our opinion a boy who can go to school and won't go to school, or a boy who can master his studies and doesn't master them, is as much a scoundrel as the man who tries to dodge the draft.

On account of the musicale at the church the scout orchestra will not have their weekly rehearsal. With the enthusiasm manifested by the scouts and under the leadership of Assistant Scoutmaster W. L. Bailey, the orchestra promised to be quite an asset to the troop.

A good hike with a few variations has been planned by the troop for Saturday. The starting time is 10.30 a. m.

THIS IS THE WAY TROOP 7 GOES TO ITS ANNUAL CAMP

Above are shown members of Troop 7 of Harris Street United Evangelical Church on their way to Camp Harris. The boys had a splendid time at the annual outing and they are still talking about it. Next year they expect to have an even better time.

SCOUTS IN PARADE

Boy Scouts have been asked to parade Monday night in the big celebration to boom recruiting. As yet definite details regarding the line of march and position in line have not been received at Local Headquarters. All troops should watch the daily papers and find out from the published notices when and where to assemble. Scoutmasters or patrol leaders should upon arrival at the proper rendezvous report to the marshal of the parade for definite assignment in line.

WILL LEAVE ON OVERNIGHT HIKE

Troop 6 Will Carry Full Equipment on Their Journey

Troop 6 will hold an overnight hike, leaving Harrisburg about three o'clock to-morrow afternoon, returning about ten o'clock Sunday morning. All scouts of the troop are requested to report at the scout room not later than three o'clock with full equipment, including blankets and eating utensils.

The members of troop 6 are interested in the proposition of a scout basketball league and will have a team to represent them.

One night last week a scout while riding down eleventh Street noticed a large black object lying on the street car track. Investigation proved the article to be a large searchlight which had fallen from a car. The scout turned the light on his bicycle and wheeled it to the power plant of the Traction Company, where reward was offered. The scout explained why no reward could be accepted and said that he was rewarded by the fact that another good turn had been added to his list.

SCOUTS HELP IN CAMPAIGN

Distribute 900 Pieces of Advertising as Their Part of War Loan Drive

Complying with the wish of the local committee handling the Second Liberty Loan bonds, Troop 4 scouts left the selling of Liberty bonds to older and more experienced salesmen, but they did their bit by distributing nine hundred pieces of advertising matter to the homes in their district.

Two members of Troop 4 attended the Y. M. C. A. Older Boys' Convention at Berwick, October 19 to 21. Donald Egolf, as a delegate from Emmanuel Sunday School and George Beard as a delegate from Troop 4. Both boys gave good reports last Monday evening and will be regular storage batteries of helpful thoughts in the future.

The troop is grateful to Mr. Dinmore for the good care he took of the boys. Troop 4 sent its report of War Gardens to national headquarters at Berwick, October 19 to 21. Donald Egolf, as a delegate from Emmanuel Sunday School and George Beard as a delegate from Troop 4. Both boys gave good reports last Monday evening and will be regular storage batteries of helpful thoughts in the future.

Be Sure Scouts and Live Up to Pledges

Before another issue of the Scout page comes forth Halloween will be over for another year. It is to be hoped that all registered Boy Scouts in Harrisburg will live up to their Scout obligations on this occasion.

Scoutmaster John W. German, Jr., dropped into headquarters recently and suggested that all be cautioned against the practice of throwing corn, flour, cornmeal, rice, beans, etc., on Halloween. The waste in foodstuffs by uselessly throwing same about ought to be avoided by everyone at such a time as this, and certainly by Boy Scouts.

Second Class Exams Engrosses Boys of 17

All members of Troop 11 are working hard on second class examinations in anticipation of an early test, and it is the hope of each boy to qualify for a second class badge when they are given.

Dr. J. Moore Campbell, who is now acting as assistant scoutmaster, is teaching first aid at every meeting, and the troop expects to stand high in this branch of scouting in view of the excellent training being had.

Five members were present last week at the scout meeting in the Y. M. C. A., where medals were awarded to those scouts who sold Liberty bonds last summer.

Recent outdoor expeditions have included a trip to Spooky Hollow and an overnight hike.

Kills Catarrh Germs

Hyomei the Most Wonderful Treatment for Catarrh Ever Discovered

Do not try to cure catarrh by taking drugs into the stomach; it cannot be cured in that manner. The only method in which this too common disease can be cured is through a direct application that will kill the catarrh germs and prevent their growth.

Hyomei is the only known method of treatment that accomplishes this. It is the simplest, most pleasant, and the only natural remedy for catarrh that has ever been discovered.

The complete Hyomei outfit costs but little, consisting of an inhaler, dropper and sufficient Hyomei to last several weeks. This should effect a cure in ordinary cases, but for chronic and deep-seated cases of catarrh, longer use may be necessary, and then extra bottles of Hyomei can be obtained for a few cents. It is not alone the best (it might be called the only) method of treating catarrh, but it is also the most economical.

Remember that if Hyomei does not help you, H. C. Kennedy will refund your money.—Advertisement.

Mass Meetings Aid Work of Boy Scouts

The ceremony at Falmestock Hall a week ago to-night suggested the great good that can come from Scouts' meetings together from time to time en masse. It should be possible to have several indoor meetings this winter at which all the troops would be in attendance, and each troop would take some part in the program. One troop, for example, could take signaling, another woodcraft, another set up an entertainment feature, etc., and thus a very profitable and interesting evening could be spent. Such programs of this serve to unite the Boy Scouts of a city and builds up a spirit of camaraderie that is highly valuable.

ELIMINATES ALL TRACES OF SCROFULA AND BLOOD IMPURITIES

You Can Rely Upon S. S. S. For Results

Don't do yourself the injustice of laboring under a physical handicap that you can easily rid yourself of.

If there is the slightest trace of a scrofulous affection in your blood, no matter how remote, it is your duty to get rid of it as soon as possible.

There is one treatment that you can absolutely rely upon for satisfactory results. S. S. S., the most thorough blood remedy known, is an antidote to any poison in the blood. This has been proven in hundreds of cases which have yielded to S. S. S., even after other treatment has failed.

S. S. S. goes down into the blood, where the trouble is located, and eliminates every trace of impurity. It cleanses thoroughly, and adds new strength and vigor to the vitality.

This grand old remedy has been on the market for more than fifty years, and is sold by druggists every where. Insist on the genuine S. S. S. If you know of anyone afflicted with Scrofula, or any trace of the disease, you will be doing them a favor by writing for our valuable literature.

Our medical director will give, without charge, full advice about the treatment of any case. Address Swift Specific Co., 223-J, Swift Laboratory, Atlanta, Ga.

Good Turns by Scouts

Boy Scouts in camp near Anacosta, helped to put out a fire in a frame mill building in which twenty-five men were asleep.

Cotton is being picked by Boy Scouts in Harris County, Texas, owing to the scarcity of farm labor.

Italy is employing her Boy Scouts behind the battle lines to assist soldiers, in Red Cross work and to carry messages. The Italian Boy Scouts, numbering 120,000, are being organized in all territory captured from Austria and in Libya.

Boy Scouts are helping to fill the "bounty baskets" placed all over Newark and Belleville for things needed by soldiers.

House owners in Detroit were asked how much coal they had laid in for the winter by Boy Scouts in the survey of the fuel situation made by the Board of Commerce.

A Boy Scout who kept up a search for a diamond a little longer than the others found it in a wastebasket of a pavilion in Hoopston, Indiana, and ran all the way into town and turned it over to the owner. He got a reward and an editorial in a local paper headed "Building character."

More than a hundred Chicago Boy Scout troops co-operated on Fire and Accident Prevention Day in showing the school children some of the scoutcraft which everyone should know in connection with accident prevention.

Former Vice-President Fairbanks was approached by an Indianapolis Boy Scout and asked to allow his name to be used for garden purposes. The result was very profitable for the Scout's fund.

Troop 20 Will Hold Big Meeting Tonight

There will be a meeting of Troop 20 to-night at 7 o'clock.

Charles Mehring, assistant Scoutmaster of Troop 16, will be present and tell about the Older Boys' Convention at Berwick.

The troop has received the First Aid kit and the troop flag; these will be at the meeting.

Plans will be made for the hike on Saturday with the other troops of the city, as well as for the parade Monday evening, Oct. 29.

Words of Praise For New Harrisburg Official

Referring to the departure of Superintendent J. K. Johnston from Tyrone the Altoona Tribune says:

"Mr. Johnston is a practical railroad man having started as a man and learned the business of railroading from the ground up. The interests of the company he served were always first with him, and his promotion to superintendent of the Philadelphia division comes as a recognition of his true worth and merit."

"While we are glad to learn of Mr. Johnston's advancement, Tyrone is losing one of its best and most progressive citizens, and a man who has done great good for the betterment and advancement of the community. Through his efforts Tyrone has one of the finest Y. M. C. A.'s and athletic parks in the state of Pennsylvania."

"The Tyrone division employees also regret the loss of a superintendent who has been fair and square with them in all his dealings. Under his superintendency the Tyrone division reached the highest standard of efficiency of any single track railroad in the world."

Too Young to Become Scout but Distributes Loan Posters Anyway

Charles Cumber, 236 North Second street, is too young to join the Boy Scouts but not too young to cherish a desire to serve his country. So Charles has been helping to distribute Liberty Loan posters from house to house during the week.

National Boy Scout headquarters requested that all literature not used in obtaining subscriptions be placed in the homes as an advertising medium, and in this connection Charles Cumber has been serving as a patriotic agent of Uncle Sam.

Hallowe'en Party to Be Held by Boys

At the last meeting of Troop 11, a Hallowe'en party was suggested. A committee was called to act upon it, and they met at the home of C. H. Crist, Wednesday evening, October 24. Arrangements were made for the party, which will take place in Market Square Church on Saturday evening. The boys appointed for the work were William Murray, chairman; Edward Watson, Daniel Bacon, Percy Walker, treasurer; Charles Crist, scribe.

All boys in Troop 11 are urged to be present this evening at the meeting at 7.15 o'clock. Business of great importance will be transacted.

How Does a Scout Basketball League?

A boy scout basketball league is suggested by Scout Diener of Troop 6. How does it sound to the rest of you fellows? It ought to be possible to make up a corking league out of the material in the eighteen scout troops in Harrisburg.

The only difficulty would be in getting the courts, practice floor and courts for match games are not plentiful, but no doubt some way can be found to run off a schedule. Let's hear what you think of the idea. If you like it let Headquarters know.
